Catalog #8b

Better Than Greens

Your Catalog for Affordable, Better Health, and Health Education—
2500+ Supplements at Affordable Prices!

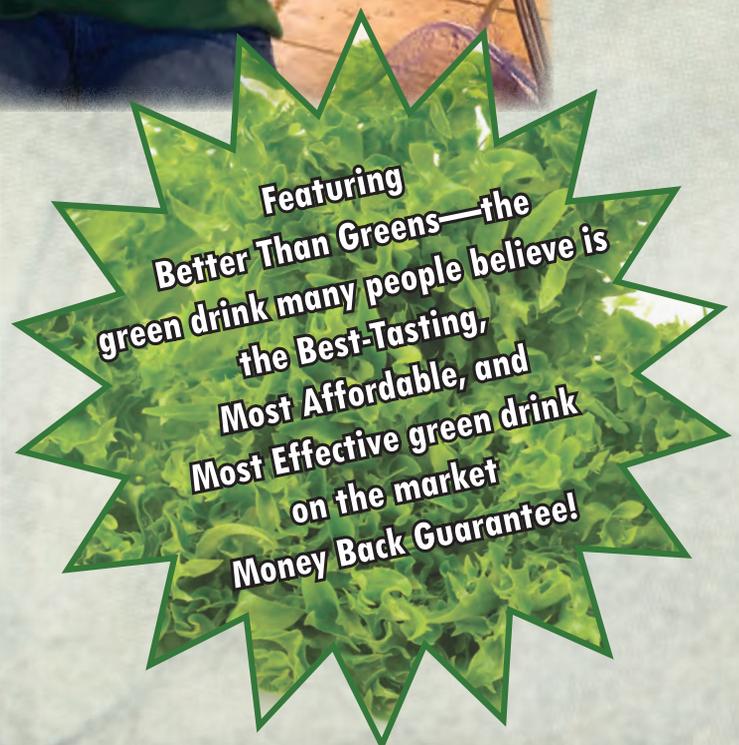

**Our new catalog has MANY new Brands,
and hundreds of new products!
As always, most are 20%-35% below retail!**

(Sometimes prices Online are higher, due to MAP pricing. Rest assured, we will give you the same discounts ONLINE when you place your order, as we offer here in the catalog. Many companies just won't allow us to publish the lower prices Online.)

**If you are looking for something you don't see,
please don't hesitate to ask!**

Please share our catalog with your family and friends!

About Us...

Hi There! and **WELCOME** to our catalog!

We are the Roesch's, Al & Tammy, and we live here in Kingsville, Ohio—in the northeast corner of the state. Al and I have been very interested in health our whole married life. We owned a successful health food store for 10 years, but one by one our 5 children grew up and left the nest, and the store was more than the two of us could manage, so we sold the store and started a mail-order business. I work the computer and talk with the customers on the phone and Al packs and ships all the orders. We are “early birds” so you are welcome to call any time after 5 AM. We do go to bed early, so you won't reach us after 8 PM. We are open for business Sunday - Friday. We worship on the Sabbath, from sundown Friday night until sundown Saturday night, so you won't reach us during those hours. We are not Jewish, just old-fashioned Christian. We actually have home-church.

I am a Master Herbalist. I completed Dr. Christopher's Master Herbalist course back in 2001 and I love helping people maintain & regain their health, without the use of drugs. We believe that God cares just as much about the body as He does the soul...for what good is a soul without a body?! After all, He says, “I wish above ALL THINGS that you will prosper and BE IN HEALTH.” 1 John 3:2. We believe that Jesus is coming very soon and it is our desire to help people get ready physically and spiritually. Please call anytime if you have health concerns and I'll do my best to help you. The consultations are FREE.

We hope you enjoy browsing our catalog and that you find just what you are looking for. If you don't see what you are looking for, please call, not everything is in the catalog...and we are always adding more items. We are happy to try to bring in new products. If you are ever in the area, please feel free to stop and visit us! We are not always here, so if you are passing through, call ahead and make sure we are home. We would love to meet you!

Don't forget that we ship for FREE if your order is \$80.00 or more. Otherwise, shipping is **\$8 EAST of the Mississippi and \$10 West of the Mississippi, add \$12 on the West Coast.** Hawaii & Alaska, please ADD an additional \$7 for shipping. If you purchase by the case (*usually a case consists of 12 items*), you can deduct 10% from that item.

May God bless you as you try to take care of the temple He has given you!

Your new friends!

Al & Tammy

PS: If you are Online, check us out at www.betterthangreens.com. We try to keep the prices down as best as we can, but at times we must raise them, so if you mail your order in and the price has gone up, we will ship your order and you can mail us the difference. Thank you! (Sometimes prices Online are higher, due to MAP pricing.)

We have 12 Grandbabies, including our TRIPLETS, Emory, Payton and Avery ~ and believe me, TRIPLETS are a TRIP! They will be 3 in August.

Haley & Hayden, our LOCAL 2 Lil' Ones who spend a lot of time with us. When you call and hear “background noise”, it's probably them :).

Two of our Grandsons, John & Ashton, not so little anymore!

Our Montana Crew, Lexi, Ellie, & Garrett

Better Than Greens

We would like to introduce you to one of the best Green Food products on the market ~ Better Than Greens. What makes it so good? With most Green Food products, you get simply that - Green Foods. But with Better Than Greens, you get the Greens and SO MUCH MORE! Not only does Better Than Greens build the immune system like other Green Foods, but it also detoxes the body, the liver, the colon and the blood! It has 300 mgs. of Silymarin (Milk Thistle) extract per serving, which is known for being the best herbal liver rejuvenator there is! Plus, it tastes much better than most of the Green Foods out there.

As one of our customers put it, "I LOVE Better Than Greens! So many of them taste like you are licking the bottom of a lawnmower! But this actually tastes good!" Some of our customers tell us it tastes like MOCHA...we don't know why, as there is no MOCHA in it. It's so much easier to stick with taking something every day, if it tastes good, rather than trying to choke down something nasty every morning.

Ounce per ounce, it is about 1/2 the \$\$\$ of the other Green Foods.

Order Your 20 oz Container Today!

#352659

\$33.00

It is a 100% money back guarantee, and YOU are the Judge! If you want to try a FREE SAMPLE, just call or write us and we'll send one right out to you. We'll send you enough for a good taste.

Many of our customers have been faithful users of various other Green Foods, and are convinced that not only are they saving lots of \$\$\$, but that they see better results with Better Than Greens, too. Many of the other Green Food companies are MLM (Multi-Level-Marketing) companies, where people sign up other people and those UPLINE get a cut, so the price of the product is marked way up. We don't like that kind of marketing. Our product costs less because it is OUR PRODUCT, NOW FOODS makes it for us, ships it to us, and we sell it to you. There are no other "middle men."

Compare Better Than Greens to other products such as:

Master Formula • Nature Sunshine's Ultimate Green Zone • Green Magma
Miracle Greens • Hallelujah Acre's BarleyMax • AIM's Barley Life

What's In It?

Ingredients in Better Than Greens

Organic Hemp Seed

Hemp seeds are one of the best sources of a complete plant-based protein and GLA and have a wide variety of health benefits, including their ability to improve heart health, stimulate digestion, build muscle mass, eliminate insomnia, treat anemia, and aid in weight loss. They also help to stimulate metabolic activity, boost the immune system, reduce symptoms of menopause and menstruation, improve skin and hair health, and build stronger bones. And no, Hemp seeds are NOT from the Marijuana plant and it's impossible to get high from them, nor will you fail a drug test!

more! Spirulina has 6X the protein found in eggs! It is also one of the highest forms of B-12 from a non-animal source. It cuts sugar cravings and helps a lot with weight loss. Mother's milk is the only better source of GLA and, believe it or not, Spirulina contains 25X's more carotene than carrots! No wonder it is one of God's SUPERFOODS!

Sunflower Lecithin Powder

Sunflower lecithin is very good for the heart and will help you reduce your cholesterol. It improves blood circulation and helps to prevent blood clots. It repairs, strengthens, and helps to produce brain and nerve cells, thereby improving study, focus, and memory. Sunflower lecithin also helps to reduce fat buildup in the liver, thereby reducing your chance of coming down with type 2 diabetes, cirrhosis, and even liver cancer. It contains phosphatidylcholine, a POWERFUL antioxidant, helping to prevent heart disease, cancer, and premature aging. It also helps keep blood pressure in the normal range. Healthy nerve function is another benefit of Sunflower lecithin. It also increases the speed that your wounds heal. It lubricates your joints, improves arthritis and joint pain. Sunflower lecithin is FREE FROM ESTROGEN. Soy-Free & Non-GMO.

Aquamin®

A bioavailable, multi-mineral complex from marine red algae. Aquamin® is an excellent source of calcium, a good source of magnesium, and has more than 70 additional trace minerals.

Research indicates that it may support proper bone mineralization, and may regulate key factors involved in the normal immune response to typical, everyday joint usage. In clinical studies Aquamin® is shown to help support joint comfort and mobility. A vegetarian-friendly vitamin D-2 is added to this formula to further support bone health.

Organic Spirulina

Spirulina is blue-green algae with a perfect spiral shape. This spiral shape is the reason for the name Spirulina. Spirulina is easily digestible, lowers cholesterol levels, prevents mercury poisoning, has immunomodulatory properties, increases red blood cell counts, and has anti-cancer potential. It also has anti-inflammatory properties, helps to control bronchial asthma, protects liver cells from toxin damage, and lots

Is your Colon Happy or Angry? Inulin, a fructooligosaccharide (FOS), is a soluble prebiotic fiber that is resistant to digestion and reaches the large intestine essentially intact. Intestinal probiotic bacteria consume Inulin and in turn, produce the short-chain fatty acids that nourish the cells lining the colon. Inulin thus helps to maintain intestinal health and function. Inulin has a pleasant flavor that adds a mild sweetness to foods and drinks, but has a very low glycemic index and will not negatively impact serum glucose levels.

Organic Golden Flaxseed Meal

Organic golden flaxseed meal lowers blood cholesterol levels, is gluten free, helps to lower high blood pressure, and helps to increase energy, vitality, and stamina. It also helps to give an increased sense of calmness under stress, reduces the threat of blood clots, and protects against cancers, particularly hormone sensitive cancers such as breast and prostate. Flaxseed aids in the better regulation of blood sugar levels, eases inflammatory tissue conditions, including arthritis, and helps to alleviate dry skin, eczema and psoriasis. It also enhances the immune system, increases the metabolic rate with a positive impact on weight management, helps with Attention Deficit Disorder (ADD), and works as a natural laxative.

Organic Chlorella Powder

Chiarella is a single-celled, green freshwater algae. It is 50-60% protein and a complete protein at that! It binds to heavy metals and aids in detox. It also helps in lowering cholesterol. Chiarella helps lower blood pressure, prevents arteries from hardening, and helps to lower blood sugar. The antioxidants in Chiarella help improve asthma and other respiratory diseases. Chiarella is known for promoting eye health, liver health, improving digestion, and relieving PMS.

Organic Raw Maca Root

Maca is a medicinal plant grown high in the mountains of Peru. Maca root powder is high in carbs and rich in a number of nutrients, including vitamin C, copper, and iron. It also contains many bioactive plant compounds. Maca increases libido in both men and women. Maca can increase sperm production and improve sperm quality, thereby enhancing fertility in men. And in women, Maca can improve symptoms of menopause, including hot flashes and disrupted sleep at night. It may improve your mental well-being and mood by reducing depression and anxiety, especially in menopausal women. Another thing it is known for is improving exercise performance during endurance events. Maca can also improve your learning ability and your memory.

Elderberry Extract Powder

Elderberry Extract has been found to reduce the length and severity of symptoms caused by the influenza virus. Studies in animals show that Elderberry Extract benefits the heart, reduces cholesterol, uric acid, and blood sugar levels. It also shows promise to fight cancer and bacteria, help with UV protection, and it has a natural diuretic effect. It's a very good source of vitamin C, fiber and antioxidants.

Silymarin Extract Powder

Each serving contains 300 milligrams of Silymarin (Milk Thistle) extract. Silymarin is known for improving liver function—it is the best known herbal liver rejuvenator and is helpful in all liver diseases. It also helps to decrease acne lesions, and lower blood sugar levels in people with type 2 diabetes.

Acerola Extract Powder

Acerola Extract, made from the fruit of the cherry tree, helps to boost your immune system to better fight illness and disease.

Organic Stevia Extract Powder

Stevia lowers insulin and glucose levels and has zero calories. It also lowers cholesterol and triglycerides. It is a wonderful herb that we use to sweeten our Better Than Greens!

Pure Natural Vanilla Flavor- No Alcohol

**ALL NATURAL - NO MSG
NO PRESERVATIVES - VEGAN
NO HEAT USED IN PROCESSING**

What's So Great About It?

~~~~~  
Most people don't take the time to write their testimony up, but here are a few from folks that have.

Please take the time to read all of them, as many of them could be in multiple categories, but I don't want to waste space here in the category.

If you have a testimony to share, please mail it to us and we'll put it in the next catalog!

### Allergies:

Dear Tammy, As for the **Better Than Greens**, what a great product! My whole family has been on Claritan or some other type of medication since moving to The Woodlands almost 3 years ago. It gets worse this time of year when all the cold fronts start blowing in from up North. However, approximately 6 weeks ago, we began taking your **Better Than Greens** and noticed several things happening. First, we noticed that our hunger cravings started to disappear. It really curbs appetite! You know - the invasion of the frig that happens every night around 9 pm. Usually at this time of the season, I am scratching my eyes out and sneezing my head off. I hate taking Claritan because it dries me out so bad. Then I noticed that I did not need that Claritan anymore...and my wife stated she had taken the kids off to see what would happen. They no longer needed the Claritan either. Then I noticed that the kids were not passing out around 2-3 pm after lunch but were wanting to play - they stopped complaining of being tired. I noticed my own energy level increased as well. I don't understand all the ingredients and what they are supposed to do, but I do understand the changes that have occurred and am grateful that you have developed such a product.

Thank you most sincerely,

Mark Lavespere (B.S. Kinesiology/Personal Trainer) Texas

### Anemia:

I just wanted to let you know how much I enjoy your product! I was having trouble giving blood because my iron was low. It was fine as far as iron levels go, but I couldn't get it up high enough so that I could donate blood, which I like to do. Just last week I was able to give for the 1st time in a year! I also just ran my first 1/2 marathon and have enjoyed the energy your product gives me throughout the day and for workouts. I don't get that afternoon sluggish feeling and that I love!

Thanks!

Cathy Sebastian

\*\*\*\*\*

I'm a customer of yours and one of my friends, Joan \_\_\_\_\_ is no ordering from you and I just ordered two more samples for other friends that are interested. I was quite anemic (had to have a blood test before surgery in June). I have to have another surgery this coming week, but the good news is that my lab results showed no signs of anemia and I totally credit the **Better Than Greens**. So, I just wanted to drop a note to say thank you! BTW, do you have any kind of wholesale program? I'm building a website and would love to feature your product.

Thanks!

Jennifer, Murrieta, CA

\*\*\*\*\*

Tammy, I have been using the **Better Than Greens** ever since I have received it, (two months ago). I take at least 2 Tab. per day, one in the morning and one in the afternoon. It has greatly helped my anemia. I love it! My nails used to have ridges in them and now they are smooth and look great.

Thanks!

Debra Raybern, TX.

### **Arthritis:**

I've had Arthritis for 8 years and also have had allergies for the past 5 years. After taking **Better Than Greens** since its inception (about 1 year ago), allergies are non-existent. The pain I experienced in my knees, shoulders and neck from the arthritis is nearly gone. Now I can exercise without pain. The feeling of general well-being is wonderful. **Better Than Greens** along with proper nutrition and exercise have changed my life from that of living with suffering and pain to one of motivation because of feeling well again and particularly pain free from arthritis.

Thanks, Al & Tammy, for a truly great product!

Joseph Scaglione, Girard, OH.

### **B-12 Deficiency:**

Hello Tammy, I've been taking **Better Than Greens** for a few years. Not sure how many years now. Started when you had the store in Geneva, OH. I've had to take Vitamin B-12 since I was 27 years old because I had a deficiency. Had to take 1000 mcg's or my tongue got sore on the tip. If I missed taking it 2-3 days, I'd also feel less energy, too. This last order, I decided to see if there was enough B-12 in **Better Than Greens** so I wouldn't have to take vitamin pills also. Well to my happy surprise, I haven't taken a Vitamin B-12 since! I'm almost through my second can now and am ordering 3 more. I have more energy plus I sleep better, too. I used to take it before I went to bed but now, I take it in the mornings. I only take 2 Tab. a day, seems that works for me. It's nice not to that to take the Vitamins after all these years of having to. Just wanted you to know **Better Than Greens** has helped me, too.

Ron Carrick, Colorado.

### **Cancer:**

I have seen **Better Than Greens** help many family members and friends. I would like to share one true life story. My father-in-law was given one week to live, and my children and I flew right out to California to be with him. Only four months previously, he was diagnosed with cancer of his lung and esophagus, a lifelong cigarette smoker. Within those four months, the cancer had spread so quickly to almost all his

major organs. I brought **Better Than Greens** with us. When we got there, he was being tube-fed, and was unable to eat real food. I gave him the green drink, and even in his condition, he was skeptical to take it. His girlfriend finally convinced him to put it through the tube. **Better Than Greens** extended his life two months. He was able to eat real food. That was one of his last wishes. He was actually able to get down near the beach in his wheelchair and watch many sunsets. He gained so much life force and energy. From the state he was in, to being able to get up, eat, and actually live his last days was a miracle. I try to make it part of my mission when I run into people with cancer, or any ailment, to use **Better Than Greens**. The magic lies in the healing properties within the whole organic foods and herbs. I am thankful if I can help one person live a healthier happier life.

Peace.

Dina Biscotti, Conneaut, OH.

### **Cancer-Non-Hodgkins Lymphoma:**

Hi Tammy,

My name is Garnette and I have Non-Hodgkins Lymphoma. I took 9 treatments of chemo and have my bloods counts down so low the doctor had to stop the treatments. My white blood count was 0.7 and my red blood count was 9. My mother told me about **Better Than Greens** and I started taking it. I noticed the next day that I had more energy than I have had for a long time. After about 5 months of taking **Better Than Greens** my white blood count is 3 and my red is 11. The tumors in my chest and abdomen area are gone and I'm feeling wonderful. I have also starting to take the NATURAL CALM and that helps with all the symptoms I was having. The Lord is truly wonderful and loving. I cannot thank you enough for this product and the remarkable results I am having with it. I tell everyone I know about it and even if you are not sick you should take **Better Than Greens** my family has started to take it now...even my 90-year-old grandmother who wants more energy is buying a case. God bless you and your family as you continue to spread the Good News of healing with **Better Than Greens**.

Your Sister-In-Christ,

Garnette S. Dykes, Sacramento, CA

### **Cancer-Breast:**

I wanted to thank you once again for the shipment of **Better Than Greens**. I have found tremendous help from the product. I started taking it just for the benefit of having the greens be a larger part of my diet. I have gone through treatment for breast cancer and removal of my lymph nodes under my arm. I have now found that **Better Than Greens** is something I need on a very consistent basis and only found this out as I ran out of product for a length of time. I have a condition called Lymph edema (sometimes occurs following the removal of the lymph

nodes). Through trial and error, I have found that by taking this product along with another supplement, I am able to keep it pretty much under control. I have just gone about a week or week and half and I am experiencing significant problems with the edema. Thank you for the great product and prompt delivery. I have no doubt the edema will be taken care of in no time.

Patty, (Michigan)

### **Constipation:**

**Better Than Greens** tastes good! And it keeps our bowels moving easily - less constipation. As senior citizens, we tire less and have more strength than before.

Robert & Loretta Reese, Perry, OHIO

### **Type II Diabetes:**

"My wife is a Type II Diabetic and we ordered one 20 oz. Better Than Greens with our neighbor's last order. She was so favorably impressed that we are ordering 2 more canisters for ourselves and 4 more for 3 of our neighbors. We live among a community of 50 families in this area, mostly from Amish and Mennonite backgrounds." D. Wilkinson, KY.

### **Eczema:**

Hello Roesch's,

Just wanted to let you know how pleased I am with the results so far with my purchase of **Better Than Greens**. I have been taking it now for about 3 weeks and taking 2tsp. a day and will increase it now to 3 times a day. I don't require as much sleep at night, I don't have body aches and pains when I get up. My knees no longer have pain/stiffness. My varicose veins are much lighter in color and the circulation in my legs has improved. I feel more awake during the day. I also have eczema and haven't had a breakout since taking the **Better Than Greens**. I am still in shock over the improvements. I used to take 10-15 different herbs/vitamins per day and no longer take any of them, just the **Better Than Greens**. The only side effects I had were slight cramps for 3-4 days. I can't thank you enough for this amazing product, I will be telling all my friends/family.

Thanks again,

Alvina, Manistee, MI.

### **Energy:**

I wanted to share this with you....I went to the doctor and had something called Biophotonic testing, which tells you how well your vitamins are working for you, and my results

were 44,000. The doctor had not heard of anyone with a score this high before. The chart only goes to 40,000. The only thing it could be as far as I can tell would be the **Better Than Greens**. I only take 1 T/per day and have not been taking it for very long. Just thought you might be interested in knowing this.

Merry Christmas !!!!!!!!

Teresa Steadman, IDAHO

\*\*\*\*\*

By the way, Loving the **Better Than Greens**. I have completely stopped taking naps during the day, more energy, and sleeping fantastic. How does something I drink in the morning around 8:00 am allow me to sleep soundly at 10:00 pm. Great stuff. Told a friend today about it. She's combating possible chemo and drinking BarleyLife twice a day. I told her to contact you folks for **Better Than Greens**. And it's delicious.

Thank you so much,

T. Robinson, FL.

\*\*\*\*\*

Hi all,

I have suffered with Adrenal Fatigue for over 10 years. I tried many remedies, but nothing helped until I tried **Better Than Greens**. I cannot understand how this product could do the things it has done, but now I have energy! I used to feel utterly exhausted every day, but after only a day or two on 1T of **Better Than Greens** per day I started to see a difference. Now I am alert and don't feel that intensely heavy exhaustion. I now take 3T per day and feel great!

Thanks!

K. Abbey, Waukesha WI

\*\*\*\*\*

I just wanted to let you know how much I enjoy your product! I was having trouble giving blood because my iron was low. It was fine as far as iron levels go, but I couldn't get it up high enough for blood donation which I like to do. Just last week I was able to give for the 1st time in a year. I also just ran my first 1/2 marathon and have enjoyed the energy your product gives me through- out the day and for workouts. I don't get that afternoon sluggish feeling and that I love!

Thanks!

Cathy

I'm so thankful for the **Better Than Greens**- I'm 65 years old and ever since I've been taking it, I have more energy and I feel better than I've felt in years. I've been telling everyone here in Elmira about it!

Thank you and God Bless!

Ruby Adams, Elmira, NY

\*\*\*\*\*

Hope you are doing fine with your work. Thank God that He has chosen to use you in order that those who are suffering with various disease may get cured through your **Better Than Greens**. Am having what they call neurofibromatosis, I have a very big swelling on my left hand, on the head neck and leg, since I was six. Am now 28. I was always tired and every now and then I fell sick because I use to lack so many minerals and some vitamins in ma body. I have used multivitamin tablets for many years with- out successes till when I was sent **Better Than Greens** by my Mom who is in the US. NOW WILL you please be kind enough to send me another package of your product? I am in Tanzania and my address is ...

My mom Grace Mbwambo has talked to you, I have just wrote to thank you for your good service. Blessed,

Hilda, Tanzania, East Africa

\*\*\*\*\*

Dear Al & Tammy,

During March of this year my doctor informed me I had what she believed to be Polycystic Ovary Disease (PCOD). Doctors believe that the bottom-line factor of this condition is too much insulin running around in a person's body which causes all kinds of problems. My doctor explained that I wasn't diabetic, although I have a predisposition for it. When I went into her office my main complaints were always being tired and struggling all my life with being overweight. I had other physical symptoms and blood work results that confirmed my doctor's diagnosis. My body was getting a false sense of being hungry a short while after eating because of the overabundance of insulin. This was also contributing to the loss of energy I was feeling throughout my day and the struggle to lose weight.

My Dr.'s idea was to put me on an insulin sensitizer along with a no carbohydrate diet. I would have to get my liver checked while on this medication because it was so toxic. I was very nervous about going to such drastic measures. I started doing some research. I found information on the Internet and in some nutritional healing books on PCOD, obesity and nutrition. I came into Roesch's and received some more helpful information on nutrition and the **Better Than Greens**. I put all the information together. Everything supported each other. I decided on a few things. I told my Dr. that I wasn't comfortable going on the medication. The information I read said this drug was to be used when diet alone had failed. We had yet to talk about a nutritional overhaul for me! I also decided to replace my white flour and refined sugar intake with whole grains and healthy foods. One of the best decisions I made was to start on your **Better Than Greens**!

I can't say enough about how much better I feel since I started drinking **Better Than Greens** on a regular basis. I noticed a difference within the first week. I immediately started feeling more alert and less tired. Day by day I continued feeling better. my complexion became more colorful and smoother. My husband says I look ten years younger! Is that

a compliment or what? Believe me, it curbs appetite! Great for weight loss! I have also lost forty pounds! I don't believe I could have done it without the **Better Than Greens**. I believe my body is now getting what it was so desperately lacking before. Compared to last year, I feel like a new person. In fact, I didn't realize just how bad I was really feeling until I started taking the **Better Than Greens**, and started feeling better!

I want to thank you for taking the time to talk with me when I came into your store, for having all the things I need to stay on a nutritionally sound path and for the **Better Than Greens**! I am truly grateful! May God continue to bless you!

Christine S. Koch, Geneva, OH

\*\*\*\*\*

Tammy,

I have been meaning to write you for a while to let you know what we think of the **Better Than Greens**. My mornings if started out with a **Better Than Greens** drink is always much more productive and I have the energy to fulfill the house chores and even extra. It used to be when I would get home from work at 5, it took all I had to even think of getting dinner ready, but about 3 months into taking the **Better Than Greens**, I was able to not just shut down and let the family fend for themselves. We are now back to family meals around the dinner table TOGETHER again. It has given me the youthful energy to keep up with our teenagers.

It is to the point now that if I don't take it my whole day is shot. I'm one that needs it in the morning to get me cleansed out for the day (if you know what I mean :)).

I've now been on **Better Than Greens** for 2 years and the month of January was so hectic that I didn't have time to take it. Well it wasn't but a few weeks that the pain in my legs (which is thought to be Fibromyalgia) came back with a tangent. I never thought much about the fact that the pain wasn't there when I was on it. But by going off of it for a few weeks it made itself know immediately. I made the effort to get back onto **Better Than Greens** and within one day I noticed a significant difference and 3 days later it is still improving. All I know is that it works for the leg pain and I will try not to go off it again. And on top of all this, I lost almost 50 lbs., and I owe it mostly to **Better Than Greens**!

Your happy customer, Thanks, and God bless,

Sherrie Janz, Madison, OH

\*\*\*\*\*

I have taken the **Better Than Greens** for some time now. The thing that I notice the most from it is the energy I have. Everywhere I go, people are always telling me I seem like I have so much energy. That is quite a compliment to me being that one of the biggest complaints of people today is lack of energy. In the past, I had quit taking it for a short time and noticed right away that I required more sleep.

Tammy Bowman, Conneaut, OH

I am sending this email to say thank you for so many things. First, thank you for updating your customers on your site about the things that are going on in the business and in your family life. It makes me, a customer, feel like a friend and that is very rare. Secondly, thank you for being the vessel through which God is bringing this product to our home. My husband and I run an international ministry, which is fulfilling but very demanding of our time, since we are still in the building phase and him and I are wearing many hats in the business. In addition to taking of our two girls (our 4-year-old is being homeschooled, we have an 11-month-old). **Better Than Greens** have been a wonderful addition to our diet, providing us with the extra energy we need. We had not purchased any, the last month or so because money was tight, my husband called me yesterday from the office and said honey order the **Better Than Greens**, I feel the difference it makes when I don't take it. At that point it became a priority financially because we know that we cannot do the work required from us in the ministry if we are too tired. We are not vegetarians, but we are conscious of our diet and try to stay away from unhealthy eating habits and combine exercise with our normal routine. Anyway, I didn't mean to say so much, but I just wanted to say thank you for your business and I will keep you and your family in my prayer. I would love your prayers as well. May God prosper the works of your hand as you continue to commit your ways to HIM.

Thanks, Gina, Falls Church, VA

PS: I've already spoken to many about the product, I plan to continue spreading the word.

\*\*\*\*\*

Tammy,

About 6 months ago I started taking **Better Than Greens**. I figured, "What the heck, what have I got to lose?" So I gave it a try. Well, let me tell you, it is the greatest thing I ever did! My energy level is at an all time high! A few years ago I was diagnosed with Ulcerative Colitis. I was taking 2 pills 4 times a day. Now, believe it or not, I am off all the medication and feeling better than ever! No more Ulcerative Colitis! Try it, you'll like it!

Tony Espirito, Geneva, OH.

\*\*\*\*\*

I had sometimes skipped taking **Better Than Greens** as I was almost out of it, but I found out, as I had no energy and was so tired, so I got some again & now I feel so much better again, so I do not want to be without! It makes me feel good all over & more energy, too!

Emma Byler, PA

\*\*\*\*\*

We ran out of **Better Than Greens** - It really makes a BIG difference in our energy level - all around feeling better - coping better - Send ASAP!

We are DRAGGING! Thanks! Your Amish Friends

## **Fibromyalgia:**

I had suffered from the excruciating muscle pain of Fibromyalgia for approximately ten years. I had always been a very physically active person with a high tolerance for pain. When my symptoms began, I thought, "I can handle this", but as the years passed the pain became more and more intense, spreading throughout my body. Most of the medical community didn't know what I had or were reluctant to recognize Fibromyalgia as a validated disease; therefore, they didn't know how to treat it. I went through every test known to man; finally, a well-known rheumatologist diagnosed me with Fibromyalgia. At least I had a name to call this demon that had literally taken over my body and my life. I not only suffered from the horrible pain it inflicts, but also the depression that tends to accompany it. I was truly at my wits end when I read an article in our local newspaper about a local health food store that had patented a healthy organic powder that you mix with fruit juice. Among the many claims of improving your life, they claimed it would help people that suffered from the symptoms of Fibromyalgia. At first, I was skeptical, considering all the medicines I had tried already with no results, but I decided, "what the heck, I had nothing to lose". So, I visited Roesch's Natural Foods and purchased the powder called, **Better Than Greens**. The lady told me to try it for two months and see how I made out. Prior to taking **Better Than Greens**, my pain-level was at a 9 (0 being great and 10 being the worst).

Within 2 weeks, I felt a slight amount of relief, within a month, my pain-level had dropped to a 7. I continued a second month and my pain-level dropped to a manageable 5. I am now in my third month and my pain seems to be leveling off to a 4. I am really pleased with these results; a 4-pain level is something I can live with. I have more energy, my depression is much improved and I can actually perform my household chores without feeling like I want to die. If you suffer from Fibromyalgia or other pain related diseases, try **Better Than Greens**, it's worth a shot and it's cheaper than prescriptions and shots! It gave me back some of the life Fibromyalgia had robbed me of.

D. K. Klemencic, Ashtabula, OH.

## **General:**

Thank you for your prompt service in getting your product **Better Than Greens** to us! We are thoroughly pleased with this wonderful product! The taste is wonderful, and the color of the drink is fantastic! We know that we are getting a top-quality product with great health benefits! After many years of green drinks, we have found the best one! God Bless!

Steve and Glenda House

\*\*\*\*\*

Regarding the **Better Than Greens**- I take it daily; I haven't noticed anything yet, (only been taking it a week) but I believe that it is only good for your body-it has to be. I will clearly say that the taste is 10,000 times better than that Barley green stuff. In the past I tried that for about 5 days and couldn't hack it. I look forward to the taste, I put two tablespoons in orange juice.

George Hill, GA

Al & Tammy,

**Better Than Greens** is the best thing I've put into my body. I wish I would have started years ago. Although at 53, I'm really feeling pretty good. I went on vacation to Florida last week and forgot to take my **Better Than Greens** with me. Guess what? I missed it! I couldn't wait until this week and I'm back on it and what a difference! It really gives you that kick that you need to start your day. Thanks again! I'm telling all my friends about **Better Than Greens**!

Sincerely,

Bob Goss, Meadville, PA

\*\*\*\*\*

My husband and I are so pleased with **Better Than Greens**. It is the best tasting green powder I have ever taken. I feel more energy since I started taking this. I know this is the best green food product on the market today and both of us will be taking it until we are off of this earth.

Thank you so much!

Barb Wohlbrandt

\*\*\*\*\*

Hello Tammy, Today I got the **Better Than Greens** product and I must say it is the best tasting green product I have ever tried, and I have tried a lot of them. Thank you, Tammy, for such a fine and tasty green product.

God bless you,

Jerry Lassiter, Greenville, N.C.

\*\*\*\*\*

Hello Roesch's,

Just wanted to let you know how pleased I am with the results so far with my purchase of **Better Than Greens**. I have been taking it now for about 3 weeks and taking 2 tsp. a day and will increase it now to 3 times a day. I don't require as much sleep at night, I don't have body aches and pains when I get up. My knees no longer have pain/stiffness. My varicose veins are much lighter in color and the circulation in my legs has improved. I feel more awake during the day. I also have eczema and haven't had a breakout since taking the **Better Than Greens**. I am still in shock over the improvements. I used to take 10-15 different herbs/vitamins per day and no longer take any of them, just the **Better Than Greens**. The only side effects I had were slight cramps for 3-4 days. I can't thank you enough for this amazing product, I will be telling all my friends/family.

Thanks again,

Alvina, Manistee, MI.

\*\*\*\*\*

Hi Tammy, Just wanted to drop you a quick note to let you know how fabulous **Better Than Greens** is! I have two (sometimes three) servings a day, and it is without a doubt the best tasting green drink around, bar none! My body loves

and craves it. Enclosed please find a check for \$75.00 for three more jars - Yikes, I am down to my last one!

Thanks again for such a great product! Kind Regards,

Susie, Fort Lauderdale, FL

### *Immune System:*

I so strongly believe in **Better Than Greens**, that I do not miss a day without taking it. It helps tremendously with my energy level and I also feel that it keeps me from getting colds and the flu. When I had some stomach problems before, I knew that even on the days that I was too sick to eat, I was still getting my nutrition from **Better Than Greens**, and I also feel it played a key role in my recovery.

Cheryl Hommes, Ashtabula, OH

### *Liver Disease:*

I had a stroke in '97 and after the neurosurgery, I began having seizures. I also have Hepatitis C. I found out about the **Better Than Greens** and started taking it right away. What a difference it makes! I have less seizures when I take the **Better Than Greens**...and it really makes a difference with the Hepatitis C, too. If I run out of the **Better Than Greens**, my liver count goes up to 20 million. The count comes down to 3-5 million when I am on the **Better Than Greens**. It is the only thing I take for my liver. I have much more energy when I take the **Better Than Greens**, and I actually crave it if I run out. I take 3 Tab. a day. If you have seizures or liver problems, you should give the **Better Than Greens** a try!

K. Morris, Roaming Shores, OH

\*\*\*\*\*

I tell everyone I talk to that they should use this stuff. I've been using this product since its introduction earlier this year. I learned three years ago that I have a virus in my blood called HCV. It's been there for about thirty years. This is a progressive liver disease that does not as yet have a cure. I'll be around when they find that cure and I owe it to **Better Than Greens**, I'm convinced of that. How do I know? Because of the way I feel! Several million other Vietnam-era vets have what I have; they should all be drinking this stuff! WB, OH

### *Lupus:*

After being diagnosed with systemic lupus, I faced many challenges physically, and fatigue seemed to be the biggest hurdle I needed to learn to cope with. Although I take better care of myself now more than ever before, the solution to lupus came when I began to supplement with **Better Than Greens**. My energy level is amazing as well as my overall general physical well-being. I know it gives me the stamina to continue to live an active, full life. Barbara Buckley, Geneva, OH

### **PMS:**

I'm writing to thank you for your wonderful product, **Better Than Greens**. I've been using this product for about four months now and I've noticed some really positive changes in my overall health. First and foremost, I no longer suffer from the typical pre-menstrual symptoms (PMS) such as bloating, weight gain, cramping and breast tenderness which I suffered from before. I also seem to have much more energy and just generally feel better than I ever have! Thanks for caring enough to want so share the benefits of this wonderful product with us, the consumer!

Lorrie Thompson, Ohio

### **Polycystic Ovary Disease:**

Dear Al & Tammy,

During March of this year my doctor informed me I had what she believed to be Polycystic Ovary Disease (PCOD). Doctors believe that the bottom-line factor of this condition is too much insulin running around in a person's body which causes all kinds of problems. My doctor explained that I wasn't diabetic, although I have a predisposition for it. When I went into her office my main complaints were always being tired and struggling all my life with being overweight. I had other physical symptoms and blood work results that confirmed my doctor's diagnosis. My body was getting a false sense of being hungry a short while after eating because of the overabundance of insulin. This was also contributing to the loss of energy I was feeling throughout my day and the struggle to lose weight.

My Dr.'s idea was to put me on an insulin sensitizer along with a no carbohydrate diet. I would have to get my liver checked while on this medication because it was so toxic. I was very nervous about going to such drastic measures. I started doing some research. I found information on the Internet and in some nutritional healing books on PCOD, obesity and nutrition. I came into Roesch's and received some more helpful information on nutrition and the **Better Than Greens**. I put all the information together. Everything supported each other. I decided on a few things. I told my Dr. that I wasn't comfortable going on the medication. The information I read said this drug was to be used when diet alone had failed. We had yet to talk about a nutritional overhaul for me! I also decided to replace my white flour and refined sugar intake with whole grains and healthy foods. One of the best decisions I made was to start on your **Better Than Greens**! I can't say enough about how much better I feel since I started drinking **Better Than Greens** on a regular basis. I noticed a difference within the first week. I immediately started feeling more alert and less tired. Day by day I continued feeling better. My complexion became more colorful and smoother. My husband says I look ten years younger! Is that a compliment or what? Believe me, it curbs appetite! Great for weight loss! I have also lost forty pounds! I don't believe I could have done it without the **Better**

**Than Greens**. I believe my body is now getting what it was so desperately lacking before. Compared to last year, I feel like a new person. In fact, I didn't realize just how bad I was really feeling until I started taking the **Better Than Greens**, and started feeling better!

I want to thank you for taking the time to talk with me when I came into your store, for having all the things I need to stay on a nutritionally sound path and for the **Better Than Greens**! I am truly grateful! May God continue to bless you!

Christine S. Koch Geneva, OH

### **Pregnancy:**

Tammy,

I just had to write & tell you how wonderful your **Better Than Greens** are, it has really made a difference in our lives since we've been taking it in March of 2001. Not only has it given us a boost of energy, but has also helped heal my husband's hands. He has to wear gloves all day where he works...his hands were dry, cracked and sore. Now they are much smoother.

I noticed a big change in my energy-level. I was up and ready to go at 7 am each day, getting most of my work done before my 7-year-old woke up. I was beginning to lose inches on my hips and thighs this summer then I got pregnant. We just experienced three miscarriages in less than 2 years...4 1/2 months later, (now 8 months later) the baby is growing, and we are doing fine.

I am glad we were at your store the day you were telling others about it, or we would never have tried it, and I wouldn't be expecting our 2nd child! I have been telling everyone how good it works!

Mary Herrman, Conneaut, OH

\*\*\*\*\*

Dear Tammy,

I want to share with you my recent experience with **Better Than Greens**. I started taking it daily when I learned I was expecting. I had been taking vitamin supplements and continue to do so. After a few weeks I was amazed that I wasn't so exhausted as I had always been in my previous pregnancies. I expected to be even more tired because I am 45 and everyone warns of how hard it is to be pregnant and older. Not the case for me! This has been a great pregnancy with minimal sickness. For years I have been battling mid-morning fatigue. I have found that with proper sleep and using **Better Than Greens** daily, that I just don't have that problem anymore. I take it in the morning - 1 heaping teaspoon in water and juice. Some days, I take it in the afternoon, too.

When I shared with my mid-wife about this success, she expressed some concern that one of the ingredients, spirulina, would cause hemorrhaging during labor, and she asked me to discontinue taking it. So, I stopped using it. (*We have many pregnant moms on it and never have hemorrhaging problems,*

*we think the mid-wife is misinformed on spirulina...)* Within 48 hours, I was totally wiped out! I couldn't teach the children, keep up with meals or the housework. I was so tired. It was so hard to be patient. It was very obvious to me that there was something I was missing, because I had felt so good before. I called my mid-wife and told her I was going to resume **Better Than Greens** and she consented as long as I stop 6 weeks before delivery. I knew this would be a real test for **Better Than Greens**. Within 48 hours I could function again! Once again, I have energy! I am so thrilled. I don't look forward to going off **Better Than Greens**. I am hoping she will let me continue. I'll keep you posted. It is obvious to me that there is something in **Better Than Greens** that I desperately need!

Judy, Kingsville, OH

### **Seizures:**

I had a stroke in '97 and after the neurosurgery, I began having seizures. I also have Hepatitis C. I found out about the **Better Than Greens** and started taking it right away. What a difference it makes! I have less seizures when I take the **Better Than Greens**...and it really makes a difference with the Hepatitis C, too. If I run out of the **Better Than Greens**, my liver count goes up to 20 million. The count comes down to 3-5 million when I am on the **Better Than Greens**. It is the only thing I take for my liver. I have much more energy when I take the **Better Than Greens**, and I actually crave it if I run out. I take 3 Tab. a day. If you have seizures or liver problems, you should give the **Better Than Greens** a try!

K. Morris, Roaming Shores, OH

### **Sinus Problems:**

Hello! I would like to order 1 jar of **Better Than Greens**. It has taken away my sinus problems! I could feel a difference after taking it for one day. Now, a month later I seem to have more energy and no more coughing, stuffy nose & congested feeling in my head. Praise the Lord! Thank you!

JoAnna Miller

### **Ulcerative Colitis:**

Tammy,

About 6 months ago I started taking **Better Than Greens**. I figured, "What the heck, what have I got to lose?" So I gave it a try. Well, let me tell you, it is the greatest thing I ever did! My energy level is at an all-time high! A few years ago, I was diagnosed with Ulcerative Colitis. I was taking 2 pills 4 times a day. Now, believe it or not, I am off all the medication and feeling better than ever! No more Ulcerative Colitis! Try it, you'll like it!

Tony Espirito, Geneva, OH

### **Weight Loss:**

Dear Tammy,

I just wanted to let you know that I took your advice of cutting back the dose and the rash I had on my chest went away in 2 days. I'm now up to 3 tablespoons with no problems. Thanks!! And I \*LOVE\* **Better Than Greens**. I have found that, besides having more energy, it has reduced my appetite significantly, so it is not even a challenge to eat less! So, along with the exercise program I do, I'm looking forward to a HEALTHY weight loss!

I make a "shake" for breakfast where I use low fat milk and throw in a banana with the **Better Than Greens**. It is absolutely DELICIOUS! It's LITERALLY better, sweeter and more satisfying than your typical "sweets". **Better Than Greens** is a too-good-to-be-true treat!! But, the best part is that it IS true! :) And some days, actually fairly often, I'm not even hungry until dinner time, like 4:30 or 5:00 in the afternoon. Also, I don't crave high carb/fatty foods like I used to! I used to order food out so much, but usually when it crosses my mind now, I just think, "Nah! Not in the mood for that!" And when I do, I eat \*much\* less of it.

Thanks again!

April Jacobs, Philadelphia, PA

\*\*\*\*\*

I've been taking **Better Than Greens** for 3 months, now, and have lost 10 lbs. It really helps with weight loss. I find that if I forget to take it, I get real hungry so it works to curb my appetite. I feel I have more energy during the day and sleep sound at night. It tastes great with "Sunny Delight". I feel great since I started taking it.

Thanks so much!

Julie Schwartz, Geneva, OH

\*\*\*\*\*

I can't say enough about how much better I feel since I started drinking **Better Than Greens** on a regular basis. I noticed a difference within the first week. I immediately started feeling more alert and less tired. Day by day I continued feeling better. My complexion became more colorful and smoother. My husband says I look ten years younger! Is that a compliment or what? Believe me, it curbs appetite! Great for weight loss! I have also lost forty pounds! I don't believe I could have done it without the **Better Than Greens**. I believe my body is now getting what it was so desperately lacking before. Compared to last year, I feel like a new person. In fact I didn't realize just how bad I was really feeling until I started taking the **Better Than Greens**, and started feeling better!

Christine S. Koch, Geneva, OH

## Miscellaneous

Hi Tammy!

I just got some awesome reports from friends of mine I had told about **Better Than Greens**. I had let them try some but didn't really hear much from them again about what they thought. They are both missionary wives, serving in the \_\_\_\_\_. Well, apparently, they liked them, have stuck with them, and have gotten their parents started on them as well.

One found that they helped her greatly with joint pain she used to struggle with. She is only taking 1 TBS a day, but if she quits taking them, in just a couple weeks, her pain and stiffness is back. She says she tells everyone about them. And while some people turn their nose up, she says she doesn't care. She loves them and they help her feel better.

The other started having some major allergy problems while she was overseas. She had come back to the States just to see a chiropractor who also deals a lot with herbs and supplements for all areas of wellness. Anyway, he prescribed her a set of supplements that seemed to be helping her, but when she got back to \_\_\_\_\_, she started having problems again. She started taking **Better Than Greens** and they have turned her health around! She got her mom started on them too. Her mom was at a chiropractor appointment, and he did a simple mouth

swab to test the Alkaline/Acid level of her body. He was SUPER impressed at how alkaline she was. The only thing she had changed in her daily routine was adding **Better Than Greens**. He was amazed and told her to keep it up.

Anyway, I thought you'd like to hear how your product is helping some really great people. Thanks so much for everything!

Laura Joy Stinson, VA

I had sometimes skipped taking **Better Than Greens** as I was almost out of it, but I found out, as I had no energy and was so tired, so I got some again & now I feel so much better again, so I do not want to be without! It makes me feel good all over & more energy, too!

Emma Byler, PA

# NEWSTART: A Prescription for Health

“The foundation for health is composed of 8 Building Blocks...”

**N = Nutrition**  
**E = Exercise**  
**W = Water**

**S = Sunshine**  
**T = Temperance**  
**A = Air**  
**R = Rest**  
**T = Trust in God**

*Just like with a house...if the foundation is faulty, the house is not stable...likewise if you have 5, 6, or even 7, of the 8 Health Building Blocks, but you are lacking 3, 2, or even 1 of them, your overall health will suffer. Here is a simple understanding of the 8 Laws of Health...if you change your diet/lifestyle to follow these basic, inexpensive suggestions, your health will improve.*

**Nutrition:** In a nutshell, the best nutrition is found by eating the diet God gave us when He created us. That diet consisted of FRUITS, GRAINS, & NUTS. Then God said, “I am giving you every plant on the face of the whole earth that bears its own seeds. I am giving you every tree that has fruit with seeds in it. All of them will be given to you for food.” Genesis 1:29.

After the entrance of sin into the world, God added VEGETABLES to the diet. The LORD God said to Adam, “You listened to your wife. You ate the fruit of the tree that I commanded you about. I said, ‘You must not eat its fruit.’ So I am putting a curse on the ground because of what you did. All the days of your life you will have to work hard to get food from the ground. You will eat the plants of the field, even though the ground produces thorns and thistles.” Genesis 3:17, 18. Vegetables contain many nutrients that are necessary for detoxing, rebuilding, and protecting the immune system. Before sin, none of that was necessary, but after sin entered the world, it was very necessary.

It was not until after the Flood, that God gave man permission to eat meat. Then God blessed Noah and his sons, saying to them, “Be fruitful and increase in number and fill the earth. ... Everything that lives and moves about will be food for you. Just as I gave you the green plants, I now give you everything.” Genesis 9:1-3. When God said He gave permission for man to eat “everything” that meant everything within the already specified “safe list”. Like when you send your child into the store and you tell him, “You can buy anything you want!” ~ “Anything he wants” means anything from the store that he knows you already approve of. He cannot buy cigarettes or alcohol. It is the same principle here. God gave the “rules” for what animals are considered “clean” and which ones are “unclean”. The “clean” can be eaten, provided that the blood and fat is removed. “You must never eat any fat or blood. This is a permanent law for you, and it must be observed from generation to generation, wherever you live.” Leviticus 3:17 (NLT). See Leviticus Chapter 11 for the entire breakdown of clean versus unclean meats. The “unclean” animals were put here on earth to help keep the earth clean... they are “garbage picker-upers”. When we eat them, it is like eating the vacuum cleaner bag or the filtering

# NEWSTART: A Prescription for Health

system on your water purifier. God put them here for a purpose ~ to clean the earth, not to be eaten. So if you are going to continue to eat meat, make sure you read Leviticus 11, and ONLY eat the “clean” animals.

Let me explain a little more about meat and how it reacts on the body. Before the Flood, man was living until they nearly 1000 years old! After the Flood (*remember, it was AFTER the Flood that God gave man permission to eat meat*), within just 10 generations, man was doing good to make it to 150 years old! You see, this is what meat does:

1. It causes people to come to sexual maturity sooner (*that is why girls today have their first period at 8-10 years old, in the 1800's, they didn't start until they were 18*).
2. It causes people to reproduce sooner.
3. It causes people to age faster.
4. It causes people to die sooner. It speeds the whole process of life up, and it brings TONS of health problems with it.

Two of the very best books you could read on the subject are called, “*The China Diet*” and “*Abundant Health*”, both listed here in the catalog.

Just as we all know sugar causes kids to bounce off the wall, so meat causes people to be more carnal and aggressive. It causes the arteries to become blocked, and produces heart attacks and strokes. Meat is a HUGE factor in colon cancer. I could go on and on! I'm 60, and I've never had one bite of any kind of meat in my life.

As for MILK: milk was made for baby cows, not humans. And CHEESE? Cheese is not fit for human consumption! It causes all kinds of colon problems and allergies as well as clogging the arteries. Are your children sick a lot? Do they have constant ear aches? Are they coughing all the time? Do they wet the bed? Eliminate ALL the dairy products (*milk, cheese, ice cream, yogurt, etc*) and you will most likely see a HUGE improvement! I've not used any dairy products for over 47 years. Giving up dairy and refined sugars was the most important thing I ever did. If you have not seen the DVD, “*Forks Over Knives*”, please do. It truly is a life-changing DVD!

Another very important element of nutrition is whole grains. Determine to not eat any refined grains. No more WHITE bread, pasta, rice, etc. There is an old and true saying, “The whiter the bread, the sooner you are dead.” We grind all our own grains, and make almost all our own breads. We use no refined flour whatsoever.

Sugar is another very important factor. You know back in the 1800's sugar was “by prescription only!” How much better off we would be had that never changed! Refined sugar is just as bad as meat. It destroys the immune-system, and is LITERALLY FOOD FOR CANCER. If you really want to get well, no matter what your health problem is, you MUST cut out refined sugar. Honey is healthy, especially local honey, but get rid of the sugar!

Coffee and chocolate are very unhealthy. Caffeine causes depression, stomach ulcers, prostate cancer, breast cancer, hiatal hernia, high blood pressure, etc. It is one of the worst drugs in our society, but it's so much a part of society that most people don't see it for the awful drug it is. Ask for a FREE SAMPLE of Dandy Blend and switch to something healthy! And replace Chocolate with CAROB, an excellent substitute!

For everything you take out of your diet, you should replace it with something good for you. Otherwise you will not be getting a balanced diet, you won't feel well, and you will feel very deprived and probably go back to eating the old way. We offer two really good cookbooks...one inexpensive and one expensive. If you can afford the more expensive one, buy it. It is a cheap investment in your health!

**Exercise:** One of my favorite sayings is, “I'd rather WEAR out than RUST out!” Our society is becoming lazier and lazier with each passing generation. Exercise is one of the essential building blocks to a good healthy foundation. Exercise improves the circulation, the joints work better, EVERYTHING works better with exercise!

# NEWSTART: A Prescription for Health

**Water:** At least 8 glasses of water EVERYDAY! Many people's root problem is simply that they are dehydrated, but they don't know it.

Here are some symptoms of dehydration:

- Dry, sticky mouth
- Sleepiness or tiredness
- Thirst
- Decreased urine output - no wet diapers for 3 hours for infants and 8 hours or more without urination for older children/teens
- Few or no tears when crying
- Dry skin
- Headache
- Constipation
- Dizziness or lightheadedness...and many more!

Up the water and see how much better you feel!"

**Sunshine:** Many people hardly ever get outside to see the sun during the day, let alone spend any time letting the sun shine on them. Lack of sunshine causes your bones not to be as strong and it causes depression. The best source of Vitamin D is from the sun, and we've heard a lot about how important Vitamin D is! Taking a walk every day in the sunshine can do WONDERS for depression and your overall health!

**Temperance:** *What is that?* Here is the best definition of temperance I can find: "To eat moderately of that which is good for you, and to not touch that which is unhealthy." I've heard some preachers say that it is "OK to eat everything in MODERATION." That just isn't true. There are some

things that shouldn't be eaten at all. Read Leviticus Chapter 11. Once you know that something is bad for you, you should refuse to eat it—coffee, tea, alcohol,

smoking, etc. The things that are good for you, should be eaten in moderation...don't overeat just because something is healthy....because that makes it unhealthy. Temperance applies to more than just what we eat. It applies to how we work, sleep, and the choices we make in life.

**Air:** Fresh Air! Air is to the lungs as food is to the body. Open the windows in your house and let the fresh air in! Many people are sick from living in damp, mildewy houses. Protect the air you breathe! I wouldn't live in a house if someone smoked in the house. It is slow suicide.

**Rest:** Did you know that the hours before midnight are worth literally TWICE what the hours after midnight are, as far as sleep goes? That is true! We usually hit the hay around 8:00 pm and get up between 3:30-4:30 am. Your body repairs itself while you asleep. Having trouble getting to sleep? Try taking a hot shower before you jump into bed. For me, it works every time!

**Trust in God:** Trust in God is so important! This world is a mess! Everywhere you turn, things are falling apart. Faith in God will get us through every difficulty. But before you can have faith in Him, you must know Him. You must cultivate a relationship with Him every day, not just when things are not going well. I'd like to encourage you to order two books - *The Desire of the Ages* ~ Code #DAP, \$5.00 and *Steps to Christ* ~ Code #SCP - \$.50. Both will help you have a strong relationship with God.

This is a very simplified summary of the 8 Laws of Health. The book, "Abundant Health" goes into much more detail and is written in a very simple way. If you put these principles into practice, many health problems will begin to fade into the past. You will find yourself enjoying a whole new quality of life!

# What's Good For...?

*This is my favorite part of the catalog! It's like I'm imagining you coming to my shop with all these questions and hopefully I give you good advice and in a couple of weeks or months, you come back and tell me how much better you feel! ☺ That always makes me so happy!*

*There are various reasons why we get sick. Some of us INHERIT the health problems our parents or grandparents had, and some of us have lived lifestyles that cause health problems...And sometimes, there seems to be no apparent reason why we are sick. But no matter what, there are certain things we can do that will help us maintain and/or regain our health. Following the 8 Laws of Health is CRITICAL. The more we live in harmony with the health laws, the happier and healthier we will be, and the less money you will need to spend on Doctors and supplements.*

*Supplement wise, **the FOUNDATION product we recommend for EVERYONE is Better Than Greens.** If you are in good health, BTG's will go a long way towards helping you maintain your good health. If you are in poor health, give BTG's a chance to show you how much it can help you. Diet is a HUGE factor in the poor health of many...BTG's helps to fill in a lot of the vitamins/minerals that people are missing in their diet, and the longer you are on it, the healthier you become. The only people who should not take BTG's are the very few whose Doctor tells them not to eat GREEN FOOD. As you can see from the cover of the catalog, Little Ones LOVE BTG's ☺. And if you are pregnant, it will really help you to have energy and help make a better pregnancy and a healthy Baby!*

*So, now we'll look at some of the more common health issues people suffer with, and offer you some suggestions that have helped other customers. Always keep in mind that we also recommend following the 8 Laws of Health and our Foundation product, Better Than Greens, for nearly every one of these health conditions. Please also remember for the most part it's always safer to add ONE new supplement at a time. If you add two, and one causes a problem, you won't know which is the guilty one ☺. Start out with one for a week, if all is going well, then it's safe to add a second supplement. Please know I'm not trying to sell you all these products, I'm just trying to make it easier for you to find the products that are specific to each health issue. And remember, I'm not a Doctor...just a plain old Master Herbalist giving you suggestions as to what I'd do, if I were in your shoes ☺.*

*Yours—On the path to better health,*

*Tammy Roesch*

# What's Good For...

## Acid Reflux & Hiatal Hernias

A HIATAL HERNIA happens when the upper part of the stomach and LES (*lower esophageal sphincter*) move above the diaphragm, making it easier for acid to move up into your esophagus, causing you to experience ACID REFLUX. Many women experience this during the last three months of pregnancy with the growth of the Baby pushing up on the mother's stomach. Smoking makes ACID REFLUX worse and greatly increases the risk of esophageal cancer. Foods that contribute to ACID REFLUX are: Alcohol, Carbonated Beverages, Chocolate, Citrus Fruits, Coffee/Tea (yes, even Decaf), Fatty or Fried Foods, Tomato Foods, Garlic & Onions, Mint and Spicy Foods. Being overweight is also a cause of ACID REFLUX as is eating a heavy meal and lying down afterwards or snacking close to bedtime. Aspirin and Ibuprofen are also causes of ACID REFLUX. Perhaps you have been prescribed Pepcid (famotidine) and Tagamet Prilosec, Nexium, Dexilant, or Prevacid? If so, know that these drugs are depleting your magnesium and your calcium levels, to possibly dangerously low levels. They are only treating the symptom, not curing the problem.

**Protocol:** Don't do the things that CAUSE the ACID REFLUX like eating late suppers or lying down after eating... stop eating the foods that contribute to it. If you are a coffee drinker, switch to Dandy Blend (*call for free sample*).

## ADD, Hyperactivity, Lack of Focus

After NON-CONSISTENT or even NON-EXISTENT Loving but Firm Discipline, Diet & Lifestyle are the two biggest causes of ADD, Hyperactivity & Lack of Focus. Just cutting out REFINED SUGAR alone can make a huge improvement. The more you follow the diet that God gave us when He created us, the less symptoms you will have. TV, Internet and artificial entertainment all work to increase ADD, Hyperactivity & Lack of Focus. A pilot study in India found that a flax oil supplement given to children with ADHD led to reduced hyperactive symptoms

# What's Good For...?

## Adrenal Gland Fatigue

Are your adrenal glands burned out? Some people try to “burn the candle at both ends” by staying up late and getting up early...eventually, that will lead you to Adrenal Gland Fatigue. Do these symptoms sound like you:

- fatigue, particularly upon waking, with intermittent “crashes” throughout the day
- poor stress response and mood regulation
- cognitive issues or “brain fog”
- increased energy levels in the evenings
- cravings for salty and sweet foods
- overuse of caffeine and other stimulants
- a compromised immune system

If so, it's really important to follow ALL 8 of the Laws of Health.

### Protocol:

| Code #         | Product                                 | Pg. # |

# What's Good For...?

## Alcoholism

Alcoholism is just as much a Spiritual issue as it is a Physical issue. Helping someone come to know Jesus as their Savior and Friend will do more to free them from Alcohol than anything else.

In the book we offer our customers for FREE called *The Ministry of Healing*, there is a Chapter called, "Helping the Tempted". **Be sure to ask for this FREE book on your next order.**

# What's Good For...?

## Alzheimer's & Dementia

Prevention is the KEY here. Don't wait until you come down with Alzheimer's or Dementia as once you get it, you cannot get rid of it, the best you can do then is to try to slow it down. Following the 8 Laws of Health will go a long way in preventing you from coming down with it. Physical exercise EVERYDAY is a KEY factor in prevention. There are supplements you can take to help prevent and slow down the progression of the disease if you catch it early enough. Genetics is a factor also. If you have close family members who have suffered with Alzheimer's/Dementia, all the more reason that you do everything you can to prevent yourself from getting it.

## Anemia

Anemia is the most common blood condition in the US. It affects about 3.5 million Americans. Women and people with chronic diseases are at increased risk of anemia. Certain forms of anemia are hereditary, and infants may be affected from the time of birth. Women in the childbearing years are particularly susceptible to iron-deficiency anemia because of the blood loss from menstruation and the increased blood supply demands during pregnancy. Older adults also may have a greater risk of developing anemia because of poor diet and other medical conditions.

### Protocol:

1 Tablespoon of Black Strap Molasses (**MUST BE BLACK STRAP**) taken daily will do miracles in a very short time!

# What's Good For...?

## Arthritis & Gout

Arthritis & Gout have direct connections to certain foods. Genetics plays a part, too. And so does over work and past injuries. Believe it or not, I came down with Gout this Spring, from eating too many oranges! I never knew one could get Gout from eating too many oranges! (The lesson is ~ Just because something is healthy, doesn't mean you can eat all you want of it.) Normally Gout comes from drinking alcohol and eating a diet high in meat (uric acid). We have some very good supplements for Arthritis & Gout, and the more you follow the 8 Laws of Health, the better results you will get.

### Protocol for Arthritis & Joint Pain:

### Protocol for Bed-Wetting:

Dr. Neil Nedley brings out in his book that there is a strong connection between Bed-wetting and DAIRY products. He recommends parents who have little ones wetting the bed, take them COMPLETELY off ALL DAIRY PRODUCTS (no milk, cheese, butter, yogurt, ice-cream, etc) for 30 days and see if you don't see an improvement.

# What's Good For...?

## Blood Detox

Blood is the carrier of Oxygen & Nutrients and it removes Carbon Dioxide and Waste. When your blood is DIRTY, it's just a matter of time until you come down with some dreaded disease, such as: Diabetes, High Cholesterol, Being Overweight, Rheumatism, Liver Disease, Heart Disease, etc. Following the 8 Laws of Health, and living a clean lifestyle will keep your blood clean. But, if you are one of those people who refuses to give up your favorite unhealthy foods or vices, then you will need to take some good supplements to help compensate for the bad stuff you are putting into your body.

### Protocol:

| Code #     | Product                                     | Pg. # |
|------------|---------------------------------------------|-------|
| #2620      | Frontier Bulk Red Clover                    | 75    |

| #4730      | NOW Red Clover                              | 226   |
| #49802     | Dr. Christopher's Blood Stream Glycerite    | 123   |
| #689102    | Dr. Christopher's Blood Stream              | 114   |
| #689502    | Dr. Christopher's Blood Stream Syrup        | 120   |
| #64800     | FLORA Organic Red Beet Crystals (DELICIOUS) | 140   |

## Blood Pressure

The Chart below will help you understand what is a HEALTHY blood pressure reading. Switching to a PLANT BASED diet might be all you need to do if your blood pressure is running too high. Cut out the coffee, it raises the pressure (switch to Dandy Blend) and make sure to drink enough water. If you are overweight, shedding a few pounds can make all the difference in the world.

### Blood Pressure Categories

| BLOOD PRESSURE CATEGORY                               | SYSTOLIC mm Hg (upper number) |        | DIASTOLIC mm Hg (lower number) |
|-------------------------------------------------------|-------------------------------|--------|--------------------------------|
| NORMAL                                                | LESS THAN 120                 | and    | LESS THAN 80                   |
| ELEVATED                                              | 120-129                       | and    | LESS THAN 80                   |
| HIGH BLOOD PRESSURE (HYPERTENSION) STAGE 1            | 130-139                       | or     | 80-89                          |
| HIGH BLOOD PRESSURE (HYPERTENSION) STAGE 2            | 140 OR HIGHER                 | or     | 90 OR HIGHER                   |
| HYPERTENSIVE CRISIS (consult your doctor immediately) | HIGHER THAN 180               | and/or | HIGHER THAN 120                |

## Brain Power, Memory & Cognition

Perhaps you are trying to increase your brain power so you can memorize more Bible verses? Or maybe you are getting up there in age and you just want to make sure that you don't lose what you already have? I have to remind you again the importance of DIET on the brain. Remember the Bible story of Daniel and his three friends and how they refused to eat the unhealthy foods that King Nebuchadnezzar set before them. Instead, they ate their simple, PLANT BASED DIET, and at the end of 3 years education, they were tested and found to be 10 TIMES ahead of their peers who ate the Kings unhealthy food. Diet & Lifestyle is so important, not just for your heart but also for your BRAIN.

# What's Good For...?

## Cancer

The word CANCER strikes fear into our hearts. Many consider it a DEATH SENTENCE. But there is hope, REAL HOPE, if we are willing to give up the ways of the World in eating, drinking, dressing and yes, even thinking. The thoughts you think have much to do with whether or not you win the battle with Cancer. First, I believe it's very important to stress that we must be willing to accept the outcome, even if it's death. We are ALL going to die at some point, so the most important thing is making sure that when it is time for you, that you are ready to meet Jesus. Make sure that you have accepted Him as your Savior, that you have repented of your sins and that you are living up to all the light He sheds on your pathway. If you are doing that, there is nothing to worry about. Just TRUST Him, be HAPPY and do all you can to get well.

This year, more than 1 million Americans and more than 10 million people worldwide are expected to be diagnosed with Cancer, a disease commonly believed to be preventable.

Only 5-10% of all cancer cases can be attributed to genetic defects whereas the remaining 90-95% have their roots in the environment & lifestyle. The lifestyle factors include cigarette smoking, diet (fried foods, red meat), alcohol, sun exposure, environmental pollutants, infections, stress, obesity & physical inactivity. The evidence indicates that of all cancer-related deaths, almost 25-30% are due to tobacco, as many as 30-35% are linked to diet, about 15-20% are due to infections, and the remaining percentage are due to other factors like radiation, stress, physical activity, environmental pollutants, etc. Therefore, cancer prevention requires one to stop smoking, increase the eating of fruits & vegetables...caloric restriction, exercise, avoidance of direct exposure to sunlight, minimal meat consumption,

use of whole grains...Cancer is a preventable disease that requires major lifestyle changes. <http://www.ncbi.nlm.nih.gov/pmc/articles/PMC2515569/>

The main thing that fights cancer is your own immune-system. So, to prevent or fight cancer, the best thing you can do is to boost your immune-system as FAST as you can. Changing your diet & lifestyle will help a lot...make sure to cut out all meat, dairy products, refined grains and ALL refined sugars. Here are a few supplements I would consider if I were fighting Cancer or some other serious illness:

### Protocol:

# What's Good For...?

## Candida

The 7 most common causes of Candida include a high sugar diet, antibiotics, chronic stress, the contraceptive pill, mercury in your fillings, and diabetes. Usually, two or more of these triggers are to blame. For example, a diet full of inflammatory foods and sugars is more likely to cause a Candida overgrowth when combined with a course of antibiotics. It's easy to see how following the 8 Laws of Health would make it much less likely for a person to come down with Candida or Yeast infection.

Here is a simple chart to help you know what foods to eat and what foods to avoid.

### Protocol:

| Code #         | Product                            | Pg. # |

## FOODS TO TREAT CANDIDA

### HOW TO STARVE CANDIDA

Stop eating sweet, yeasty and fermented foods. Remove these from your diet:

|                                                                                                         |                                                                                                                   |                                                                                                      |                                                                                                    |                                                                                                      |                                                                                                    |

# What's Good For...?

## Chinese Corona Virus

The best thing is PREVENTION. Stay healthy or get healthy, so you don't come down with the virus in the first place, and if you do get it, your immune-system will be strong to fight it off. Follow the 8 Laws of Health.

We put a lot of stock in Dr. Neil Nedley, MD, President of Weimar Center of Health & Education. His recommendation for prevention and if you contract CCV is:

- 50 mg of Zinc/day
- 1200 mg of NAC/day
- Elderberry Syrup (or equivalent) every day,
- Vitamin D3, 5000 IU/day
- Vitamin C – 1000 mg 2X/day
- Quercetin – 1000 mg/2Xday
- Melatonin – 3mg/day or less if sublingual.

### Protocol:

## Circulation & Blood Clots

Poor Circulation is a big problem for many. It means your blood is not traveling through your body as it should, therefore the Oxygen and Nutrients the blood was designed to carry throughout the body are not going where they need to go.

But the problem is deeper. Poor circulation is a RESULT of other conditions such as ~ Obesity, Diabetes, Heart Conditions, and Arterial Issues. THOSE are the ROOT of the poor circulation. So, treating the Poor Circulation, is really like just picking off the bad leaves off the unhealthy tree, it's not getting to the real problem.

I'll give you some suggestions of products to improve your circulation but if you get to the root of the problem as to WHY you have Poor Circulation and deal with that, that is where you will get the best results.

### Protocol for Circulation:

# What's Good For...?

## Constipation, Diarrhea & Colon Health

When your septic system gets clogged up in your house, your house is a MESS. Likewise, when your colon gets clogged up, your body is a MESS. You should be eating 2-3 meals a day (not more than 3) and NOTHING in between meals, not even an apple. Ideally, you should have a bowel movement for each time you eat...as it comes in...it must go out. Otherwise, you are reabsorbing the toxins that you should be flushing out of your system. By eating a diet high in fiber, you will encourage your body to eliminate the way God made us to. If your diet consists of fruits, grains, nuts and vegetables without the refined foods and fast foods, and you are drinking plenty of water and getting enough exercise, you shouldn't have any problem with constipation. Constipation is at the ROOT of many serious health problems. I have customers, who before changing their diet and lifestyle would only have a bowel movement every 7-10 days! I cannot imagine that! Following the 8 Laws of Health will go a long way towards fixing any colon problem you might have.

### Protocol for Children:

| Code #  | Product                         | Pg. # |
|---------|---------------------------------|-------|
| #644709 | Dr. Christopher's Kid-e-Reg Ext | 128   |

**Diarrhea?** ~ If you have been having **Diarrhea**, we offer these suggestions:

### Protocol for Diarrhea:

| Code #          | Product                      | Pg. # |
|-----------------|------------------------------|-------|
| #05.NF.399A.090 | Nutritional Frontiers SBC II | 254   |
| #2934<br>#2952  | NOW Saccharomyces Boulardii  | 217   |
|                 | Charcoal Page                | 53    |
| #4750           | NOW Slippery Elm Caps        | 226   |

Also taking a FIBER supplement (*see left*) will help to absorb some of the fluid in your colon and slow down the diarrhea.

## Diabetes

Have you ever noticed how Diabetes seems to “run in the family”? Why do you think that is? It is because most times, SON eats like FATHER who eats like GRANDFATHER who ate like GREAT GRANDFATHER. If they all eat the same foods, they will naturally have the same health conditions. Type 2 Diabetes is a health issue that can be completely overcome by diet & exercise. Follow the 8 Laws of Health and watch your numbers improve quickly! In addition to changing your diet and exercising, we offer the following supplements which have helped many diabetics reduce or eliminate their medications.

### Protocol:

# What's Good For...?

## Digestion

You can be eating the most healthy foods, but if you are not digesting them, you are not receiving their benefit. The older we get, the fewer digestive enzymes our bodies make, which causes us to have more trouble digesting our foods. Bloating, gas, belching, nausea, burning in the stomach, bad breath, heart burn, etc... are all symptoms of poor digestion. Again, not to sound like a broken record, but following the 8 Laws of Health can alleviate a lot of these problems. Here are a few very important rules to follow to improve your digestion:

1. NEVER eat in-between meals, not even a crumb. Your poor stomach is just like every other muscle in your body, it needs to rest... and when you snack all day long it NEVER gets to rest. That is why so many people by the time they are 50, their stomachs are worn out. You see, it takes about 5 hours for your meal to digest. Say you eat breakfast at 7 and two hours later you eat just one peanut. Your entire breakfast stops in its tracks and waits for that peanut to catch up, then the digestion resumes. While the breakfast is waiting there for the peanut to catch up, it starts to ferment and causes gas and indigestion, as it is in this warm, moist environment. Every time you eat something before the previous meal is fully digested, you add HOURS to the digestion process...slowly weakening your stomach.
2. Don't drink with your meals. Before your food can be digested, the liquid has to be absorbed. Drinking with your meal slows down the digestion process, causing gas and indigestion.
3. Don't eat late dinners. Your metabolism is the slowest in the evening after a long day and your stomach is tired, just like the rest of your body. Eating a heavy meal in the evening, and laying down shortly afterwards, is the cause of many heart attacks.
4. Your biggest meal should be breakfast, a

medium size lunch and little or no dinner. Al and I have eaten just 2 meals a day for 40 years. We have breakfast at 7AM and lunch at 2 PM. We love this plan! We feel very good. We have more time, lots of energy and it saves us \$\$\$.

5. Don't drink coffee. Caffeine causes lots of digestion problems. *Ask us for a sample of the Dandy Blend – our Herbal Coffee.*

As we age, our body makes less enzymes and it becomes necessary to supplement at times. We recommend enzymes that are from PLANT SOURCES and not animal enzymes, because when you take animal enzymes, your body thinks it doesn't have to make them anymore but if you take PLANT ENZYMES, your body keeps working at making enzymes on it's own.

### Protocol:

Check out our Transformation Enzymes on page 312. They are a top notch Enzyme company with specific enzymes for various health conditions.

Probiotics are also very beneficial for Digestive problems. Please check them out on page 217-218.

# What's Good For...?

## Energy!

One of my favorite topics! There are very few people in the world who would say that they don't need more energy...but honestly, I'm one of those people. I have plenty of energy, just not enough time to do all the things I want to do! If you follow the 8 Laws of Health, you shouldn't be lacking in energy. The #1 "side-effect" from our Better Than Greens product is ENERGY! So if you are low on energy, you owe it to yourself to try the BTG's!

I hope that none of you are turning to the "ENERGY DRINKS" for your energy. They are very unhealthy for you and will help you burn your adrenal glands out, to the point where they may never recover. Caffeine doesn't give you REAL ENERGY...it too, robs the adrenal glands and in the LONG RUN you are more tired than before. What you need is a good healthy diet, exercise, plenty of water and SLEEP. You cannot "burn the candle on both ends" without it finally catching up with you. Remember that the sleep you get BEFORE midnight is worth TWICE what the sleep AFTER midnight is worth. That is why I go to bed between 8 and 8:30 PM. By 3:30 or 4:00 AM, I am ready to go!

## Epstein Barr Virus

Epstein-Barr virus (EBV), also known as human herpesvirus 4, is a member of the herpes virus family. It is one of the most common human viruses. EBV is found all over the world. Most people get infected with EBV at some point in their lives. Symptoms include: fatigue, fever, inflamed throat, swollen lymph nodes in the neck, enlarged spleen, swollen liver, and a rash. Most people get over it with no issues but those who have weakened immune-systems can become very sick.

# What's Good For...?

## Eye Health

Imagine! The Bible says about Moses, “And Moses was an hundred and twenty years old when he died: his eye was not dim, nor his natural force abated.” Deuteronomy 34:7. I am 60 years old, I wish I had the same testimony as Moses had...I've worn glasses all my life. I'm on the computer with the business many hours a day, like many of you....and that is really hard on your eyes. I know how important it is to take care of your eyes...

## Fibromyalgia

Fibromyalgia is an auto-immune disorder characterized by widespread musculoskeletal pain accompanied by fatigue, sleep, memory and mood issues. Researchers believe that fibromyalgia amplifies painful sensations by affecting the way your brain and spinal cord process painful and nonpainful signals.

Symptoms often begin after an event, such as physical trauma, surgery, infection or significant psychological stress. In other cases, symptoms gradually accumulate over time with no single triggering event.

Women are more likely to develop fibromyalgia than are men. Many people who have fibromyalgia also have tension headaches, temporomandibular joint (TMJ) disorders, irritable bowel syndrome, anxiety and depression. While there is no cure for fibromyalgia, there are some natural supplements that help control the symptoms. Exercise, relaxation and stress-reduction measures also help.

<https://www.mayoclinic.org/diseases-conditions/fibromyalgia/symptoms-causes/syc-20354780>

The most effective supplements for fibromyalgia are those that support mitochondrial function, reduce pain, or which promote sleep. The first group of supplements to consider are those that improve energy production in muscle cells, helping muscles to relax and reducing the tightness and worsens pain. These include thiamin (vitamin B1), magnesium, acetyl-L-carnitine, ubiquinol coenzyme Q10 and ribose. Other supplements that help to reduce pain include cannabidiol or CBD oil, celadrin, omega-3, vitamin D3 and turmeric. Supplements that can improve sleep problems include CBD, 5-HTP, and cherry juice.

# What's Good For...?

## Gallbladder Disease

Your gallbladder releases a greenish fluid called bile every time you eat to help your body digest fats and vitamins. The bile flows down to your small intestine through tubes called ducts. When something goes wrong with your gallbladder or the bile ducts, the upper right side of your belly may hurt. Symptoms of a gallbladder in trouble are: Pain, Nausea or Vomiting, Fever or Chills, Chronic Diarrhea, Jaundice, Unusual Stools or Urine. Normally, Gallbladder issues are caused by a high fat, refined, fast-foods type of diet. Follow the 8 Laws of Health and you are not likely to have any more Gallbladder issues.

## Olive Oil and Lemon Juice Liver and Gallbladder Flush Recipe

This liver-gallbladder cleanse can be performed either over 3 days or 7 days depending on what is convenient. The 3 day method is more difficult to perform and also more inconvenient for many people who have to go to work or take care of a family, but it is possibly more effective as the bowel also gets cleansed along the way. The first part of the cleanse consists of consuming a lot of apples or apple juice, which softens up the gall stones which block the bile ducts which lead to and from the liver and gall bladder. The second parts involved drinking a cup of lemon juice and olive oil which causes the gall bladder and liver to flush bile into the bowel, which pushes out the stones and toxins.

If undertaking the 3 day liver cleanse, then the person should consume as many apples, apple juice and apple cider as they can. No other food or solids should be taken during the 3 days. Be sure that the apple juice is either freshly squeezed, or if you are buying it already made, please make sure it with no additives, such as vitamin C or ascorbic acid or anything else.

If undertaking the 7 day live cleanse, the person should drink as much freshly squeezed apple juice or apple cider vinegar as comfortable for the duration of the 7 days. Over 1 quart is recommended per day. During this week, do not eat meat, dairy or wheat products. Have no sugar and, if possible, stay away from coffee and cigarettes. You basically want to try to have only alkaline forming foods, This helps to detox the body. On the last day of the 7 days, consume a light vegetarian meal for lunch and have no dinner, except maybe an orange or grapefruit.

Now, whether you are doing the 3 day or 7 day liver cleanse, the instructions are the same. On the final day, around dinner time, drink a cup of prune juice, this will help with moving your bowels the following day, you may also take an enema now if you wish. 1 hour after the prune juice take a good herbal laxative that you know will get you moving, we recommend Dr. Christopher's Lower Bowel Formula. Start taking it a couple of days before the final day, and then whatever amount got you moving, increase it by 50%.

Some liver flushes recommend taking Epsom Salt (or magnesium sulfate) at this point, do not do this as it is dangerous and can damage the body.

Just before bed measure out 120 mL (~half a cup) of room temperature, unrefined extra-virgin olive oil (or you can use more if you want, up to 240 mL, if you want a stronger flush. But it is recommended to start with 120 mL on your first flush as you may feel sick). Mix the olive oil with the same amount of fresh organic lemon juice (120-240 mL) at room temperature. Squeeze the lemon juice and mix both in a blender. If you don't own a blender, shake the mixture well in a jar. Then drink it. Hold your nose and gulp it down fast. Or if you really like olive oil and lemon juice you can drink it slowly and savor the flavor :-).

At this point some people may feel nauseated, but don't worry and just try to hold the drink down, Now go bed and lie on your right side with your knees up to your chest for at least 30 mins, the longer the better.

The next morning, have another cup of herbal laxative and some more prune juice about 30 mins later. Some time on this day you should have a big experience on the toilet. Keep an eye out for the stones, you may not see them as they may have been liquefied by all the apples you ate.

Have a look at what comes out and look for little green balls or blobs. They are usually light green to dark green and sometimes turquoise. Black stones may appear, but that is very rare in western countries. The stones may range from a thick liquid (if you've consumed a lot of apples or juice!) to the size of your thumb. The normal size is a little larger than a watermelon seed to the size of a small coin.

Usually you can see them easily. If you found a lot of stones (approx. ½ cup or more if they were all in a blob), you should do the flush again in another two weeks.

To prevent the problem from recurring, you should remove unhealthy fatty foods & meat from your diet by adapting to a plant based diet.

If the colon is also not clean, it is recommended to perform the liver/gallbladder cleanse first, as it cleanses the colon first, then nourishes the liver/gallbladder while cleansing it with herbs. 2 weeks after this program then the olive oil/lemon flush can be performed. This is recommended because most liver problems begin in the colon, hence cleansing it first is important.

# What's Good For...?

## H. Pylori

H. pylori is a bacteria. It's the most common cause of peptic ulcer disease. H. pylori can also inflame and irritate the stomach lining (*gastritis*). Untreated, long-term H. pylori infection can lead to stomach cancer. H. pylori multiplies in the mucus layer of the stomach lining and duodenum. The bacteria secretes an enzyme called urease that converts urea to ammonia. This ammonia protects the bacteria from stomach acid. As H. pylori multiplies, it eats into stomach tissue, which leads to gastritis and/or peptic ulcer.

Symptoms and signs, if present, are those that arise from gastritis or peptic ulcer and include:

- Dull or burning pain in your stomach (*more often a few hours after eating and at night*). Pain lasts minutes to hours and may come and go over several days to weeks.
- Unplanned weight loss.
- Bloating.
- Nausea and vomiting (*bloody vomit*).
- Indigestion (*dyspepsia*).
- Burping.
- Loss of appetite.
- Dark stools (*from blood in your stool*).

## Hair, Skin & Nails

Your hair, skin & nails are sort of windows into your body, letting you know how your overall health really is. We've had many customers tell us that their hair, skin & nails improved just by using the Better Than Greens every day. I've been using the same shampoo for nearly 40 years, and I love it ~ it's the Forever Living Products Aloe Vera Shampoo.

# What's Good For...?

## Headaches & Migraines

Often times, DEHYDRATION is at the root of headaches & migraines. MSG is a big cause of migraines, too. Make sure to drink plenty of water, get enough sleep and avoid stress as much as possible. Fatty foods and sugary foods bring a fog over our minds, try 10 days without any junk food and see if you don't see an improvement. A common side-effect of cleansing or detoxing is a headache. Another common reason people get headaches is if they missed their morning coffee or "caffeine fix". Caffeine is a drug, the same as heroine and meth...and it has side-effects. Caffeine narrows the blood vessels in your brain. Without caffeine, your blood vessels widen. The resulting boost in blood flow can trigger a headache. There is nothing good about coffee except the smell. It causes, (just to name a few things) high blood pressure, ulcers, hiatal hernias, prostate cancer, depression, breast cancer and osteoporosis. When you decide to kick the caffeine habit, your headaches may last up to a week, and then you will be free from the slavery of addiction.

## Heart Health

Here comes the "broken record" again. If we would eat like God told us to eat, a PLANT based diet, the vast majority of heart problems would be eliminated. It's cholesterol that clogs up the arteries and causes heart attacks. The only place cholesterol comes from is from MEAT & DAIRY products. The Statin drugs people take to lower cholesterol cause liver, eye and muscle damage. Far better to take Red Yeast Rice, it works like the Statin drugs, without the side-effects, or Amla another herbal supplement that has a track record of boosting the good Cholesterol an average of 14% as well as lowering the bad Cholesterol. CoQ10 gets Oxygen to the heart and the brain....if you have any heart or head troubles, I highly recommend CoQ10, in Europe, everyone who has heart or head trouble, take CoQ10. Hawthorn Berry is known for strengthening the heart....it is in all good heart formulas. Lecithin works like the "roto-rooter" dissolving the bad fats in the arteries, causing the circulation to improve and is very good for the brain, it feeds your brain cells. The Lecithin Granules are 3X's as effective as the Lecithin softgels, and the granules do not taste bad at all.

## Heavy Metal Detox

Many of us have accumulated harmful lead, mercury or other heavy metals in our bodies over the years, from tooth fillings, water, food sources, industrial chemicals, medicines, paints, insecticides, etc. There are some natural ways to pull them out of your system.

### Protocol:

| Code #     | Product                                         | Pg. # |

## Hemorrhoids

Hemorrhoids are painful. Hemorrhoids usually stem from a diet deficient in fiber, causing one to strain while on the toilet. Pregnancy can bring them on, too. Normally, fixing the diet, following the 8 Laws of Health, is all it takes to get rid of them. We have been selling a product called Beyond Relief for 20 years for hemorrhoids and believe me, there is NOTHING on the market that works for hemorrhoids like this does!

A customer who used this product gave me a remarkable testimony a few years back. I have heard similar results from many people Make sure to read his testimony below.

### Protocol:

| Code # | Product              | Pg. # |
|--------|----------------------|-------|
| #62316 | Esteem Beyond Relief | 137   |

Hi Tammy and Better Than Greens,

My name is George and as embarrassing as it is to admit—I suffer from hemorrhoids, the external kind. I had this problem about 3 years ago which ultimately ended in surgery. Why? Because no doctor that I talked with gave me any real advice that worked. Fiber, witch hazel pads, sitz baths, Prep H., blah blah blah—none of it worked. In fact, it only got worse. Surgery cured me—painful, expensive surgery.

Then about 1 month ago—in a flash another external hemorrhoid came back. I was crushed. I was so upset, I was literally near tears at the thought of going back to surgery. I decided this time—I will do my own research and not rely on a doctor's bubble gum advice.

First off, I do not work for Esteem or have any affiliation with them whatsoever. I saw their advertisement on a website and decided to do research on them (along with about 6 other products). I had many doubts and reservations—I mean, how can any product fix a problem that even a doctor could not fix, right?

I ordered Esteem "Beyond Relief" vein and hemorrhoid care from Tammy, and I said to myself, "Well for 20 dollars it will be worth it, even if I only get some relief". In other words, I wasn't expecting a cure, just "relief" Well, I was SO WRONG.

Within 48 hours—it was shrinking—literally. Within a week it was 1/4 the size it was before. Finally after 3 weeks—it is completely gone. I mean gone! Nothing was there. In fact, I am "better" than before. I am still floored.

I felt obligated to write a review to tell others about what had happened to me and how this Esteem Product literally saved my ass, pardon the pun.

In closing, feel free to contact me personally and ask me about the product. I'll tell it to you straight.

Also, here's one more piece of advice I followed to aid my cure, I read Online to give up eating red meat for 30 days to help further the healing "down there". Red meat seems to be a big cause for hemorrhoids.

Like I said, I'm still a tad embarrassed even talking about this problem—but I would like to help others beat this. It is beatable! I know that now.

George - from Florida flaoock@knology.net

# What's Good For...?

## Hormone Issues

*Too much Estrogen?*

*Worried about Prostate, Breast  
or Uterine Cancer?*

### **Consider DIM-D!**

#### **What Is DIM (Dim D)?**

DIM (diindolylmethane), is a food-based compound found in cruciferous vegetables like broccoli, cabbage, cauliflower and Brussel's sprouts. Studies have shown that it has the ability to reduce the risk of certain cancers, especially those influenced by excessive estrogen levels, such as breast, uterine and prostate. DIM can also stimulate fat breakdown and encourage an increase in muscle mass.

#### **Vitamin D3 - Therapeutic Amounts**

The following excerpt comes from Dr. Scott Rollins, MD, founder and Medical Director at the Integrative Medicine Center of Western Colorado.

This is a very well-written and comprehensive account of the effects of DIM and how to best use this supplement to make the most out of its incredible benefits:

“Lower your risk of cancer, help lose weight and build muscle – all remarkable benefits of a simple food supplement called DIM. For men or women, DIM is something to consider as part of an overall supplement program.

“DIM, or diindolylmethane, is a plantbased compound found in cruciferous vegetables, such as brussel sprouts, cabbage, broccoli and cauliflower. DIM has been shown in studies to reduce the risk of certain cancers, especially those driven by abnormally high estrogen levels, such as breast, uterus and prostate cancer. DIM can also stimulate the breakdown of fat while encouraging muscle development.”

#### **Effects of DIM**

Both men and women can suffer from estrogen dominance – women due to their changing menstrual cycle and the onset of the menopause and men who develop increased estrogen levels as they age or if they become overweight.

When men suffer from excess estrogen, their testosterone levels are lowered. In both men and women, DIM works to increase active testosterone levels and helps to build muscle and burn fat.

#### **Why Should I Use DIM?**

Although DIM is not suitable for everyone, it has a lot going for it as a health supplement. Older men approaching their 60s and 70s may find that their estrogen levels are increasing while their testosterone levels are falling. This leads to weight gain which causes other health problems. Thus, taking a DIM supplement would be wise to lessen this risk.

#### **Protocol:**

| Code #    | Product            | Pg. # |
|-----------|--------------------|-------|
| #PE-26111 | Pure Essence DIM-D | 293   |

# What's Good For...?

## Immune System

In today's world, with all the many diseases out there, there has never been a more important time to take care of the immune system God gave you. It doesn't matter what church you attend, there are many people who are very sick, and who are requesting the prayers of others for healing. Yet, how many Pastors are teaching their church about health? Very few. Sadly, it really seems that many Christians believe that you can eat anything you want, as long as you pray over it, and somehow that prayer turns unhealthy food into healthy food. What a deception! For the most part, the people in the Church are just as sick as the people in the World because they eat the same thing as those in the World.

It's like this...if a person smokes and then comes down with lung cancer, do you really think God is going to heal him so he can continue to smoke and destroy the temple God gave him if he refuses to give up his cigarettes? Absolutely not! God will hear and answer our prayers if we are willing to turn from our sins. It is PRESUMPTION, not FAITH, to ask God to heal us when we refuse to walk in the light He has shed on our pathway. Junk foods & sugar shouldn't be a part of the Christians diet. "Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God." 1 Corinthians 10:31.

Don't be discouraged by this! Take heart! Thank God that you are still alive and have time to reform your life. As our world is getting worse by the day and as we near the return of Jesus, perilous times are going to come our way. NOW is the time to do all within your power to get healthy, get off drugs and learn how to take care of health problems naturally.

Recommended on this page are some products to help you boost your immune system.

# What's Good For...?

## Inflammation

Inflammation is a BIG topic. It is a natural reaction to injury or infection. The affected tissues swell, redden, become warm and tender, and may be painful. Proteins called cytokines attack the threatening germ and repair damaged tissues. Too much inflammation can do the body harm, however, leading to immobility, weight loss, and a weakening of muscle tissue and the power to fight disease. Disorders that involve specific types and/or locations of inflammation include bursitis, carpal tunnel syndrome fibromyalgia, osteoarthritis, and tendinitis, just to name a few. Cardiovascular disease also may be at least partially a result of inflammation in the linings of the arteries. Things that can trigger inflammation include drug overuse, exposure to environmental toxins, free radical damage, infections, injury trauma, and bacterial, fungal, or viral infection.

Any organ or tissue of the body, internal or external, can become inflamed. Internal inflammation is often caused by bacterial infection, but can also be caused by disorders such as allergies, anemia, arthritis, asthma, autoimmune diseases, Crohn's disease, osteoarthritis, peptic ulcer disease, or ulcerative colitis. External inflammation is most often the result of injury, but can also result from (or be aggravated by) allergies, infection, and other factors. Unfortunately, it is often difficult to identify the source or sources of inflammation. *Prescription for Nutritional Healing*, pgs. 517, 518.

## Kidney Health

One of our customers was having a lot of trouble with his kidneys so they put a port in him as they figured it wouldn't be long and he would be on the dialysis machine. He was in his 80's. I told his wife that they should try the Dr. Christopher Kidney Formula and they did. After a month he went back to the Doctor and the Doctor said, "For some reason, your kidneys are working better, come back in 3 months." 3 months later, he went back and this time the Doctor said, "Well, you don't need to come back for 6 months, whatever you are doing is working, keep it up!"

# What's Good For...?

## Liver & Hepatitis

The liver is one of the most important organs in your body. More than 500 vital functions have been identified with the liver. It is the ONLY organ in your body that can regenerate itself. What a blessing that is! Even if you have abused your liver by drinking alcohol, smoking cigarettes and/or taking drugs, (yes, all Prescription drugs harm the liver, too), when you “turn over a new leaf”, God has made your liver to be able to RENEW itself. What a God we serve! When you wreck your car or burn down your house, you are just out of luck, but when you wake up to the fact that you are destroying your liver, God gives you a second lease on life, and your liver will regenerate and continue to clean your blood and process all the nutrients and work to make you healthy. I have had customers who never drank a drop of alcohol in their life, but because of PRESCRIPTION MEDICATION (especially arthritis meds and cholesterol meds) their liver is in horrible shape, as bad as that of an alcoholic. And still, if they make the necessary changes, their liver will bounce back! Silymarin (*Milk Thistle Herb*) is the most powerful product to clean and rebuild the liver.

## Lung Issues Sinusitis, Bronchitis, Pneumonia, COPD & Asthma

I can relate to those who have lung issues. I inherited bad lungs and if I get sick, that is ALWAYS where it settles. Thankfully, we have some excellent products to help with breathing issues.

# What's Good For...?

## Lyme's Disease

Lyme's Disease comes from being bitten by the Deer Ticks (*and now they are saying even other bugs carry Lyme's Disease*). Early signs and symptoms include fever, chills, headache, fatigue, muscle and joint pain, and swollen lymph nodes — all common in the flu. In up to 80% of Lyme infections, a rash is one of the first symptoms. Without treatment, symptoms can progress. They might include:

- Severe headache or neck stiffness
- Rashes on other areas of the body
- Arthritis with severe joint pain and swelling, particularly in the knees
- Loss of muscle tone or “drooping” on one or both sides of the face.
- Heart palpitation or an irregular heartbeat
- Inflammation of the brain and spinal cord
- Shooting pains, numbness, or tingling in the hands or feet

Antibiotics is the route most take. But if you want to go the natural route, this is what we recommend:

### Protocol:

## Steven Buhner's Core Protocol for Lyme's Disease

Here is Stephen Buhners (the famous Master Herbalist who has had a lot of success with LD) CORE Protocol for Lyme's Disease. There is MUCH more info at his website:

<http://buhnerhealinglyme.com>

### 1. Japanese knotweed root (*Polygonum cuspidatum*)

- Powder: 1 tsp — 1 TBS of the root powder 3x daily. Start at the lower dose and work up, OR . . (#Y15045C.org Japanese Bushy Knotweed Rhizome (Hu Zhang) Powder 1 lb. — )
- Tincture: ¼ — 1 tsp 3-6x daily, OR . . . (make your own tincture #25779 Japanese Bushy Knotweed Root Hu Zhang, C/S Root, 1 lb)
- Tablets/Capsules (NOW & GAIA HERB): These are normally labeled as *resveratrol* on the bottle. They are in fact knotweed root standardized for resveratrol content. (*Note: Don't use grape resveratrol it won't work very well.*)(#3386 NOW Resveratrol & #90E01050 GAIA Resveratrol, pg.)

### 2. Cat's claw bark (*Uncaria tomentosa*)

- Powder: 1 tsp 3x daily, OR . . . (#201208-51Starwest Cat's Claw Wild Crafted Powder 1 lb.)
- Tincture: ¼ — ½ tsp 3x daily, OR . . .(#2528 Frontier Cat's Claw C/S, 1 lb)
- Tablets/capsules (NOW #4618 or #4621): 1—4 500 mg tablets/capsules 3x day.

### 3. Andrographis (*Andrographis paniculata*)

- Capsules: Begin with a small dose and work up. I would recommend 600 mg (1 capsule) 3x daily to begin with, for one week. Then, if there are no side effects, increase the dose to 2 capsules 3x daily. Please check the side effects on this herb: Unpleasant allergic reactions can occur. (#E89466 Andrographis EP80 Ex Strength 60 caps, )

### 4. If you have neuroborreliosis, add:

#### Gou-Teng (*Uncaria rhynchophylla*)

- Tincture: ½ — 1 tsp 3—6x daily, depending on severity of brain infection.

5. Collagen support protocols (*see book*) are often essential, as well.

# What's Good For...?

## Men

Men sometimes don't like to admit it, but they sometimes need some help, too. 1 out of every 4 men over 50 and 1 out of every 3 men over 60 suffer from ED (*Erectile Dysfunction*). ED is a symptom of a much bigger problem ~ Poor Circulation. If you get to the root of why you have poor circulation, and fix that, EVERYTHING else works better. Smoking, drinking and drugs (*many prescription drugs*) cause ED as does being overweight, diabetes & high blood pressure. The same foods that clog your heart and cause a heart attack, cause ED. I know, I sound like a broken record but if we follow the diet God gave us in the beginning, almost all the health problems would vanish.

### Protocol in General:

| Code #                       | Product                                | Pg. # |

| #0035          | NOW L-Arginine Double Strength, 1000 mg. 120 Tabs | 312   |

As men age, the Prostate gland often enlarges, causes men to have to urinate more often. If you are finding yourself getting up often in the night to go to the bathroom, there is a good chance your prostate gland is enlarged. An enlarged prostate can also lead to urinary tract and kidney problems, so it's important for men 50 years and older, to take a good supplement that will help to shrink the prostate gland and alleviate the bathroom trips as well as prevent urinary tract and kidney issues.

Because of diet, lifestyle and medications, more and more men are having issues with ED. Going to a plant based diet, exercising and improving the circulation throughout your body and doing what you can to get off prescribed drugs that have terrible side will go a long way towards improving ED. We have also had quite a number of customers get very good results with ED using Yohimbe and L-Arginine, 1 tab. twice a day of each of them. Nothing works for everyone but it would be worth a try if you have ED.

### Protocol for High PSA:

# What's Good For...?

## Mental Issues Depression & Anxiety

Depression and Anxiety are rampant, especially since the Chinese Corona Virus lockdown. Depression affects approximately 57.7 million American adults or about 26.2% of the US population over 18 years old, every year. There are no supplements that will fix a bad marriage or remedy your financial woes, but we do have some good supplements that encourage you to think positive and rationally, that will help you focus on the good and look on the bright side of life. If you or a loved one are struggling with depression or anxiety, my first recommendation is that you purchase the hardback book called, “*Depression ~ The Way Out*” by Dr. Neil Nedley. It is EXCELLENT. It's PRACTICAL, it tells you what to do and what not to do and if you put it into practice, you will find peace and happiness sooner than you think possible.

### Protocol:

## Nerves, Stress & Anxiety

Do you feel like you are on “pins and needles”? Does it not take much to make you cry? Stress is a factor in the lives of everyone, the difference is, how we handle it. I honestly do not know how people who do not have a relationship with Jesus, make it through life. When I am worried and stressed out, being able to pray and ask God for help, and knowing He is listening and will do all He can to help me...gives me peace of mind and calms my nerves. There are some very good supplements for nerves & stress, too.

**Protocol:** Check out the B Vitamins on page 234. B Vitamins are very necessary!

# What's Good For...?

## Neuropathy

Peripheral neuropathy is a form of nerve damage. This causes the nerve signals that are transmitted from the brain and spinal cord, as well as to other parts of the body, to become distorted. People with peripheral neuropathy often feel numbness or burning or a tingling sensation in the hands and feet. This can lead to weakness and paralysis, along with anywhere from dull to excruciating pain in the extremities. It's very painful and often hard to find something that helps with the pain. We have a few products that have helped others suffering with Neuropathy. B-Vitamins are known to be very important.

## Osteoporosis

Bone is living tissue that is constantly being broken down and replaced. Osteoporosis occurs when the creation of new bone doesn't keep up with the loss of old bone. The older we get, the more likely we are to have osteoporosis, especially if we are women. Caffeine leaches calcium out of the bones and causes osteoporosis ~ quit coffee and join the Dandy Blend club! (*ask for a free sample*). Also, believe it or not, DAIRY PRODUCTS cause you to lose bone. It's so high in protein, that the protein pulls the calcium out of the bones. 80% of Black people are allergic to dairy products, and because they don't use dairy products, they have STRONGER BONES and BETTER TEETH than white people. Remember, the COW doesn't drink milk to make big strong bones....she eats GREEN GRASS & GRAINS. The best Osteo and Bone Formulas come from PLANT FOODS.

# What's Good For...?

## Pain Relief

There are different products for different kinds of pain. For toothaches, rub some Clove Oil on the tooth/gum. For something you would use Aspirin for, try White Willow bark, it's actually what Aspirin is made from, without the side effects. Check out the CBD Oils on page 104. Many people find wonderful relief using CBD Oil. If you have fallen or pulled a muscle, our Forever Living Products Aloe Vera Heat Lotion (pg. 127) is HARD to beat. For stomach pain, try the FLP Aloe Gel. If you are treating a burn or open wound, use the B&W Ointment, pg . 54.

## Parasite Removal

Eating meat, especially meat that hasn't been cooked well, increases your likelihood of contracting Parasites. Pork carries the most parasites of all the meats. Remember, God put the PIG here to clean up the earth. He is like the vacuum cleaner or garbage disposal, that is why he is in the UNCLEAN LIST of meats to eat. (Leviticus 11). Fish also contain a lot of Parasites. Allowing the dog to kiss the Baby is a good way to pick up Parasites, too. Parasites can do a lot of damage, as they rob you of your nutrition. Thankfully, we have some good Parasite cleanses.

# What's Good For...?

## Shingles

Shingles is known as a disease that mainly strikes older adults, because the varicella zoster virus that causes it often emerges from its slumber late in life. Varicella is the same virus responsible for chickenpox. After you recover from chickenpox in childhood, the virus lies dormant in your nerve cells. It can reawaken as the painful, blistering shingles rash when your immune system naturally weakens with age.

Over the last 6 decades, there has been a steady uptick in the number of shingles cases in the United States -- even among younger adults. A 2016 study found that rates of shingles have been climbing since the mid-1940s in all age groups. <https://www.webmd.com/skin-problems-and-treatments/shingles/news/20180904/shingles-on-the-rise-among-younger-people> Shingles is a painful rash that develops on one side of the face or body. The rash consists of blisters that typically scab over in 7-10 days and fully clears up within 2-4 weeks. My father came down with shingles nearly 40 years ago, and it was one of the rare times he didn't go to work that I can ever remember in the 60+ years he worked (he's 82 and still working, running a crane, taking down trees!) The Medical World will tell you, "There's no cure for shingles, but prompt treatment with prescription antiviral drugs can speed healing and reduce your risk of complications."

We called a MD friend of ours who was also very natural minded and he told us that if Dad would put the Forever Living Aloe Gelly on the shingles, drink the Forever Living Aloe Juice and take extra Vitamin C, he would be better in no time. We did that and he was right! It started getting better RIGHT AWAY and in a few days he was back to normal and in 40 years, there has never been any nerve pain come back from it. Praise God for all the Natural Remedies He has given us!

## Sleep

Sleep is one of the 8 Laws of Health and super important... it's impossible to get well or stay well if you are not getting enough good quality sleep. And it really is true that the hours BEFORE midnight are worth TWICE what the hours AFTER midnight are worth. And make sure to not go to bed after having just had a big meal. That's a very unhealthy thing to do. Sometimes, falling asleep when there is a lot on your mind, isn't easy. Personally, I don't like drinking teas for help with sleeping because it isn't long and you have to get up to go to the bathroom....and your mind starts thinking all over again...I find that taking a really hot shower right before I go to bed relaxes me and helps me go to sleep faster, as does reading spiritual things...that is almost like a sleeping pill for me! It brings peace and calmness to my mind. I always recommend to people that they find two or three supplements that help them sleep and then rotate them, so that their body doesn't get used to them...otherwise sometimes your body builds up a resistance to them and they just don't work.

## Skin Issues

### Acne, Psoriasis, Eczema & Rosacea

Our skin is often a WINDOW into our body, and if we pay attention, it can be the heads up to possibly prevent a more serious health problem down the road. God has made our skin in an amazing way. Everyday we are exposed to viruses, bacteria, and diseases of all kinds. Thankfully, God has made our skin to be wonderful barrier that is able to keep out the vast majority of the bad things that would like to make us sick. But anytime we have skin problems, especially if there are open sores, we open ourselves up to attack. A healthy diet will go a long way towards making healthy skin. Your skin is your biggest ELIMINATORY organ. It's very important to take showers every day and keep those little skin pores clean so that they can throw off the toxins in your body, otherwise you will reabsorb them, thereby increasing your chances of getting sick (and you might get smelling bad, too. ). We have a wonderful skin supplement for Acne, Psoriasis, Eczema, Rosacea, etc ~ called Herpanacine. It's the BEST. We recently learned that Caprylic Acid is extremely beneficial in getting rid of Acne.

## Spasms, Tense Muscles & Muscle Fatigue

Otherwise known as muscle cramps, spasms occur when your muscle involuntary and forcibly contracts uncontrollably and can't relax. These are very common and can affect any of your muscles. They can involve part or all of a muscle, or several muscles in a group. The most common sites for muscle spasms are the thighs, calves, feet, hands, arms and abdomen. When occurring in the calves, especially, such cramps are known as "charley horses." A leg cramp that happens at night when you're at rest or asleep is called a "nocturnal leg cramp."

## Strep Throat

There is a strong connection between Strep Throat and Dairy products. If you are continually coming down with Strep Throat, do an experiment and completely eliminate all dairy products and see if you don't see a drastic improvement. Most people end up on Antibiotics to get rid of the Strep Throat. If you do, be sure to take Probiotics and put the good bacteria back into your system that the Antibiotics destroys along with the Strep Throat. Manuka Honey is known to kill the Strep Throat Virus ~ check the Honey out on page 193.

## Thyroid Issues

**Hypothyroidism (under-active thyroid)** signs and symptoms may include: Fatigue, increased sensitivity to cold, constipation, dry skin, weight gain, puffy face, hoarseness, muscle weakness, elevated blood cholesterol level, muscle aches, tenderness, stiffness. pain, stiffness or swelling in your joints, heavier than normal or irregular menstrual periods, thinning hair, slowed heart rate, depression, impaired memory, and enlarged thyroid gland (goiter). Stay away from all fluorine (it has been shown to decrease thyroid activity). This would include fluorine-based drugs, supplements and fluoridated water & toothpaste.

**Hyperthyroidism (over-active thyroid)** can mimic other health problems, which can make it difficult for your doctor to diagnose. It can also cause a wide variety of signs and symptoms, including: Unintentional weight loss, even when your appetite and food intake stay the same or increase, rapid heartbeat (tachycardia) — commonly more than 100 beats a minute, irregular heartbeat (arrhythmia), pounding of your heart (palpitations), increased appetite, nervousness, anxiety and irritability, tremor — usually a fine trembling in your hands and fingers, sweating, changes in menstrual patterns, increased sensitivity to heat, changes in bowel patterns, especially more frequent bowel movements, an enlarged thyroid gland (goiter), which may appear as a swelling at the base of your neck, fatigue, muscle weakness, difficulty sleeping, skin thinning, fine, brittle hair.

Diagnosing thyroid issues can be complicated and expensive. The first thing to do is to make sure you are following the 8 Laws of Health as best as you can. You might be amazed at how much things improve. If you are still having symptoms, we recommend that you choose from the products listed here and try them for 6 weeks and see if there is not an improvement.

### Notes on Protocol:

Ashwagandha ~ Recently, a case study was conducted over a period of 8-weeks. **The case study followed 50 adults with hypothyroidism and found that by taking 600 mg of ashwagandha daily, their thyroid levels significantly improved.** Ashwagandha benefits include lowering cholesterol levels and reducing adrenal fatigue. This herb also boosts cognition and enhances thyroid function. Ashwagandha is adaptogenic. It resolves hormonal imbalances while fighting the adverse effects of high-stress levels. Ashwagandha helps normalize TSH levels while increasing T4 levels. As one of the best thyroid support supplements, it also has antioxidant properties. This herb helps fight free radicals while reducing oxidative stress. Oxidative stress is the result of excess T4 production, which damages cells. Ashwagandha allows the thyroid gland to produce more T4 without the undesirable downsides.

**Bladderwrack's** concentration of iodine is high in comparison to other seaweed species. Bladderwrack provides the thyroid gland with the iodine needed to produce T3 and T4. It also supports TSH release from the pituitary gland. TSH release stimulates underactive thyroid glands while boosting your metabolism.

**Cayenne:** Capsaicin is the substance that makes chili peppers "hot." It plays an essential role in treating hypothyroidism as well. Capsaicin also restores the regular production of thyroid hormones. It also alleviates the significant symptoms caused by hypothyroidism. For this reason, cayenne is an effective natural underactive thyroid treatment.

Researchers have discovered that **kelp** is one of the best remedies for hypothyroidism. Just like bladderwrack, kelp has high concentrations of iodine. Although, it also contains many other beneficial vitamins, amino acids, and minerals.

Early studies are also starting to show that kelp may assist with weight loss. Gaining unwanted weight is one of the most common symptoms of hypothyroidism. This fact is what makes kelp as a natural remedy for thyroid issues particularly useful. Thus, kelp is arguably the best thyroid supplement for weight loss.

## Varicose Veins

Varicose veins hurt, they ache, throb, burn, itch and make your legs feel heavy. The cause is often weak or damaged heart valves that lead to varicose veins. "Muscle contractions in your lower legs act as pumps, and elastic vein walls help blood return to your heart. Tiny valves in your veins open as blood flows toward your heart then close to stop blood from flowing backward. If these valves are weak or damaged, blood can flow backward and pool in the vein, causing the veins to stretch or twist."

<https://www.mayoclinic.org/diseases-conditions/varicose-veins/symptoms-causes/syc-20350643>

Hawthorn berry strengthens the heart.

## Weight Loss

There are always exceptions to every rule, but for the most part, if you are trying to lose weight, the two biggest factors are #1 Eating less calories and #2 Getting more exercise. Yes, I have to say it again: Following the 8 Laws of Health will make it highly unlikely that you will have a weight problem, as you will learn to make healthy food choices and eat temperately, and exercise regularly. That is the answer to "How can I lose weight?". The biggest hurdle you must get over is in the mind ~ you must retrain your thinking, so that you learn to love healthy food and learn self-control. That is why EDUCATION is so important and why it's so important to start with your children when they are little, to teach them to love healthy foods and to not overeat. Going to 2 meals a day instead of 3 and having no late suppers is very important. We have some very good tasting PROTEIN SHAKES that can be used as meal replacers and some helpful supplements, but NOTHING takes the place of eating a healthy diet and exercise.

# What's Good For...?

## Women Menopause

Some women breeze through menopause easily, and for others, it's very difficult. Some are plagued with hot flashes, night sweats, mood swings, weight gain, thinning hair and vaginal dryness. As our bodies age and we pass the child bearing years, our hormones change. It usually begins to happen when you are around 45-50 years old. It can last anywhere from a few months up to 10 years. If you are one of those women who are struggling through menopause, there are some good supplements you can take that will help you. \*Dietary wise, cut out meat & dairy products...the animals are given so many hormones and when you eat those products, you get the hormones they were given 2<sup>nd</sup> hand, that it really messes up your own hormones.

# Activated Charcoal

## What is ACTIVATED CHARCOAL?

**Activated Charcoal** is a UNIVERSAL FIRST-AID antidote for parents, doctors, homes, hospitals, pets, livestock, gardeners, and farms. Activated Charcoal is used around the world as a universal antidote for hundreds of poisons (*including arsenic, mercury, pesticides, strychnine, warfarin, hemlock and...*) and as a detox for drug overdose, (*including aspirin, barbiturates, Prozac, paracetamol, phenobarbital, amphetamine, cocaine, THC, morphine, opium and...*), and it is recommended by the Poison Control Centers of America, including the Animal Poison Control Center. Our activated charcoal is made from hardwood and from coconut shells, which produces an even higher charcoal than the hardwood. It is available in VCaps and Powder.

"One of the most beneficial remedies is pulverized charcoal in a bag and used in fomentations. This is a most successful remedy. If wet in smartweed, boiled, it is still better. I have ordered this in cases where the sick were suffering great pain, and when it has been confided to me by the physician that he thought it was the last before the close of life. Then I suggested the charcoal, and the patient has slept, the turning point came, and recovery was the result. To students, when injured with bruised hands, and suffering with inflammation, I have prescribed this simple remedy with perfect success. The poison of inflammation is overcome, the pain removed, and healing goes on rapidly. The more severe inflammation of the eyes will

be relieved by a poultice of charcoal, put in a bag and dipped in hot or cold water as will best suit the case. This works, like a charm." PH144 24.1

"I expect you will laugh at this; but if I could give this remedy some outlandish name, that no one knew but myself, it would have greater influence."

—Letter 82, 1897. PH144 24.2

"I will tell you a little about my experience with charcoal as a remedy. For some forms of indigestion, it is more efficacious than drugs. A little olive oil into which some of this powder has been stirred, tends to cleanse and heal. I find it is excellent..." PH144 24.3

| #B&W1                                                                                                          |  <p>This is one of the best remedies for Burns and Wounds on the market. The Amish have had tremendous success with this formula. John Keim is the Herbalist who came up with the formula.</p> <p>Many types and degrees of burns and wounds have been successfully treated, using this ointment and following the directions in the booklet - BURN AID. In many cases, it prevents skin grafting!</p> <p>And is so much less painful than the way that burns are treated in the burn units in the hospitals across the Country. Add \$6 shipping for the 64 oz.</p> | 1 oz.                | \$4.50   | Honey, Lanolin, Olive Oil, Wheat Germ Oil, Marshmallow Root, Aloe Vera Gel, Wormwood, Comfrey Root, White Oak Bark, Lobelia, Vegetable Glycerin, Bees Wax, Myrrh. |

# Bairn Biologics, Candisol

**CANDISOL®**

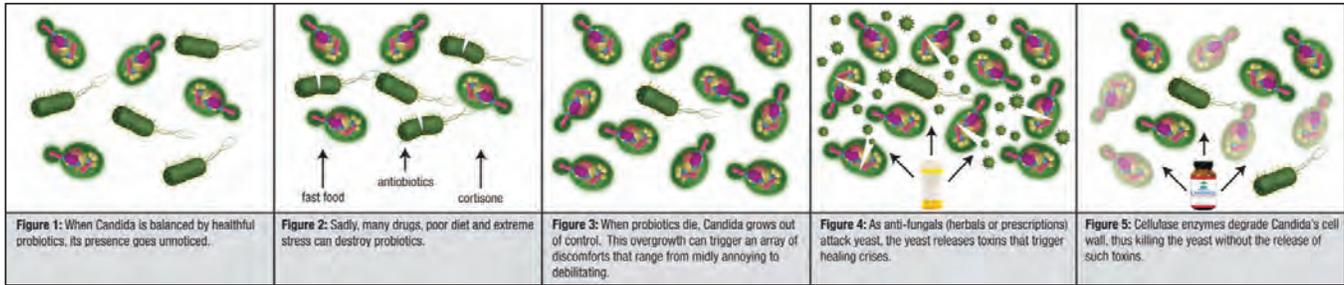

PROOF APPROVED 8.17.22

*The Best, Most Powerful Yeast/Candida Formula Available!*

*Vegetarian Enzymes to Support a Healthy Gastrointestinal Tract\**

## *Candisol®: Enzymes to Digest Yeast Overgrowth\**

### What Is Candida?

Candida albicans is a single celled yeast organism that is impossible to keep out of the body. Normally, it does no harm, because it is kept in check by beneficial bacteria (probiotics) like acidophilus (see Figure 1). These bacteria, however, can be destroyed by birth control pills, antibiotics, steroids, cortisone drugs, chlorinated water, poor diet and extreme stress (see Figure 2). When this occurs, Candida can grow out of control (see Figure 3).

Candida causes problems by releasing toxins into the bloodstream. These toxins trigger many discomforts, including localized (primarily vaginal or rectal) itching, depression, irritability, dizziness, unclear thinking, difficulty focusing, extreme fatigue, loss of memory, gas, bloating, diarrhea, constipation, extreme weight gain or loss, etc. More than 100 million Americans are thought to suffer from Candida overgrowth.

### Can I Control It?

For many years, the mainstays in Candida management have been anti-fungal drugs and herbs (see Figure 4). However, these agents have limitations. First, anti-fungal drugs may cause liver damage. Second, anti-fungal drugs and herbs cause yeast to release even more toxins, which cause "die off reactions" (intensifications of symptoms) that many people cannot tolerate. Third, yeast can become resistant to drugs, so that the drugs lose their effectiveness.

### Enzymes to the Rescue!

Since Candida's cell wall is made mostly of fiber (see Figure 6), fiber digesting enzymes can break it down. When this occurs, the yeast dies.

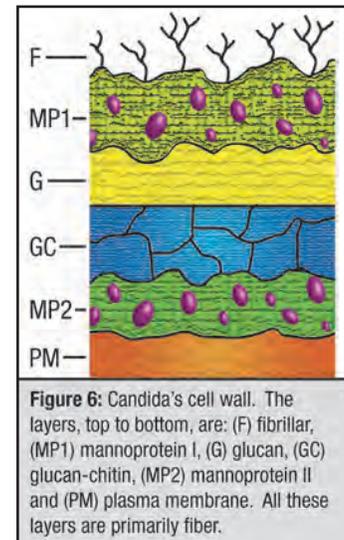

The enzymes that best digest the cell wall of Candida are cellulase, hemicellulase, xylanase, and beta-glucanase.

While digestive aids may contain these enzymes, they do not provide enough of them to combat Candida. For this, a specialty formulation is needed.

Such formulations must be taken on an empty stomach.\*

Because Candida cannot change the structure of its cell wall, it cannot become resistant to these enzymes.

Because the enzymes do not stimulate the yeast to release toxins, they do not trigger a die-off reaction (see Figure 5). In short, you won't have to feel worse before you feel better. Best of all, fiber digesting enzymes are completely safe.\*

**Figure 6:** Candida's cell wall. The layers, top to bottom, are: (F) fibrillar, (MP1) mannoprotein I, (G) glucan, (GC) glucan-chitin, (MP2) mannoprotein II and (PM) plasma membrane. All these layers are primarily fiber.

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

# Bairn Biologics, Candisol

## How Much Enzyme Activity Do I Need?

For the past several years we have used fiber digesting enzymes against Candida. We have found about 200,000 daily units of cellulase and hemicellulase to be ideal.

Candisol® provides 210,000 total units of daily cellulase and hemicellulase activity.\*

## When Will I Start Feeling Better?

As with all things, individual results will vary. However, nearly everyone notes substantial improvements within one to four weeks.\*

While die-off reactions do not occur with Candisol® a few people may experience nausea, a “burning sensation” in the stomach, or abdominal cramping. This is because the enzymes may aggravate pre-existing disturbances in the gastrointestinal tract. If this occurs, we suggest using one half of a capsule, twice daily, emptied into eight ounces of warm water, and building up from there.\*

To minimize any sensitivity to Candisol®, we suggest one capsule your first day, two your second day, and so on, until you reach the full, four capsule per day regimen.\*

## Frequently Asked Questions

### Can Children Use Candisol®?

Candisol® is safe for everyone. For children, use one-half capsule, twice daily, for each 40 pounds of body weight. For ages 14 and up, adult recommendations may be followed.\*

### When Will I Be Completely Yeast-Free?

No one will ever be completely yeast free. Indeed, most experts believe that small amounts of yeast are beneficial. The goal is to keep populations beneath levels that cause problems.\*

### How Long Should I Use Candisol®?

Two capsules of Candisol® in the morning, an hour before breakfast, and two at bedtime, at least two hours after eating (always use with eight ounces of water) normally produce profound improvement in 10 to 30 days. The time needed for maximum benefit, however, varies, because we each have:

- Different amounts of yeast to overcome
- Different levels of immune support
- Different levels of healthy probiotics
- Different dietary habits
- Varying levels of stress

The longer you have had a yeast problem, the longer you will likely need to use Candisol®. When you're feeling as well as you think you should, cut back from four capsules per day to three for a week; then, to two per day for another week; and finally to one a day. If

you continue to feel well, continue with one capsule per day. If you begin to feel worse as you cut back, use four capsules daily for another month, and then cut back again. There is no “one size fits all” solution for Candida.\*

When you have attained maximum benefit, you will be able to use one capsule per day without regressing. Sugar, antibiotics, birth control pills, chlorinated water or stress may trigger renewed outbreaks of Candida.\*

### Should I use Probiotics With Candisol®?

We strongly recommend using a high quality probiotic supplement with Candisol®. Since there are many brands of both high and low quality probiotics on the market, it is important to let your healthcare practitioner guide you to a brand he or she trusts.\*

### Have Clinical Studies Been Done On Candisol®?

Laboratory studies show the enzymes in Candisol® inhibit the growth of Candida albicans in vitro. A clinical study of 52 patients found that Candisol® is safe, effective, well tolerated, and causes no significant side effects. The physicians that conducted this study concluded that “Candisol® should be the first choice for treatment of enteric Candida”. Candisol® is recommended by physicians, nurses, natural health practitioners, and health clinics throughout the country.\*

### Must I Follow the “Candida Diet”?

While some find that Candisol® permits them to eat foods that are not allowed in normal Candida diets, this is not recommended. You are using Candisol® to reduce yeast populations. Eating foods that feed yeast will lengthen the time you'll need to use it.\*

**SUGGESTED USE:** To support a healthy gastrointestinal tract, two capsules, twice daily, between meals. For maintenance, one capsule at bedtime. Always use with at least 6 oz. of water.

## Benefits of Flaxseed Oil

According to the Flax Council of Canada, there are numerous benefits of which omega-3 is at the top of the list. ALA (alpha-linolenic acid) constitutes 57% of the total fatty acids in flax, making flax the richest source of ALA in the North American diet. Every tablespoon of flaxseed oil contains 8 grams of ALA, and this is a polyunsaturated fatty acid.

Flaxseed oil has been found to be beneficial for those who suffer from Crohn's Disease and Colitis.

Several studies have found that this oil seems to be able to calm the inner lining of the inflamed intestines. Another benefit exists as there is a high content of mucilage in flax and this is an effective natural laxative.

Flaxseed oil is beneficial in helping to reduce high cholesterol. It's important to keep in mind however, that this alone cannot be totally effective in reducing cholesterol levels, an overhaul of overall diet must work in conjunction with flaxseed oil.

The risk of heart disease is lower in individuals who take flaxseed oil. Evidence indicates that those who eat a lot of ALA are less likely to suffer a fatal heart attack and it reduces high blood pressure.

Some people are afflicted with Sjogren's syndrome, which is a dryness of the eyes. Flaxseed oil helps to improve this condition.

Flaxseed oil also helps to:

- Reduce the risk of cancer. • Plays a role in burning body fat.
- Aid in the growth of healthy hair and nails.
- Promote healthy skin. • Reduce menopause symptoms.
- Also excellent for depression & ADD

## Lignan Omega Twin - Flax/Borage Oil

**Ingredients:** 100% unrefined, unfiltered, organic flaxseed oil and herbicide/pesticide free borage seed oil.

- Includes flax lignans - Synergistic blend: 6,010mg ALA & 465mg GLA Omega fatty acids
- Non-GMO verified, gluten-free, vegan, kosher
- Supports heart, nerve, joint & skin health
- Both LNA and GLA may support the body's response to conditions associated with allergy, inflammation, pain & swelling.
- Studies have shown that GLA may support the healthy nerve function and joint health of individuals with Diabetic Neuropathy and Rheumatoid Arthritis.
- Essential Fatty Acids may be effective in the healthful production of skin cells in individuals with the skin condition Dermatitis and the combination skin condition of Dermatitis/Eczema.

## Dentalcidin Toothpaste with Biocidin

Microorganisms and bacterial biofilms in dental plaque cause a number of oral health concerns that can lead to systemic health challenges. Dental microorganisms are implicated in the propagation of endotoxins such as LPS, and this “leaky mouth” effect can have the same implications as “leaky gut” in terms of systemic issues. Use of the broad-spectrum botanicals in Dentalcidin™ can assist in removing biofilms and plaque and are an excellent way to promote

and maintain healthy teeth and gums. Dentists also recommend concurrent use of Dentalcidin™LS Liposomal Oral Care Solution as increased botanical support for periodontal challenges and for use after any dental work or cleaning.

- Daily use toothpaste with 20% Biocidin® broad-spectrum combination for healthy teeth and gums
- Professional grade Zeodent® Hydrated Silica for gentle and effective cleaning and whitening
- Added aloe assists in soothing and repairing gums
- Essential oil combination assists in reducing biofilms and supports gum health
- Free from sugar, gluten, fluoride, and artificial flavorings and colors
- Tastes great, perfect for both children and adults

| Code #  | Product Name           | Count | Retail  |
|---------|------------------------|-------|---------|
| #B02173 | Dentalcidin Toothpaste | 3 oz  | \$27.97 |

# Bio-Botanical Research

## *Biocidin ~ G.I. Tract Support*

Biocidin® is a synergistic combination of botanical medicines, which targets the entire GI tract, and supports microbiome balance for healthy digestion and elimination. The botanicals also have systemic applications in microbial challenges wherever they occur. Independent laboratory testing has concluded that Biocidin® has broad reaching effects, including addressing biofilms.

- Laboratory and clinically tested for effectiveness for over 30 years.
- Recommended as nutritional support by leading practitioners of Functional and Integrative Medicine
- Research indicates potential in addressing biofilms and chronic/resistant cases of imbalanced terrain.\*
- Includes botanicals to assist detoxification pathways and to address inflammation.\*
- To decrease possible die-off or detoxification-type reactions we always recommend concurrent usage of G.I. Detox™+ with Biocidin®.

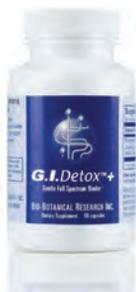

Serving Size: 1 Drop • Servings Per Container: 600 • Amount Per Serving ~ Proprietary Herbal Blend: 30 mg

**Ingredients:** Bilberry extract (25% anthocyanosides), Noni, Milk Thistle, Echinacea (purpurea & angustifolia), Goldenseal, Shiitake, White Willow (bark), Garlic, Grapeseed extract (min 90% polyphenols), Black Walnut (hull and leaf), Raspberry, Fumitory, Gentian, Tea Tree oil, Galbanum oil, Lavender oil (plant & flower), Oregano oil (plant & flower)

**Other Ingredients:** Vegetable glycerin, < 5% alcohol (potato and/or cane source)

## *G.I. Detox ~ G.I. Tract Support*

A binding formula to support enhanced clearance of endotoxins, metals, and xenobiotic compounds. Removal of debris and toxins is essential when restoring microbial balance to the GI tract. Binding agents are especially integral to protocols using Biocidin®, as the breakdown of biofilms, mycotoxins, and pathogens can cause die-off or herxheimer-type detox reactions. Endotoxins from gram-negative bacteria such as LPS, heavy metals, and metabolites of yeast, mold, or bacteria can all contribute to an increased toxic burden and promote inflammation. Our new formulation excels in supporting clearance of these toxins.

- Assists in binding toxins including LPS, metals, and unwanted microbial by-products
- Recommend for use with Biocidin® to avoid detoxification reactions
- Assists in “mop-up” phase of biofilm removal
- May assist as nutritional support for mold and mycotoxin clearance
- Perfect for when food or water quality is compromised

**Ingredients:** Proprietary Herbal Blend: 520 mg, Zeolite Clay; Activated Charcoal; Aloe Vera (inner leaf); Silica (as Monomethylsilanetriol); Apple Pectin; Humic Acid; Fulvic Acid

# Books and DVDs

## “Study to show thyself approved...”

This is perhaps the most important section in the whole catalog. There is only one thing more important than our physical health and that is our spiritual health. There are so many books written about both spiritual & physical health, we need to pray the prayer of Solomon, “Give me now wisdom and knowledge...” 2 Chronicles 1:12, so as not to be deceived, for where there is truth, there is also a counterfeit lurking nearby.

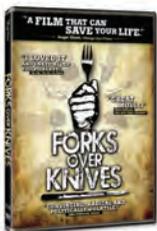

Many people don't realize it, but the Bible has much to say about health. God gave us a wonderful promise - “If thou wilt diligently hearken to the voice of the Lord thy God, and wilt do that which is right in his sight, and wilt give ear to his commandments, and keep all his statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I am the Lord that health thee.” Exodus 15:26. Have you noticed that sadly, people who attend church are not much healthier than those who do not? There seems to be nearly as much cancer, strokes, heart trouble, etc. among those who are Christians, as those who are not. Why is that? Is God not fulfilling His part of the bargain, or are Christians not “diligently hearkening to the voice of the Lord?” There is no doubt in my mind, it is the latter. We serve the same God as did our forefathers, God has not changed. But, sadly, many of His people have become lax in their ways, they eat like the world, and they are so close to the world that it is difficult to tell them apart from the world.

If we as Christians want to claim the promises of good health, we need to find out what our part of the bargain is. Thankfully, the Bible is full of health principles. When you read books on health, you always want to research the subject, and see what the Bible has to say. Just as there are many false doctrines being taught, so there are many fads and dangerous health ideas being taught.

Unfortunately, too many Christians listen to their Pastor, and accept what he says as gospel, without studying for themselves, and consequently, are led astray. The same parallel applies to health. Too many people go to the Doctor and accept what he says, without researching for themselves. They take his drugs, and because ALL drugs have side-effects, they soon have a second health problem - and back to the Doctor they go...to get yet another drug...We need to be as the Bereans in the Bible of whom it was said, “They received the word with all readiness of mind, and searched the Scriptures daily, whether those things were so.” Acts 17:11. Just because your Pastor or Doctor tells you something, doesn't mean it is “gospel”. Study for yourself, ask God for wisdom and knowledge, and then, walk in the light He gives you. As you walk in the light He will give you more light. You will be greatly blessed and be able to help many others.

What you read and study is to the mind, what food is to the body. Just as it is so important to choose healthy food for the body, so it is important to choose to read books filled with truth and knowledge, for the mind. On the next couple of pages we offer books and study material to help you in your quest for health.

## Focus On...Forks Over Knives... **This DVD could literally save your life!**

**Forks Over Knives** ~ Examines the profound claim that most, if not all, of the degenerative diseases that afflict us can be controlled, or even reversed, by rejecting our present menu of animal-based and processed foods. The major storyline in the film traces the personal journeys of a pair of pioneering yet under-appreciated researchers, Dr. T. Colin Campbell and Dr. Caldwell Esselstyn.

Dr. Campbell, a nutritional scientist at Cornell University, was concerned in the late 1960's with producing “high quality” animal protein to bring to the poor and malnourished areas of the third world. While in the Philippines, he made a life-changing discovery: the country's wealthier children, who were consuming relatively high amounts of animal-based foods, were much more likely to get liver cancer. Dr. Esselstyn, a top surgeon and head of the Breast Cancer Task Force at the world-renowned Cleveland Clinic, found that many of the diseases he routinely treated were virtually unknown in parts of the world where animal-based foods were rarely consumed.

These discoveries inspired Campbell and Esselstyn, who didn't know each other yet, to conduct several groundbreaking studies. One of them took place in China and is still among the most comprehensive health-related investigations ever undertaken. Their research led them to a startling conclusion: degenerative diseases like heart disease, type

2 diabetes, and even several forms of cancer, could almost always be prevented – and in many cases reversed – by adopting a whole-food, plant-based diet. Despite the profound implications of their findings, their work has remained relatively unknown to the public.

The filmmakers travel with Drs. Campbell and Esselstyn on their separate but similar paths, from their childhood farms where they both produced “nature's perfect food,” to China and Cleveland, where they explored ideas that challenged the established thinking and shook their own core beliefs.

The idea of food as medicine is put to the test. Throughout the film, cameras follow “reality patients” who have chronic conditions from heart disease to diabetes. Doctors teach these patients how to adopt a whole-food, plant-based diet as the primary approach to treat their ailments – while the challenges and triumphs of their journeys are revealed.

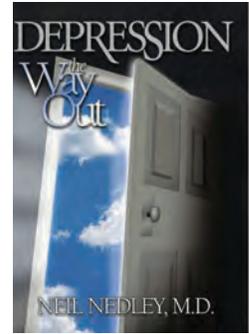

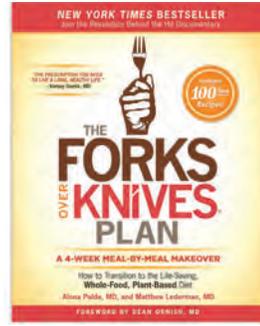

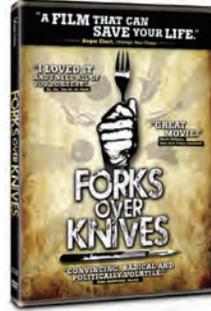

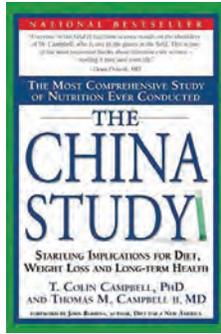

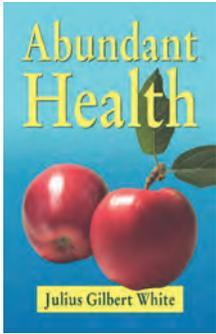

**FORKS OVER KNIVES** utilizes state of the art 3-D graphics and rare archival footage. The film features leading experts on health, examines the question “why we don't know”, and tackles the issue of diet and disease in a way that will have people talking for years.

**FORKS OVER KNIVES** was filmed all over the United States, and in Canada and China.

| #T5887 | <b>The China Study</b> - Revised & Expanded by T. Colin Campbell, Ph. D & Thomas Campbell II. The Bestseller That Changed Millions of Lives with the Health Benefits of a Whole Foods, Plant-Based Diet. One of the BEST books you can buy! Paperback.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | \$16.95 |
| #D01   | <p><b>Depression: The Way Out</b>, by Neil Nedley, MD. This book is an exceptionally high quality hardback. 8 x 10 inches and 266 pages in size, it has over 200 full-color charts and illustrations. Throughout the book there is an abundance of references to the latest medical studies on depression. And to top it all off, it's easy to read and understand.</p> <p>In his unique position as an internal medicine specialist, Neil Nedley, M.D., approaches the problem of depression from a health-based viewpoint. Instead of merely medicating the symptoms of depression, Dr. Nedley has sought to find a cure for this lonely illness in his book, and he gives you an in-depth comprehension of how depression affects the body mentally, physically, and spiritually.</p> <p><b>Depression: The Way Out</b> explores how our brain - the part of our body that makes us whole - can become the component that makes us miserable. With each chapter, Dr. Nedley clarifies the causes of depression and the effects it has on a person, how nutrition and lifestyle play important roles, and the medications and herbs used for treatment with their benefits and side-effects. Proven techniques to control stress are also revealed.</p> <p>For those in the grip of this dark disease, Dr. Nedley brings hope with his successful twenty-week cure that has brought relief to so many of his patients.</p> <p><u>Chapter titles include:</u> <b>The Marvelous Mind and the Invisible Disease</b><br/> <b>Depression's Hidden Dangers • What Causes Depression?</b><br/> <b>Healthy Food, Better Mood: Nutritional Treatments for Depression</b><br/> <b>Lifestyle Treatments for Depression • Herbs and Medications</b><br/> <b>Stress and Anxiety • Stress Without Distress</b><br/> <b>The Frontal Lobe of the Brain • The Twenty-Week Cure</b></p> | \$39.00 |

| #BK-BBB  | <b>Brighten Up Breakfast</b> , by Erica Nedley ~ Whether you're preparing a healthy breakfast for your family or hosting brunch with friends, the recipes in this book will not let you down. A mix of classic and contemporary, Brighten Up Breakfast contains everything you need to make the first meal of the day nutritious and satisfying. More than 100 mouth-watering recipes—over half of them gluten free—will inspire you to make mornings brighter with fluffy pancakes, creamy hot cereals, enticing savory dishes, on-the-go-options, and hearty casseroles. You'll also learn how to nourish your family's bodies and minds with powerful brain-boosting ingredients. Each recipe has been intentionally created to include the nutrients that promote peak mental performance. Informative facts throughout the book give you the knowledge to incorporate these mind and mood enhancing foods in your other meals, as well. Beautifully photographed and thoroughly detailed, this versatile cookbook will quickly become an essential part of your morning mealtime. Hardback: 250 color pages Retail = \$24.95 | \$22.45 |

# Books for the Soul

**“This Is My Beloved Son: Hear Him”**, by Allen Roesch ~ The WORLD is in chaos.... “Wars and rumors of wars...” Morality is at an ALL TIME LOW. Families are falling apart. Our country is falling apart. Our government and politicians are almost hopelessly corrupt. Our hospitals are overflowing with people dying of cancer, heart attacks and more. Mental illness is at an all-time high.

**“Mark this: there will be terrible times in the last days.” 2 Timothy 3:1**

Does that seem like a pretty bleak picture? Well, it’s no bleaker than God Himself portrays for us.

But there’s hope, and there’s answers, and there’s certainty--but only in one place: in Christ and in His word. And the book we’re offering takes you to precisely those two places: to Christ and His word. It consists of 20 chapters, each one based on a passage by Jesus; and each one full of wonderful and important Bible passages—shared and explained in a clear and simple way. Many difficult and misunderstood subjects are addressed and made clear; and most importantly, from the first to the last chapter it stresses that the words that Christ speaks to us are life (John 6:63). And of all that Christ has ever said to us, none is more important than this:

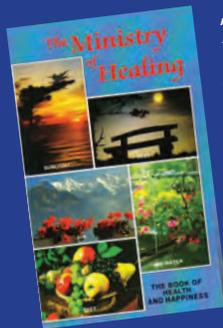

**“What good is it if someone gains the whole world but loses his soul?” Mark 8:36**

**One reader wrote:** “Today I read the whole chapter 18 (WHO & WHAT is the MARK of the BEAST) of the book. WOW! The presentation is so simple and easy to understand!”  
(RP ~ Philippines)

**Another reader wrote:** “I enjoyed your husbands book tremendously... I have passed it on to a friend to read...and when I get it back, I have another friend who would like to look at it.”  
(B ~ Canada)

**Hardback \* 20 Chapters \* 240 Pages

***The Ministry of Healing*** provides a well-rounded look at the principles of healthful living, beginning with the ministry of Jesus and extending to the life and ministry of every Christian. Many things contribute to good health—cheerfulness, fresh air, exercise, diet, and positive relationships with other people, to name a few. Crucial also is a personal relationship with the Creator who gave us life and everything we need for health and happiness. In this book Ellen White deals with sickness of the soul and the healing balm to be found by trusting God for all things. Written in simple, beautiful language, *Ministry of Healing* will point you to a life full of joy and gladness—a life in touch with the Source of healing power.

# Books for the Soul ~ Yours for the Asking!

We have a burden to share the amazing truths of God's Word with our customers. These truths give hope, peace and freedom. Allen has written four booklets that highlight different gospel truths. We would be delighted to send these to you—**they are yours for FREE!**

Simply request one or all when you call or write.

## Tract #1

### Which Way? Eternal Hellfire

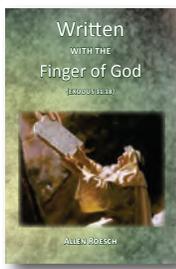

Will poor lost human beings burn forever and ever and ever and ever and ever? (Truly, an extremely disturbing scenario to contemplate.) Find out the truth in this little tract. Also, the answer to the question: Do Christians go to heaven when they die, or at the resurrection?

## Tract #2

### “Written with the Finger of God”

In all the history of the world, in all the recorded revelations of what the Almighty, all-wise, and all-loving God of the universe has done for the blessing and salvation of the beings He has created and loves so much, those words, “written with the finger of God,” are spoken in reference to one thing and one thing only: the Ten Commandments. What should that tell us in regard to how important the Ten Commandments are to God—and how important they should be to us?

## Tract #3

### Which Way? Sabbath or Sunday?

“There is nothing in Scripture that requires us to keep Sunday rather than Saturday as a holy day.”

{*Christianity Today*, Nov. 5, 1976, Harold Lindsell, former editor—a Baptist}

“One will search the Scriptures in vain for authority for changing from the seventh day to the first.”

{*Ten Rules for Living*, Clovis G. Chapell—a Methodist}

Were those men right? Find out; ask for this tract.

## Tract #4

### The Mark of the Beast

The Beast—*Who is it?* His Mark—*What is it?*

A serious mistake is made in trying to figure out what the mark of the beast is without first figuring out who the beast is. You'll know who the beast is—and what his mark is—after reading this tract.

## Tract #5

### DID THE LORD JESUS SAY:

“HE SHALL REWARD EVERY MAN ACCORDING TO HIS FAITH?”

OR DID HE SAY:

“HE SHALL REWARD EVERY MAN ACCORDING TO HIS WORKS?”

The Bible tells us: “[God] makes people right with himself only by faith.” (Romans 3:30 NLT) At the same time, it also tells

us: “We are made right with God by what we do, not by faith alone.” (James 2:24 NLT) And, since—“All Scripture is given by inspiration from God” (2 Timothy 3:16)—both passages must be true, and must have a place in our understanding, and more importantly, in our lives.

This question of faith vs. works is something that's greatly misunderstood. This little booklet will help straighten out this misunderstanding.

# Bulk Herbs & Herbal Resources

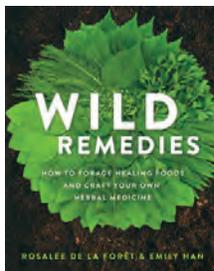

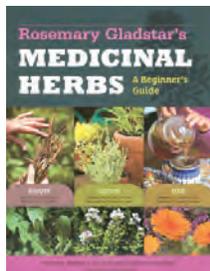

I cannot believe how INFLATION has affected the BULK HERB prices! Some herbs have nearly doubled in price!

If there ever was a time to put some real effort into learning about Herbs, how to identify them in the wild, harvest and use them, NOW is the time! I highly recommend these books.

We've had a very hard time getting some herbs in, due to the Chinese Corona Virus. The time may not be very far down the road when people will have a hard time buying their Prescription meds, and they will be FORCED to find something natural. NOW is the time to learn all you can, so you can take care of yourself and help others when that time comes!

# Bulk Herbs ~ Herbal Accessories

With the Chinese Corona Virus, we've had tons of out of stock products, and NOW's EMPTY CAPSULES have been out for months. The only other ones I could find were from STARWEST. They are more expensive, but are very good quality.

| CODE #                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | EMPTY GELATIN & VEGGIE CAPS           | COUNT      | Retail   | You Pay! |

| <p>STARWEST Vegetable Capsules are made from kosher carbohydrate gum derived from naturally occurring vegetable cellulose (plant fiber). Nature uses cellulose as the structure of all life-giving plants, which means it's the perfect ingredient. 100% free from animal by-products (gelatin), and free of starch, wheat, dairy, and preservatives, these Certified Kosher are completely neutral to the digestion process and do not interfere in the digestion and absorption of the ingredients within. All capsules are clear.</p> |                                       |            |          |          |

# Balanceuticals, Inc.

God has given us wonderful herbs to help people get well, in every Country of the World. China has studied Natural Medicine for many years, and they have come up with some WONDERFUL HERBAL FORMULAS for MANY health conditions. As Christians, we do not support the PHILOSOPHIES behind their Eastern Healing practices, such as Yen & Yang, the doctrine of the CHI (TSI), acupuncture, Su Jok & yoga. All of those Chinese Healing practices have their ROOTS in the OCCULT, and Christians should stay far away from them. Their Eastern Philosophies thankfully, cannot contaminate the herbs God planted in China, to be used for healing.

At *Balanceuticals, Inc.* you will find the most authentic traditional Chinese herbal remedies. We have a fine assortment of different formulas for many health conditions We hope you find the products below to be of great help to you as you strive to maintain and regain your health.

# CellCore

*This is a company that I'm really excited about! The testimonies they have from customers using their products are wonderful... "the proof is in the pudding" right? They have products for just about every health condition. Another thing I like about them is that they really encourage people to change their diet & lifestyles, not just take a pill. This is another line that's mainly sold in Dr.'s offices. It's required that I list the retail price here, but you will receive the discount price when you place your order. **Our prices are 25% off the retail price.** That is what you will be charged when you place your order.*

**CellCore has developed products that use a new technology, using a binder, something like activated charcoal, but it works MUCH BETTER. It's called CARBON TECHNOLOGY.**

## FORMULATED WITH CARBON TECHNOLOGY

Carboxy is different from traditional clay or charcoal binders. The binding ability of older binders is limited because clay and charcoal contain what are called "spent carbons." Think of a spent carbon as a sponge that soaks up toxins specifically in the gut. Like a sponge, once it's "full," it drops and leaks, leaving behind toxins it cannot carry anymore.

The short and long-chain carbons in Carboxy travel beyond the gut and have more energy available than spent carbons. This means there is greater potential for Carboxy to interact with unwanted substances and safely remove them. This creates the unique ability to bind and repair that spent carbons lack.

Carbon Technology also supports the balance of the electrochemistry of the human body. People with high toxicity levels may use this product to support systemic detoxification from environmental toxins.

Carboxy is selective in what it binds to (meaning it will not bind to nutrients or trace minerals that are actually beneficial to your body). It is safe to take with food and most other supplements (excluding Para 1, Para 2, and Para 3).

| #CC-BC-ATP      | BC-ATP          | BC-ATP is our most powerful supplement for supporting and optimizing mitochondrial function.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 120 VCaps | \$74.95  |
| #CC-BTBinder    | BioToxin Binder | BioToxin Binder contains long-, medium-, and short-chain carbons which act in different ways depending on where they are in the body. That's the key: they get to different areas of the body, working systemically, and not just in the gut. BioToxin Binder contains polyelectrolytes, polysaccharides, amino acids, and organic acids, and supports cellular energy production. This ability to promote life sets it apart from older spent carbons and renders them obsolete.                                                                                                   | 120 VCaps | \$74.95  |
| #CC-BM          | Bowel Mover     | The result of more than ten years of development and clinical utilization. This is the perfect blend of ingredients in the proper ratio designed to provide non-habit-forming, safe, effective digestive support. Bowel Mover is specifically designed to help promote digestive and detox support while executing its primary function of supporting proper bowel function. This product is beneficial for those that struggle with constipation by providing natural, gentle bowel relief.                                                                                        | 90 Vcaps  | \$49.95  |
| #CC-Carboxy     | Carboxy         | Carboxy is a binder that contains short- and long-chain carbons, which travel to different areas of the body to remove harmful environmental elements. That's the key: Carboxy works systemically to promote full body detoxification, moving beyond the gut. Carboxy contains electrolytes, humic and fulvic acid compounds, and polysaccharides, which help repair damage done to cells by toxins. It also promotes increased energy production at the cellular level. This reparative mechanism and ability to promote life is what sets Carboxy apart from traditional binders. | 150 Grams | \$110.00 |
| CC-CT-Biotic    | CT-Biotic       | CT-Biotic is a blend of spore-forming and non-spore-forming bacteria combined with Carbon Technology. It provides 11 bacterial strains that are essential for supporting detoxification, digestive function, and immunity. The addition of Carbon Technology sets CT-Biotic apart from other probiotic supplements. As a blend of fulvic and humic acids, Carbon Technology helps protect all bacterial strains from being destroyed or damaged by stomach acid, so that cultures are still intact by the time they reach the lower GI tract.                                       | 60 VCaps  | \$53.95  |
| #CC-CT-Iodine   | CT-Iodine       | Iodine helps convert thyroid-stimulating hormone (TSH) to triiodothyronine (T3) and thyroxine (T4). These hormones promote proper bone and brain development, and appropriate levels of iodine are important for everyone.                                                                                                                                                                                                                                                                                                                                                          | 60 Tabs   | \$34.95  |
| #CC-CT-Minerals | CT-Minerals     | At the heart of CT-Minerals is the naturally occurring, highly refined, and naturally chelated extracts of Fulvic Acid. This means 100% organically complexed nano-sized molecules which can penetrate human tissue and blood cells easily. With over 69 naturally occurring, plant-derived trace minerals and twelve amino acids, this supplement is highly bioactive and can perform numerous biochemical and metabolic detoxification functions.                                                                                                                                 | 4 oz      | \$54.95  |

| #CC-CT-Zymes | CT-Zymes      | Support digestive function, nutrient absorption, energy production, and immunity with CT-Zyme.* This proprietary blend of 11 digestive enzymes — including amylase, beta glucanase, bromelain, and cellulase — assist the body in digesting high-fiber and nutrient-dense foods, such as beans, fruit, grains, lentils, and vegetables. Each enzyme in CT-Zyme functions at a specific pH, which makes the enzymes effective at every stage of digestion as it passes through the gastrointestinal tract. When taken with meals, CT-Zyme acts as a digestive enzyme. When taken 1-2 hours away from food, it acts as a proteolytic enzyme.                   | 120 VCaps | \$54.95 |
| #CC-GCO      | GCO, 90 VCaps | GCO is formulated with a unique combination of nutrients, herbs, and Carbon Technology that support existing healthy blood sugar levels, metabolism, and digestive function.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 90 Vcaps  | \$59.95 |
| #CC-HM-ET    | HM-ET Binder  | As part of our comprehensive protocol lineup, HM-ET Binder is the proverbial “cleanup” batter. The name is simple: “HM” comes from “heavy metals” and “ET” comes from “environmental toxins.” This product is designed to focus on chelating both heavy metals and environmental toxins from the system, while the BioActive Carbon molecules provide the biological building blocks to heal your system.<br><br>HM-ET Binder supports the body’s natural ability to detoxify and encourages cellular repair. With the addition of Carbon Technology, it lends increased support to mitochondrial health, immunity, energy production, and long-term health. | 120 VCaps | \$83.95 |
| #CC-IFC      | IFC           | IFC is formulated with 11 plant ingredients including amino acids, enzymes, and Carbon Technology that help support healthy, natural anti-inflammatory pathways. IFC helps soothe the body and lessen sensitivities while reducing the negative impact of free radicals (which is especially helpful during detoxification protocols). It steps in to help you withstand mild environmental stressors and minimize symptoms of other potential system imbalances.                                                                                                                                                                                            | 120 VCaps | \$43.95 |
| #CC-IS-BAB   | IS-BAB        | IS-BAB is a tincture of fifteen botanicals, including black walnut hulls, milk thistle, Japanese knotweed, and wormwood. These ingredients have been carefully selected to nurture and support the body’s essential functions, including cellular health, energy production, and a healthy response to unwanted elements. As a concentrated tincture, it’s recommended to start with a low dose and work your way up as your body adjusts.                                                                                                                                                                                                                   | 4 oz.     | \$43.95 |

| #CC-IS-BART  | IS-BART      | Bust through pathogen purging plateaus with a new troupe of herbs. IS-BART is designed to augment your immune function by supporting your parasite cleansing efforts. An array of antioxidants help neutralize free radicals and boost your ability to detox. Plus, carefully chosen herbs heighten your energy levels. Altogether, this band of botanicals endeavors to help you reach new goals in your quest for optimal health.                                             | 4 oz.     | \$43.95 |
| #CC-IS-BOOST | IS-BOOST     | IS-BOOST introduces a blend of 12 herbs, including cilantro, dandelion, and oregano. These ingredients have been carefully selected to nurture and support the body's essential functions, including cellular health, energy production, and a healthy response to unwanted elements. As a concentrated tincture, it's recommended to start with a low dose and work your way up as your body adjusts.                                                                          | 4 oz.     | \$43.95 |
| #CC-IS-BORR  | IS-BORR      | Take on pathogens like borrelia burgdorferi with a new powerful plant combination. This mix of 21 traditional herbs is designed to enhance your immune function and elevate your ability to detox. It is a fast-absorbing liquid that allows you to control dosing based on your needs. Boost your body with IS-BORR today!                                                                                                                                                     | 4 oz.     | \$43.95 |
| #CC-KL       | KL Support   | Coupling a unique blend of natural ingredients (including NAC, milk thistle, parsley gynostemma, collinsonia root, beetroot and marshmallow root) with our powerful Carbon Technology, this product supports and promotes healthy kidney and liver function. As an integral part of the body's cleansing and filtering system, proper kidney function is essential to any detox protocol.                                                                                       | 120 VCaps | \$58.95 |
| #CC-LA       | LymphActiv   | The importance of establishing drainage begins with the lymphatic system, and our Lymphatic Support supplement is comprised of a variety of natural ingredients, including Astragalus root, graviola, chuchuhuasi, and several other natural components whose anthraquinones, sterols and tannins provide antioxidants and other immune-supporting properties. Coupled with our BioActive Carbon molecules, LymphActiv creates the lymphatic motion needed to support drainage. | 60 VCaps  | \$48.95 |

| CC-PARA1     | PARA 1           | <p>Para 1 is CellCore's flagship digestive support product. It contains 100% pure Mimosa pudica seed, which is fat-soluble and gels up when mixed with liquid.</p> <p>In the digestive tract, the powdered seed absorbs fluids and changes consistency. It becomes jelly-like and sticky as it cleanses the gut and grabs and escorts unwanted elements out of the body.</p>                                                                                                                                                                     | 120 VCaps | \$44.95 |
| #CC-PARA2    | PARA 2           | <p>Formulated after years of development, Para 2 is a multi-herb supplement specifically designed to maximize the body's ability to protect against unwanted elements and support digestive health and function.</p>                                                                                                                                                                                                                                                                                                                             | 120 VCaps | \$51.95 |
| #CC-PARA3    | PARA 3           | <p>A blend of seven herbs work together to support the gut microbiome and aid the body in removing unwanted elements beyond the digestive tract.</p> <p>As a tincture, this model allows more personalized dosing options based on individual tolerance level.</p>                                                                                                                                                                                                                                                                               | 2 oz.     | \$51.95 |
| #CC-PARA4    | PARA 4           | <p>Para 4 is a blend of 11 potent herbs known for supporting digestion, detoxification, and immunity, including celery seed, cordyceps, holy basil, horse tail, noni root, and sarsaparilla.</p> <p>Together, these herbs help promote a balanced gut microbiome and red blood cell production, which supports energy production and balances oxygen levels in the body.</p> <p>With sensitive individuals in mind, Para 4 is formulated without black walnut hulls, which is a common ingredient found in many immune-boosting supplements.</p> | 120 VCaps | \$59.95 |
| #CC-S-TRO    | S-TRO            | <p>S-TRO contains a proprietary blend of adaptogenic herbs — including ashwagandha root, astragalus root extract, maca root, Masson pine pollen, and turmeric root — to support healthy estrogen and testosterone levels in both men and women.</p> <p>By supporting the endocrine system and hormonal balance, S-TRO promotes the following in both men and women: bone density, fertility, healthy libido, healthy metabolism, improved digestion, mood support, normal adrenal response, and skin health.</p>                                 | 120 VCaps | \$59.95 |
| #CC-VCBinder | ViRadChem Binder | <p>ViRadChem Binder from CellCore is a game-changer. It is designed to get to the source of chronic symptoms by targeting radioactive elements, and chemical toxins.</p> <p>Our Carbon Technology is formulated at a nanoparticle level to ensure delivery of nutrients to the places they're needed most: directly into the cell. The ability to go systemic makes ViRadChem a more effective supplement and the perfect complement to detox efforts.</p>                                                                                       | 120 VCaps | \$64.95 |

| #CC-KIT-LIVER     | Liver Support Kit     | <p>The supplements in the Liver Support Kit lend increased support to the body's drainage pathways and natural detoxification processes. This kit is ideal for anyone looking to optimize their digestion and immune health, as each supplement supports healthy kidney, liver, and bile duct function, as well as lymphatic movement.</p> <p><b>What Is Included?</b> 1 each of KL Support; LYMPHACTIV; ADVANCED TUDCA</p>                                                                                                                                                                                                                                                  | 3 Bottles | \$197.85 |
| #CC-KIT-MAINT     | Maintenance Kit       | <p>The body is exposed to stressors on a daily basis, which creates the need for ongoing mitochondrial and detoxification support. Once you have completed a CellCore kit, kit protocol, or the Foundational or Comprehensive Protocol, the Maintenance Kit is a great next step to maintain and optimize progress — and continue to move the needle forward with their health.</p> <p>This kit is an ideal solution for those who wish to scale down on the number of supplements they are taking while receiving adequate nutrients to support the body and all of its processes.</p> <p><b>What is Included?</b> 1 each of BC-ATP, CT-Minerals, and ViRadChem Binder.</p> | 3 Bottles | \$194.85 |
| #CC-KIT-Metabolic | Metabolic Support Kit | <p>The Metabolic Support Kit is designed to support the entire body and all of its processes by promoting optimal mitochondrial function and cell metabolism, repair, and renewal. By supporting healthy cells, you support every process in the body at the foundational level. This includes energy production, existing healthy blood sugar levels, detoxification, digestion, hormones, immune health, and metabolism.</p> <p>This kit includes supplements that support the body's natural drainage processes, so it's ideal to take at any stage of the wellness journey.</p> <p><b>What Is Included?</b> 1 each of Advanced TUDCA; GCO; IFC</p>                       | 3 Bottles | \$193.85 |
| #CC-KIT-MYC       | MYC Support Kit       | <p>These supplements optimize drainage, mitochondrial health, and the body's natural ability to detoxify.</p> <p><b>What is Included?</b> 1 each of Advanced TUDCA, BC-ATP, BioToxin Binder, CT-Minerals, and KL Support.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                | 5 Bottles | \$298.80 |

| #CCFP1 | Step 1       | <p><b>Step 1: Energy &amp; Drainage:</b> No matter what you've been diagnosed with, the components of this phase are foundational to your healing journey. They'll prepare you for true detox by opening your energy and drainage pathways. This will help minimize "hiccups" or side effects along the way.</p> <p><b>Contains:</b> Advanced TUDCA, Bowel Mover, and Bio Toxin Binder.</p> | 3 Bottles | \$208.85 |
| #CCFP2 | Step 2       | <p><b>Step 2: Gut &amp; Immune Support:</b> Building on the detox traction you gained in Step 1, it's time to start running any unwanted guests out of town. Step 2 focuses on removing pathogens and deep-rooted toxins that could be holding you back from true health.</p> <p><b>Contains:</b> KL Support, Para 1, Para 2 &amp; ViRadChem Binder</p>                                     | 4 Bottles | \$270.95 |
| #CCFP3 | Step 3       | <p><b>Step 3: Gut Cleansing and Detox:</b> Now, it's time to build on the progress you've made and achieve even greater results. Continue gut-cleansing and clear pathogens and toxins throughout your body to prepare for deeper detox in Step 4.</p> <p><b>Contains:</b> LymphActive, ViRadChem Binder, HydrOxygen, Para 1 &amp; Para 3.</p>                                              | 5 Bottles | \$251.80 |
| #CCFP4 | Step 4       | <p><b>Step 4: Systemic Detox:</b> This step is designed to target and clean up heavy metals like mercury, lead, arsenic, and cadmium that can build-up in the body over time. The focus is on binding and purging them from tissues, organs, and the brain to restore a natural state of health.</p> <p><b>Contains:</b> IFC, CT-Iodine &amp; HM-ET Binder</p>                              | 3 Bottles | \$267.80 |

| CS0447 | <b>Breast Defend</b>            | Clinical Synergy® Professional Formulas BreastDefend® Professional is a proprietary formula that works by targeting cell-signaling pathways and other mechanisms of action to promote healthy cell behavior, favorable hormone metabolism, and optimal immune function. Its unique benefit for healthy breast cell behavior is attributed, in part, to promoting favorable gene expression as seen in the formula's multiple research studies. | 120 VCaps | \$104.95 | \$94.45  |
| CS0386 | <b>Detox Complete</b>           | Detox Complete® combines botanical extracts, antioxidants, amino acids, B vitamins and other nutrients for a deep, total-body toxin removal. Research shows that supporting Phase I and II liver detoxification allows for the body to convert toxins, contained in organs and tissues, to water-soluble neutral compounds through methylation pathways and eliminate them from the body.                                                      | 90 VCaps  | \$63.95  | \$57.55  |
| C85683 | <b>Mycoceutics Tick Defense</b> | The four mushroom varieties in Mycoceutics Tick Defense are rich in active compounds that give them a diverse range of health-promoting properties specific to immune function, detoxification, neurological health, and other areas. This formula offers comprehensive, broad-spectrum support for immunity and total-body wellness in the face of tick and vector-borne concerns.                                                            | 90 VCaps  | \$59.95  | \$53.95  |
| CS0508 | <b>Pectasol Metal Detox</b>     | PectaSol® Metal Detox is ideal for those who need intensive detoxification support to help fortify the body's ability to eliminate environmental pollutants and heavy metals like lead, mercury, cadmium and arsenic. It is also ideal for daily use to support the body's detoxification processes over the long term.                                                                                                                        | 180 VCaps | \$104.95 | \$94.45  |

# Colloidal Silver - Silver Wings

Colloidal silver is used to treat infections due to yeast; bacteria (tuberculosis, Lyme disease, bubonic plague, pneumonia, leprosy, gonorrhea, syphilis, scarlet fever, stomach ulcers, cholera); parasites (ringworm, malaria); and viruses (HIV/AIDS, pneumonia, herpes, shingles, warts).

Colloidal silver is also used for lung conditions including emphysema and bronchitis; skin conditions including rosacea, cradle cap (atopic dermatitis), eczema, impetigo, and psoriasis; and inflammation (sometimes due to infection) of the bladder (cystitis), prostate (prostatitis), colon (colitis), nose (rhinitis), stomach (gastritis), tonsils (tonsillitis), appendix (appendicitis), and sinuses (sinusitis).

Other uses include treatment of cancer, diabetes, arthritis, lupus, chronic fatigue syndrome, leukemia, hay fever and other allergies, trench foot, and gum disease. Colloidal silver is also used to prevent flu, H1N1 (swine) flu, and the common cold. Some women take colloidal silver during pregnancy to aid the baby's growth and health as well as the mother's delivery and recovery.

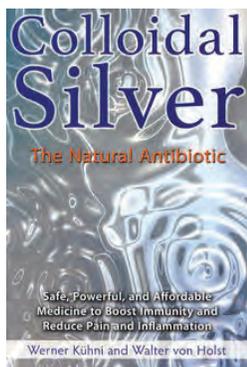

Colloidal silver is applied directly to the skin for acne, burns, eye infections, fungal infections, throat infections, skin infections, and Staphylococcus infections.

# Colon Health

For however many meals you eat per day, that is how many times you should eliminate each day. Constipation is a real problem in America for several reasons: 1.) People eat too much fast food and not enough whole foods. 2.) People don't drink enough water. 3.) People don't exercise enough. People who eat healthy, drink plenty of water and exercise regularly, rarely have a problem with constipation.

Constipation is a BAD thing. If you are not eliminating properly, you are re-absorbing the toxins. And then it's just a matter of time until you develop a more serious health problem than constipation. So, I thought I'd try to bring all the Colon Cleanse Products together to make it easy for you to compare and decide which one is for you.

Just like we do a SPRING & FALL House Cleaning each year, it's a good idea to do a WHOLE BODY DETOX once or twice a year. But before you do that detox, make sure you clean the Colon FIRST so that when the toxins are dumped out of your blood and liver into the colon, the colon is clean and they will pass through without being reabsorbed.

| #689101   | <b>Dr.<br/>Christopher's<br/>Lower Bowel<br/>Formula</b> | <p>The Lower Bowel Formula is one of Dr. John R. Christopher's most famous and popular formulas. To some this formula is known as an herbal laxative, however, to many herbalists it is much more than this. One of the most important and beneficial factors of this formula is how it stimulates peristaltic action within the lower bowel. Take according to personal need. As there are no two people alike in age, size, or physical construction and the bowel itself will differ in persons as much as the finger prints, most people will start with two capsules or 30 drops of the glycerine based extract three times a day, and then regulate the dosage from there. If the stool seems too loose then lower the dose, but if it is difficult to get a bowel movement and the stool is hard and takes a long time, then increase the dose until the movements become soft and well-formed. In very difficult cases, one could take up to 40 of these capsules a day. After the hard material which is hard fecal matter that may have been stored on the intestinal wall for years has broken loose and is eliminated, one can gradually decrease but do not taper off the Lower Bowel Formula dosage so much that you lose this advantageous momentum and continuity of elimination. In most cases, improper diet has caused the peristaltic muscles to become sluggish, and in some cases, to quit working. It will take six to nine months with the aid of the Lower Bowel Formula for the average individual to clean out the fecal matter and to rebuild the bowel structure sufficiently to have the peristaltic muscles working entirely on their own. Most people have pounds of old dried fecal matter that is stored in the colon, which is toxifying the system, and keeping the food from being properly assimilated. Because of this putrefied condition, many people consume far more food than the body actually requires. In the process they wear out their bodies trying to get sufficient nutrition and are still always hungry and eating. After the bowel is cleaned, the body is able to normally assimilate the nutrients through the cell structures in the colon instead of being trapped in a maze of waste. Food is more readily assimilated, and a person can sustain himself on about one-third the quantity of his prior food consumption and have four or five times more power, vitality and life. When the body is completely clean, these aids will no longer be necessary and then your food will be your medicine and your medicine will be your food. After following this program properly and the bowels are cleansed, this formula should only be used when needed.</p> | <b>100<br/>VCaps</b>                        | <b>\$23.25</b>                                                                                                                                                                                                                                                                                                                                                                                                                    | <b>\$15.45</b>              |

| #634641         | Dr. Christopher's Quick Colon Cleanse     | <p>Dr. Christopher's Quick Colon Formula was originally referred to as TNT #1 formula because of the immediate forceful Lower Bowel action. Dr. Christopher believed that most diseases started by the accumulation of impurities in the lower bowel, there are too many ailments to list.</p> <p>Dr. Christopher's Quick Colon Caps helps clear the bowel of toxic waste, encourages normal bowel function &amp; supports the intestinal system. Cautions: Do not use this product when abdominal pain, nausea or vomiting are present. Rectal bleeding or failure to have a bowel movement after use of laxative may indicate a serious problem. Discontinue use and consult your health care provider.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 100 VCaps | \$21.99 | \$13.20  |

| #00164          | DEVA Vegan Colon ASSIST                   | <p>Let's start with the granddaddy of them all: magnesium (as magnesium oxide). This mineral can get things going by drawing more water to the colon while at the same time it may help relax things down there.</p> <p>Vegan Colon Assist gives you an extra 230 milligrams of magnesium in your daily diet. That's over 50% of your daily value.</p> <p><b>Included:</b> Triphala Fruit-Blend Extract (amla fruit, behada fruit, and harada fruit); Aloe vera; Senna (leaf); Slippery elm (bark); Dandelion (leaf); Psyllium Husk (powder); Fennel (seed); Ginger (root); Cinnamon (bark); Clove (buds). These fruit and herbal ingredients act in orchestrated synergy to produce a combined sensation that is greater than what each of them could do on their own.</p>                                                                                                                                                                                                                                                                                                                                                                                            | 90 Tabs   | \$12.99 | \$11.70  |

It is estimated that on the average, Americans eat 12 grams of fiber daily, which is below the recommended daily amount of 25 to 30 grams suggested by the American Heart Association Science Advisory Board.</p> <p><b>Fibersol-2</b><br/>Frontier Fiber contains Fibersol-2 brand fiber, which supports balanced intestinal micro flora and because it is so soluble and less dense, it mixes instantly and does not cause bloating or gas like other fiber products.<br/>Fibersol-2™ brand fiber is:</p> <ul style="list-style-type: none"> <li>• All natural • Sugar-free • Low-calorie • 90% soluble fiber</li> <li>• From digestion-resistant Maltodextrin</li> </ul> <p><b>The Frontier Fiber Convenience!</b><br/>For people on the go 1 serving of 5 grams in your 2 beverages a day will help you meet your recommended daily amount of fiber! Also try it in: Pro Reds, water, juice, yogurt, apple-sauce, oatmeal, pudding, mashed potatoes, juice, and even sauces or soups.</p> <p><b>Superior Fiber Supplement</b><br/>Frontier Fiber is a sugar-free, low calorie, all natural fiber product from digestion-resistant Maltodextrin. Frontier Fiber is a unique fiber formulation; no grit, no lumps, no flavor. It dissolves clearly in any cold or hot drink. It won't change the texture, taste or color of your favorite soft food or beverage. Add Frontier Fiber to water, coffee, soda, yogurt, applesauce, oatmeal, pudding, mashed potatoes, juice and even sauces or soups. The possibilities are endless!<br/>Frontier Fiber is an excellent source of fiber as well as a natural way to support proper bowel function, cholesterol levels and healthy intestinal microflora.</p> | 30 Servings, 6.21 | \$26.50 | \$19.90  |

# CuraLin by CuraLife

## *CuraLin ~ Advanced Glucose Support Natural Support for Type 2 Diabetes*

CuraLin by CuraLife is a dietary supplement designed specifically to help people with type 2 diabetes live normal lives again. It helps them maintain healthy glucose levels without negative effects. It's safe, effective, and has only 100% natural ingredients.

CuraLin is different than anything else available on the market right now, and anything you may have tried in the past.

CuraLin offers people looking for advanced glucose support an effective and 100% natural way to maintain healthy glucose levels.

Each vegan-friendly capsule contains our powerful Ayurvedic formula, free from dairy, gluten, preservatives, and artificial colors & flavors.

### *Curalin...*

- Supports weight loss & metabolism of fats
- Helps the digestion & metabolism of sugars
- Promotes healthy energy levels
- Helps manage the cravings for sugars and other carbs
- Supports healthy blood sugar levels
- Promotes a healthy glycemic response

**Recommended Use:** 1-2 Caps to be taken 3 times daily after each meal.

### INGREDIENTS

**Bitter Melon** – Promotes healthy physiological function in the pancreatic cells, supports glucose absorption, and the sensitivity of the muscle cells to insulin.

**Cinnamon Zeylanicum** – Supports healthy glucose absorption and metabolism, promotes healthy HbA1c and fasting blood sugar, and healthy cholesterol levels.

**Swertia Chirata** – Promotes cellular glucose metabolism, and the release of insulin from the pancreas.

**Turmeric** – Helps to maintain a healthy insulin tolerance, supporting a healthy glucose level.

**Fenugreek** – Promotes insulin production, release, and sensitivity.

**Picrorhiza Kurroa** – Contains an anti-oxidant that helps to promote healthy liver function by protecting the liver from toxins.

**Syzygium Cumini** – Supports healthy physiological function in the liver

**Gymnema Sylvestre** – Contains Saponin, which helps to manage cravings for carbohydrates. Promotes healthy insulin release

**America's Favorite Hemp Company** ~ Always from EU certified hemp seeds.  
Non-GMO. Vegetarian. Gluten Free. Always third party tested.

## Extra Strength Formula

Award winning Extra Strength Softgels are the industry standard and best-selling hemp CBD softgels for over 5 years. Our patented precision molecular distillation process concentrates the pure power of hemp directly into the most celebrated 15mg CBD softgel on earth.

Filled with our Gold Formula full spectrum hemp extract, these award-winning CBD gel caps are our most concentrated way of taking CBD-rich hemp extracts.

Our Gold Formula hemp extract is what makes these our most concentrated way to consume CBD-rich hemp extracts. It takes 10 kilograms of our regular extract, distilled down to produce just 3 kilograms of our concentrated Gold Formula extract.

This is ideal for people who realize that they need higher levels of daily CBD for their health. As for all our CBD products, everything is produced from full spectrum hemp - complete with all the cannabinoids, terpenes, fatty acids, and other healthful components that occur in the hemp plant.

## Maximum Strength Formula

Max Strength contains more CBD per serving than Extra Strength, is a different formula than Extra Strength altogether and is for customers seeking more cannabidiol (CBD) and fewer minor cannabinoids and cofactors.

Our first advice is “start low, go slow.” But the second part is, “don’t be afraid to go high and fly.” MAX STRENGTH was created to meet the growing demand for higher concentrations of CBD derived from Co2 extracted agricultural hemp.

Some people only need 5 mg. of CBD per day. But when tested clinically, CBD is often given in the hundreds of milligrams range. Our Softgel MAXIMUM STRENGTH is the easiest way to get 50 mg. in a full spectrum hemp extract. If you have never tried CBD before, we recommend starting with a lower serving size for the first week or two, to see how it works for you. If these amounts don’t get you the health outcomes you’re looking for, then it’s time for the MAXIMUM STRENGTH Softgels with 50 mg of CBD.

| CODE # | PRODUCT | DESCRIPTION              | COUNT        | Retail   | You Pay! |

## Extra Strength Balm

The cannabinoids produced by the hemp plant interact with the endocannabinoids in our skin to soften, smooth, and beautify. And it’s not only the cannabinoids. Our CBD hemp extract also includes the vitamin E, the terpenes that give the plants their smell and perhaps most importantly, the rich fatty acids that moisturize. Helps many with pain.

- Heart Palpitations
- Vertigo
- Agitation
- Restless Leg Syndrome
- Fibroid Cysts
- AND MUCH MORE!

## Dangers of Caffeine

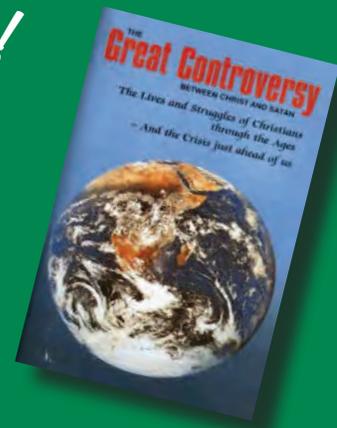

*There is so much information to share about the dangers of caffeine, but I don't have much space, so I'll list only a few of them. I believe caffeine is one of the most dangerous drugs in America, because so few see it as the horrible drug it is and it is so much a part of our American society. Many foods contain caffeine -chocolate, tea, soda & many drugs to name a few.*

- Caffeine does not provide energy - only chemical stimulation, which leads to depression, chronic fatigue, irritability, mood swings & panic attacks.
- Caffeine gives the illusion of heightened alertness by dilating pupils, quickening heart rate & raising blood pressure. It DOES NOT increase overall mental activity.
- Caffeine raises blood pressure, causes adrenal exhaustion, changes the brain bio-chemistry, causes ulcers (even decaf). Causes hormonal imbalances and a long list of health disorders in women.

- Caffeine cripples the liver. If you refuse to give it up, you should take Milk Thistle Extract everyday to protect your liver.
- Caffeine causes birth defects. SIDS is greatly increased in infants whose mothers use caffeine.
- Decaf coffee is no better, it is made by using carcinogenic chemicals and it raises cholesterol more than regular coffee.
- Coffee causes a marked increase in the excretion of uric acid. There is more uric acid in a cup of coffee than in a cup of urine!
- Tea & Cola has the same effect as coffee.
- Caffeine is one reason that diabetes has soared.
- Caffeine significantly increases heart arrhythmias.
- Coffee/caffeine causes gout...very painful arthritis.
- Caffeine causes miscarriages, fetal deaths & lower sperm count.
- Blood pressure many times will drop 20 points when coffee is given up.
- Caffeine greatly increases the chances of breast & bladder cancer in women & prostate cancer in men.
- The fatal dose of caffeine is 10 gms. Many people take 1/10th the lethal dose every day, just by drinking coffee.
- One cup of coffee/day causes 1/4T loss of bone calcium (Osteoporosis) per year in women over 50. That is 14% bone loss every 10 years! Far better than taking estrogen pills & calcium tablets - just quit drinking coffee!

*Free for the Asking!*

As Christians, our goal should be to follow Jesus, to become like Him in character.

How much do you know about the Life of Christ? Jesus said, "Learn of Me..."

We believe this book is one of the best sources to do that, outside of the Bible. **The Desire of the Ages** ~ our favorite book on the Life of Christ!

**CODE #DAPB ~ FREE**

*He is watching over you, trembling child of God. Are you tempted? He will deliver. Are you weak? He will strengthen. Are you ignorant? He will enlighten. Are you wounded? He will heal.*

*The Lord "telleth the number of the stars;" and yet "He healeth the broken in heart, and bindeth up their wounds."*

—*The Desire of Ages*

Anyone with common sense cannot help but sense that the world is upside down. Whether you look at Nations, States, Governments, Churches, Families or Individuals, there is **TROUBLE EVERYWHERE.**

Many are asking, "Where is this all going?" "When will it end?" "What is coming next?" "What is behind all these things happening?" We'd like to offer you a book that will give you Biblical answers to all those questions ~ **The Great Controversy.**

It was written nearly 150 years ago...but as we all know, **TRUTH** never gets old or outdated. The first half of the book is **HISTORY.** You know the old saying, "History repeats itself." If we know **HISTORY,** we'll understand much better what is soon to come upon our World. **NOW** is not the time to be an **OSTRICH** and stick our heads in the sand and pretend that life is going to continue on as it has for generations. We are coming to the end of this world. If you **KNOW** what is coming, you will have a **GREAT ADVANTAGE.**

This book will help you understand history and what is happening right now, and what is coming in the near future.

*Our Lord Jesus Christ came to this world as the unwearied servant of man's necessity... The burden of disease and wretchedness and sin He came to remove. It was His mission to bring to men complete restoration; He came to give them health and peace and perfection of character.*

—Ministry of Healing, pg. 17

# DermaMag ~ Topical Magnesium Spray

Derma Mag was clinically tested at the Mayo Clinic (top ranked US hospital) and contains a unique and proprietary formulation that delivers better results, in less time, than any other form of magnesium on the market today.

Sourced from the ancient underground Zechstein magnesium deposits in Europe, Derma Mag Classic is a 100% natural, clear, fragrance free lotion that has a long shelf life and does not need to be refrigerated.

Designed for external use. Apply to most any skin area, or use in a bath.

| CODE #  | PRODUCT DESCRIPTION         | Size  | Retail  | You Pay! |
|---------|-----------------------------|-------|---------|----------|
| #490189 | Magnesium Oil Derma Mag 15% | 8 oz. | \$22.99 | \$17.25  |

“I’m a different person after using Derma Mag. I have told everyone at our doctor’s clinic what a wonderful product this is and the changes I have seen in my body. This product works! I have tried everything from prescribed medications, passive exercise, over the counters. Nothing has helped me like Derma Mag.”

—Pat of Arlington, Texas, Registered Nurse

“It never occurred to me that magnesium was such a vital mineral for our overall well being. After reading a wonderful book called “The Magnesium Miracle,” I discovered that the best way to absorb magnesium is through the skin by using Derma Mag. I definitely recommend Derma Mag to everyone. I have my whole family using it and cannot stress enough how much change we are experiencing.”

— Catalina of San Antonio, Texas

“Derma Mag did what no doctor and no amount of magnesium supplementation could do!”

— Leann of Leesburg, Virginia

“I am completely sold on your Derma Mag. I have never been a salesman but I could sell your product without a second thought because I am a believer. I truly believe this is a product that will dramatically improve lives. Thank you again and again!”

— Paul of Temple Hills, Maryland

“Overall, I can say that my experience with Derma Mag has been very positive so far. I researched quite a few brands before choosing this one. I was impressed with the quality of your product and was not willing to take the chance of using something that was not pure just to save some money. Thank you for providing a superior product!”

— Karen of Glenville, Pennsylvania

“I have heard about the benefits of magnesium supplements and had tried oral magnesium but found that I cannot take it daily due to stomach upset. So I did some research on the internet hoping to find other alternatives. Was I ever glad to find the Derma Mag product. I started using Derma Mag and was amazed by the results.”

— Jade of Ontario, Canada

“I became interested in Derma Mag after reading various articles indicating that the body absorbs magnesium better through the

skin. I then started searching for a magnesium supplement absorbed through the skin. After reading so many positive testimonials, I figured, what have I got to lose? I am back using my treadmill and feel better than I have felt in years. Thank you Derma Mag.”

— Patty of Laguna Niguel, California

“Derma Mag is absolutely the closest thing to a miracle cure that I have ever tried. I recommend it to all.”

— Felicia of Rancho Santa Margarita, California

“I purchased Derma Mag back in November and am thrilled! Boy does it work! I am definitely a lifetime customer.”

— Diane of Newtown, Pennsylvania

“When I came upon Derma Mag I was truly excited...I did not have to swallow another pill! I ordered my first bottle and could not be happier with the results.”

— Sherry of Ft. Walton Beach, Florida

“I recently started using Derma Mag in order to avoid the unpleasant side effect of supplementing with oral magnesium. My previous supplement contained equal parts of chelated magnesium and chelated calcium. I have replaced that with Derma Mag and an oral calcium supplement. In the first several weeks of use, the Derma Mag has not caused me any unpleasant side-effects.”

— Ray of Frisco, Texas

“All these years of dangerous drugs being put into my body and a single mineral substance like Derma Mag comes along and I found a miracle. No doctor wants to even hear about this. This product has given me back hope. It has saved me from a life in a wheel chair or nursing home. I don’t think people really know how important these magnesium salts are for your health. Derma Mag has saved my life.”

— Nancy of Surprise, Arizona

“This product has been very beneficial in helping me to feel and function much better. I plan on continuing with this great product.”

— Joanne of Cherry Hill, New Jersey

“I apply the Derma Mag before leaving the house and now I’m able to do more things when I go on errands. I have recommended it to others with the assurance that it will help them too. It is well worth the price of one bottle to try it out yourself!”

— Linda of Austin, Texas

# Deva™ Nutrition

DEVA™ Nutrition is the pioneer distributor of unique vitamins, minerals, and food supplements that are suitable for vegans and vegetarians. Founded in 2003, DEVA™ Nutrition has been expanding its distribution network very rapidly. DEVA™ Vegan product line is currently distributed in the US, and overseas.

| #D0044  | <b>DEVA Black Cumin Seed Oil</b>  | In a study conducted by Jawaharlal Nehru Medical College in India, researchers determined just how potent black seed oil is against some of these superbugs and paired it against several antibiotics, such as Amoxicillin, Gatifloxacin and Tetracycline. According to the study, "Out of 144 strains tested, most of which were resistant to a number of antibiotics, 97 were inhibited by the oil of black cumin." <a href="https://draxe.com/nutrition/black-seed-oil-benefits/">https://draxe.com/nutrition/black-seed-oil-benefits/</a> Our black cumin seed oil is cold pressed, unrefined and, comes in non-animal capsules with completely vegan ingredients. | <b>90 VCaps</b> | <b>\$14.99</b> | <b>\$13.50</b> |
| #D00256 | <b>Borage Oil 500 mg</b>          | Borage oil, made from the seeds of the borage plant, is a known nutritional source of the omega-6 fatty acid GLA (gamma linolenic acid) and LA (linoleic acid). GLA is considered an essential fatty acid because the human body cannot make it on its own and it must be obtained by supplementation or diet.                                                                                                                                                                                                                                                                                                                                                         | <b>60 VCaps</b> | <b>\$14.99</b> | <b>\$13.50</b> |

| #D0409  | DEVA Omega-3 DHS-EPA 300 mg             | Made with an Omega-3 rich oil derived from microalgae that is grown outside of the ocean. Softgels are made with 100% vegan ingredients. No gelatin or other animal derived ingredients. Provides both DHA & EPA Omega-3 fatty acids.                                                                                                                                                                                                                                                                                       | 90 VGels | \$39.99 | \$33.00  |
| #D00096 | DEVA Prenatal Multi-Vitamin             | Provides 138% of the recommended daily allowances of folic acid and, over 1500% of the RDV of Vitamin B12 for those who feel taking higher amounts is important for their nutritional goals.                                                                                                                                                                                                                                                                                                                                | 90 Tabs  | \$13.99 | \$12.60  |
| #D66003 | DEVA Vitamin D-3 5000 IU                | Deva Nutrition is excited to introduce its plant (lichen) derived Vitamin D3 supplement that provides 5000 IU (125 mcg) of vegan suitable vitamin D3 (cholecalciferol) per tablet. This new vegan D3 option is important because most commercial vitamin D3 products are made from lanolin, which usually comes from sheep’s wool, something obviously not vegan. However, Deva uses a plant (lichen) derived cholecalciferol in this product for vegans and vegetarians who prefer Vitamin D3 in supplementation.          | 90 Tabs  | \$24.99 | \$22.50  |
| #D00324 | DEVA Vitamin E 400 IU Mixed Tocopherols | <ul style="list-style-type: none"> <li>Vegan Vitamin E with mixed tocopherols</li> <li>Plant Sourced d-alpha.</li> <li>Soy-free, non-GMO Vitamin E, made from sunflowers</li> </ul> <p>This great supplement offers 400IU of Vitamin E with mixed tocopherols derived from a plant source (i.e. non-gmo sunflowers). There are a total of four different tocopherols that are present in our product: D-alpha, D-beta, D-gamma, and D-delta, as opposed to the commonly found single d-alpha supplements on the market.</p> | 90 VCaps | \$27.99 | \$25.50  |

# Douglas Laboratories

Douglas Laboratories has been around a long time and has a very good reputation. They make me list the products at retail here in the catalog, but call me for discount pricing. This is another line that is generally sold in Doctors offices.

| #689145 | <b>V-Vein</b>                       | The herbs in this formulation are specific and time tested in curing varicose veins. The number one herb is Japanese Pagoda flower buds. This herb has been shown to strengthen and fix the permeability of the veins cellular walls. Bilberries support normal formation of connective tissues and protect veins from further damage. Gotu Kola, Ginger and Hawthorne improve peripheral circulation and strengthen cellular tissues. Butcher's broom also contains rutin plus substances called ruscogenins that decrease swelling. Marshmallow root is the best soothing and anti-inflammatory herb. Collinsonia root is the most effective herb for hemorrhoids, which is a terrible type of varicose veins. For best results this product should be used in conjunction with Dr. Christopher's V-Vein Formula Massage Oil. <b>Ingredients:</b> Japanese Pagoda Flower, Bilberry Fruit, Ginger Root, Butcher's Broom, Gotu Kola Leaf, Colinsonia Root, Hawthorn Berry & Marshmallow Root. | \$25.49 | \$14.80 |
| #644102 | <b>Vital Herbs</b>                  | <b>Ingredients:</b> Jurassic Green (Certified Organic Flash-Dried Juice Powder from Alfalfa, Barley & Non-Hybrid Wheat Grass), Dandelion Root, Kelp Plant, Purple Dulse Leaf, Spirulina, Irish Moss, Rosehips, Beet Root, Nutritional Yeast, Cayenne Pepper, Blue Violet Leaf, Oatstraw Herb, Carrot & Ginger Root.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | \$35.49 | \$20.60 |
| #689116 | <b>Winter Season Immune Formula</b> | This is a famous combination of a synergistic herbs of Garlic Bulb, Rose Hips, Parsley Leaves, Watercress herb & Rosemary Leaves which act as an aid to assist in relieving colds, flu, etc.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | \$23.49 | \$13.60 |

| We have decided to discontinue Dr. Christopher's Alcohol Extracts, because we are very much against ALCOHOL intake, even in small amounts. The formulas we kept can be used externally. |                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |       |         |          |
| #634642                                                                                                                                                                                 | Cayenne Extract<br>200,000<br>HU | Cayenne is the purest and most certain stimulant, used medicinally and also as a condiment. This herb is a great food for the circulatory system. It feeds elements that may be lacking into the cell structure of the arteries, veins and capillaries to give them the elasticity of youth again, as the blood pressure adjusts itself to normal. When the venous structure becomes loaded with sticky mucus, the blood has a harder time circulating; therefore, higher pressure forces the liquid through.                                                                                                                                                                                                                                                                                                                                          | 1 oz. | \$20.25 | \$11.85  |
| #689456                                                                                                                                                                                 | Cayenne Extract<br>40,000<br>HU  | Cayenne regulates the flow of blood from the head to the feet so that it is equalized. Cayenne (as a stimulant) is an activator, carrier, and accentuator.<br><br>Cayenne influences the heart immediately, then gradually extends its effects to the arteries, capillaries, and nerves. The frequency of the pulse is not increased, but it is given more power. In equalizing the blood circulation, cayenne produces natural warmth, and in stimulating the peristaltic motion of the intestines, it aids in assimilation and elimination. It rebuilds the tissue in the stomach. It also heals stomach and intestinal ulcers.<br><br>Cayenne is used in nearly all fomentation, plasters, and poultices where speed is necessary, or where quick relief (as in arthritis, rheumatism, bursitis, sore muscles and those types of cases) is desired. | 2 oz. | \$19.49 | \$11.30  |

| #649827 | <b>Echinacea Angustifolia</b>  | Echinacea has been known to enhance the body's ability to prevent the spread of bacteria and viruses. Many herbalists use Echinacea for its ability to build resistance to infections of the respiratory and digestive tracts and strengthen the body's resistance against many common ailments such as bronchitis, the common cold, sore throats, canker sores, cold sores, etc. Shake well before opening. Take 20 drops three times a day or as directed by your Health Care Professional. For optimum results take 1 hour before or after meals as to not compete with digestion.<br><b>Ingredients:</b> Echinacea Root in a base of pure Vegetable Glycerine & Distilled Water. | \$24.75 | \$14.35  |

| #688444 | Cayenne Heat Massage Oil           | Cayenne is a medicinal and nutritional herb. It is the purest and most certain stimulant. This oil is a great food for the circulatory system in that it feeds the necessary elements into the cell structure of the arteries, veins and capillaries so that these regain the elasticity of youth again, and the blood pressure adjusts itself to normal. <b>Ingredients:</b> Cayenne Pepper, Oil of Wintergreen & Menthol Crystals in a base of extra Virgin Olive Oil.                                                                                          | 4 oz. | \$45.25 | \$28.30  |
| #688428 | Complete Tissue & Bone Massage Oil | A synergistic combination of herbs for bones, flesh & cartilage. A great therapeutic massage oil made from Dr Christopher's famous BF&C formula containing over 10 synergistic herbs. This product was formulated to meet the needs of the professional Massage Therapist. The skin is the largest organ of the body and absorbs many nutrients that are applied topically. <b>Ingredients:</b> Extra Virgin Olive & Wheat Germ Oil, White Oak Bark, Comfrey Root, Mullein & Black Walnut Leaf, Marshmallow Root, Wormwood, Lobelia & Skullcap Herb, Gravel Root. | 4 oz. | \$23.49 | \$13.60  |
| #49819  | Glandular System                   | A synergistic blend of time tested herbs for the glandular system. <b>Ingredients:</b> Mullein & Lobelia in a base of extra Virgin Olive Oil.                                                                                                                                                                                                                                                                                                                                                                                                                     | 2 oz. | \$20.75 | \$13.00  |
| #689414 | Oil of Garlic                      | Garlic is an herbal supplement for the circulatory, immune, respiratory and digestive systems. Oil of Garlic has been used historically to treat ear infections. <b>Ingredients:</b> Garlic Bulb in a base of Extra Virgin Olive Oil.                                                                                                                                                                                                                                                                                                                             | 2 oz. | \$19.25 | \$18.85  |
| #49822  | Respiratory Massage Oil            | Every day we breathe in & out about 20,000 times using every aspect of the respiratory system: throat, nose, windpipe & lungs. Many factors including pollutants, irritants, smoking & genetics can cause our lungs to develop problems & our respiratory system will have a harder time filtering out toxins. Helps support the lungs, sinuses & respiratory organs. <b>Ingredients:</b> Mullein Leaf in a base of pure Extra Virgin Olive Oil.                                                                                                                  | 2 oz. | \$21.49 | \$13.40  |
| #49841  | V-Vein Oil                         | V-Vein Massage Oil aids the body with circulation & supports vein health, strength & function. <b>Ingredients:</b> Horse Chestnut Seed, Stone Root, White Oak Bark, Lemon Peel & Rue Herb, In a base of pure Extra Virgin Olive Oil, Evening Primrose Oil, Arnica Oil, Pine Needle Oil & Lemon Oil.                                                                                                                                                                                                                                                               | 4 oz. | \$26.25 | \$15.20  |

| #649708 | Kid-e-Calc   | A wonderful natural calcium formula designed to meet children's specific growing needs. As explained in the book, "Biological Transmutations", the silica in horsetail grass can be converted into calcium in the human body, and the other herbs work in close conjunction with this master calcium herb. <b>Ingredients:</b> Apple Cider Vinegar, Horsetail Grass, Nettle Leaf, Oat Straw & Valerian Root.                                                                                                                                                                                                                                                                                                                                                                     | \$17.75 | \$10.30     |
| #649742 | Kid-e-Col    | A great combination for colic, teething pain, flatulence, spasms, etc.<br><b>Ingredients:</b> Catnip & Fennel Seed.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | \$18.75 | \$10.90     |
| #649705 | Kid-e-Dry    | This formula is specifically for controlling or overcoming bed-wetting and to strengthen the entire urethral canal, kidneys, bladder, etc. <b>Ingredients:</b> Parsley Root, Juniper Berry, Marshmallow Root, White Pond Lily, Gravel Root, Uva Ursi Leaf, Lobelia Herb, Ginger & Black Cohosh Root                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | \$19.49 | \$11.30     |
| #44707  | Kid-e-Mem    | Natural memory support for children. Kid-e-Mem is a great tasting formula used to cleanse, build and increase circulation to the brain. This formula has been used historically to help heal the nervous system tissue, restores memory and strengthens the thought process. It also promotes improved peripheral and cerebral circulation, antioxidant effects for better concentration, etc. We never use alcohol in any of our children's formulas we only use 100% pure vegetable glycerine, made from palm, as a base for all Kid-E-Line products. <b>Ingredients:</b> Ginkgo Leaf, Rosemary Leaf, Brahmi, Gotu Kola, Blue Vervain, Blessed Thistle, Bee Pollen & Jurassic Green (Alfalfa, Barley and Wheat Grass) in A base of pure Vegetable Glycerine & Distilled Water. | \$19.49 | \$12.35     |
| #644701 | Kid-e-Mins   | Liquid Multi for Kids ~ This is a combination of Jurassic Green (Certified Organic & flash dried juices of Alfalfa, Barley & Wheat Grass), Rose Hips, Oatstraw herb, Purple dulse leaf, Ginger root, Dandelion root, Kelp herb, Spirulina, Irish Moss, Beet root, Nutritional Yeast, Cayenne Pepper (40,000 H.U.), Blue Violet herb and Carrot in a base of pure vegetable glycerin with natural orange flavor.                                                                                                                                                                                                                                                                                                                                                                  | \$19.25 | \$11.15     |
| #644700 | Kid-e-Mune   | This formula was designed to enhance the body's ability to prevent the spread of bacteria and viruses. It consists of fresh organic Echinacea Angustifolia, in a base of pure vegetable glycerin with a natural cinnamon flavor. Some research shows that Echinacea has immune stimulant, antiviral, antiexudative, anti-inflammatory, bacteriostatic and fungistatic properties.                                                                                                                                                                                                                                                                                                                                                                                                | \$24.49 | \$14.20     |
| #644709 | Kid-e-Reg    | This formula is powerful enough for effectiveness and gentle enough for safety. It tastes great and is made with only the finest ingredients.<br><b>Ingredients:</b> Slippery Elm Bark, Licorice Root, Fennel Seed, Anise Seed & Fig Syrup.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | \$19.25 | \$11.15     |
| #644705 | Kid-e-Soothe | This formula was designed to calm yet strengthen the body's immune responses. Oftentimes, we believe that we are allergic to certain foods, plants or animals, but in reality our immune system may be just overreacting. This simple combination of Marshmallow root and Astragalus has made life easier for those who suffer from allergies, hay fever, asthma, rheumatoid arthritis or any hyperactive immune response. This extract is in a base of 100% pure vegetable glycerin with natural cherry flavoring.                                                                                                                                                                                                                                                              | \$17.99 | \$10.15     |
| #644710 | Kid-e-Trac   |  This formula has become one of the most popular formulas for mental sharpness and clarity, emotional balance and overall health of the brain and nervous system. Has helped many with ADD, depression & anxiety. <b>Ingredients:</b> Valerian Root, Skullcap Herb, Ginkgo Biloba Leaf, Oregon Grape Root, St. Johns Wort Herb, Mullein Leaf, Gotu Kola Herb, Sarsaparilla Root, Dandelion Root, Lobelia Herb & Jurassic Green (Certified Organic & flash dried juices of Alfalfa, Barley & Wheat Grass) in a base of pure vegetable glycerin with no added natural flavorings.                                                                                                               | \$19.75 | \$11.45     |
| #644704 | Kid-e-Well   | This synergistic herbal blend was designed to help strengthen and assist the immune system of children. This formula is powerful enough to be effective, yet gentle enough to be safe. It tastes great and has been used traditionally during times of cold and flu. <b>Ingredients:</b> Yarrow Flower, Elder Flower, Peppermint Leaf, & Echinacea Angustifolia Root.                                                                                                                                                                                                                                                                                                                                                                                                            | \$19.49 | \$11.30     |

Abstemiousness in diet is rewarded with mental and moral vigor; it also aids in the control of the passions. Overeating is especially harmful to those who are sluggish in temperament; these should eat sparingly and take plenty of physical exercise. There are men and women of excellent natural ability who do not accomplish half what they might if they would exercise self-control in the denial of appetite.

# Dr. Diamond's Formulas ~ Herpanacine

## Herpanacine

### Why has Herpanacine been so effective?

The efficacy of Herpanacine Skin Support is thanks to Dr. Diamond's knowledge and expertise in product development and Natural Medicine. Dr. Diamond designed the unique blend in Herpanacine utilizing the finest quality vitamins, herbs, amino acids and antioxidants including Lysine, A-Beta-Carotene, L-Tyrosine, E-D-Alpha, Selenium, Dandelion, Sarsaparilla, Astragalus, Ligustrum, Echinacea and Zinc in the precise amounts for optimal benefits. The balanced blend works synergistically to support the skin, the immunity and much more. Herpanacine comes in a veggie cap and is completely non-GMO and free of gluten, dairy, corn, yeast, artificial preservatives, flavors and colors.

Even the experts know it works! Word of the efficacy of Herpanacine Skin Support System has been shared over and over and it is widely recommended for nearly two decades in the most popular and well respected natural health reference books in print - *Prescription for Nutritional Healing* by Dr. James and Phyllis Balch and *Healthy Healing* by Dr. Linda Page. Each book has sold several million copies and cover most topics for healthy bodies including natural treatment for **eczema, psoriasis treatment, rosacea treatment and much more.**

Al and I are big believers in this product. Al has psoriasis and has been taking the product for over 5 years with WONDERFUL results, and so has my brother-in-law. I've never seen anything work like this works, for skin issues.

## Etern-L Age Rewind

Aging is a fact of life. And as the saying goes — “Getting older is better than the alternative.” As true as that statement is, it still doesn't mean we should completely give in to the aging process and let ourselves go.

If we can help go through a healthy aging period a bit more gracefully, shouldn't we?

# Dr. Diamond's Formulas ~ Eye Health

## Diamond Eye Health Formula

Dr. Diamond's Diamond Eye Health provides extensive nutritional support specifically formulated for ocular and macular health. Everyday, our eyes are at risk from various stresses including damage by light, computers and other electronics, toxins, pollution and eye strain to name a few. As we age, other damaging factors come from ocular deterioration and result in various diseases including macular degeneration (AMD) and cataracts which are two of the leading causes of visual impairment in the US. Both conditions have an increased risk with age. Helping to preserve the health of aging eyes is exactly why Dr. Diamond formulated Diamond Eye Health! And it's safe and effective for smoking or non-smoking individuals.

Dr. Diamond's Diamond Eye Health offers powerful daily protection to slow the effects of age related degeneration. Scientifically formulated utilizing nearly three decades of knowledge and expertise, Dr. Diamond also used groundbreaking independent clinical trials including AREDS, a 10 year Age Related Eye Disease Study, performed by the National Institute of Health (NIH) on many of our ingredients including Beta-Carotene, Vitamin C, Vitamin E, Zinc and Copper; The Veteran's LAST (Lutein Antioxidants Supplementation Trial) Study and other important trials proving there is an important step that can be taken to help support eye health!!

Studies show Diamond Eye Health's powerful ingredients have an extensive range of benefits including:

- \* Help preserve eye health \*
- \* Slow the progression of Macular Degeneration \*
- \* Improve night vision \*
- \* Beneficial effects for adults suffering from Cataracts \*
- \* Improve circulation of the retina \*

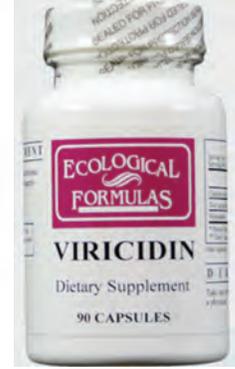

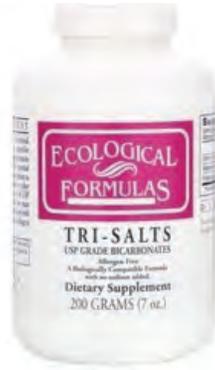

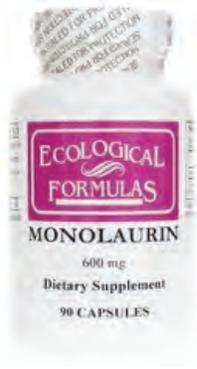

Diamond Eye Health's synergistic blend of vital nutrients include Beta-Carotene, Vitamin C, Vitamin E, Zinc, Copper, Lutein (FloraGLO), Zeaxanthin (OPTISHARP), Bilberry (25% anthocyanins), Eyebright, Citrus Bioflavonoids and Co-Q10.

As with all of Dr. Diamond's formulas, Diamond Eye Health uses all the finest quality, proven ingredients and is manufactured in an FDA licensed facility to the strictest GMP practices.

Further proof of the efficacy of Diamond Eye Health was released in May 2013 after the completion of AREDS 2, a six year study also funded by the National Institute of Health (NIH). In conclusion of the long awaited study, the National Eye Institute, a department of the NIH announced that two of our powerful ingredients - Lutein and Zeaxanthin are effective for eye health as well as in the fight against ocular degenerative disease.

| #TRISA | Tri-Salts                   | Tri-Salts USP Grade Bicarbonates from Ecological Formulas is a nutritional supplement in the form of a powder, designed to neutralize increased acidity in the body. It serves as an efficient sodium-free buffer and a hypoallergenic source of the minerals calcium, magnesium, and potassium.                                                                                                                                                                                                                                                                   | 7 oz<br>200 grams<br>80 servings | \$10.95 | \$9.75  |
| #TAPIO | Vitamin C-1000 from Tapioca | One of the most important vitamins for your immune system is vitamin C.* This water-soluble vitamin is responsible for supporting your defenses, as well as for collagen production. The amount of citrus fruit (or other foods containing the nutrient) that you would have to eat to obtain enough of this powerful antioxidant may be too much to stomach for some people. As a result, a vitamin C supplement may be the best solution for you. Fortunately, Ecological Formulas' Vitamin C-1000 from Tapioca can provide you with the daily support you need. | 90 Caps                          | \$19.95 | \$17.25 |
| #VIRIC | Viricidin                   | Viricidin by Ecological Formulas is a dietary supplement designed to promote healthy immune system response. This potent blend of ingredients includes a mixture of monolaurin, zinc and calcium for optimum immune system support.                                                                                                                                                                                                                                                                                                                                | 90 Caps                          | \$13.95 | \$12.00 |

Food should not be eaten very hot or very cold. If food is cold, the vital force of the stomach is drawn upon in order to warm it before digestion can take place. Cold drinks are injurious for the same reason; while the free use of hot drinks is debilitating. In fact, the more liquid there is taken with the meals, the more difficult it is for the food to digest; for the liquid must be absorbed before digestion can begin. Do not eat largely of salt, avoid the use of pickles and spiced foods, eat an abundance of fruit, and the irritation that calls for so much drink at mealtime will largely disappear.

—Ministry of Healing, 305

Hi Tammy and Better Than Greens,

My name is George and as embarrassing as it is to admit—I suffer from hemorrhoids, the external kind. I had this problem about 3 years ago which ultimately ended in surgery. Why? Because no doctor that I talked with gave me any real advice that worked. Fiber, witch hazel pads, sitz baths, Prep H., blah blah blah—none of it worked. In fact, it only got worse. Surgery cured me—painful, expensive surgery.

Then about 1 month ago—in a flash another external hemorrhoid came back. I was crushed. I was so upset, I was literally near tears at the thought of going back to surgery. I decided this time—I will do my own research and not rely on a doctor's bubble gum advice.

First off, I do not work for Esteem or have any affiliation with them whatsoever. I saw their advertisement on a website and decided to do research on them (along with about 6 other products). I had many doubts and reservations—I mean, how can any product fix a problem that even a doctor could not fix, right?

I ordered Esteem "Beyond Relief" vein and hemorrhoid care from Tammy, and I said to myself, "Well for 20 dollars it will be worth it, even if I only get

some relief". In other words, I wasn't expecting a cure, just "relief" Well, I was SO WRONG.

Within 48 hours—it was shrinking—literally. Within a week it was 1/4 the size it was before. Finally after 3 weeks—it is completely gone. I mean gone! Nothing was there. In fact, I am "better" than before. I am still floored.

I felt obligated to write a review to tell others about what had happened to me and how this Esteem Product literally saved my ass, pardon the pun.

In closing, feel free to contact me personally and ask me about the product. I'll tell it to you straight.

Also, here's one more piece of advice I followed to aid my cure, I read Online to give up eating red meat for 30 days to help further the healing "down there". Red meat seems to be a big cause for hemorrhoids.

Like I said, I'm still a tad embarrassed even talking about this problem—but I would like to help others beat this. It is beatable! I know that now.

George - from Florida [flaook@knology.net](mailto:flaook@knology.net)

| #61580 | Udo's 3.6.9. Oil<br>90 VCaps           | Udo's Oil Caps ~ Looking for a convenient way to soak up the goodness of Udo's Oil® 3•6•9? Udo's Oil® 3•6•9 Blend Capsules are ideal for travelers and people on the go. They contain the omega-3 and omega-6 essential fatty acids (EFAs) your body needs but cannot make on its own. This plant-sourced organic unrefined oil blend is designed to provide a balanced 2 to 1 ratio of omega-3 and omega-6 fatty acids, with natural, unrefined oils from fresh, certified organic flax, sunflower, sesame, and evening primrose seeds as well as oils from coconut, rice, and bran. | \$26.49 | \$22.99  |
| #61582 | Udo's 3.6.9. Oil<br>180 VCaps          | Udo's Oil DHA 3.6.9 Blend ~ Soak up the benefits of DHA, sustainably, with Udo's Oil® DHA 3•6•9 Blend. It combines DHA from unrefined, uncontaminated, sustainably-sourced DHA-rich algae, rather than fish, with Udo's unique oil blend of omega-3 and omega-6 essential fatty acids in a balanced 2 to 1 ratio with omega-9 fatty acids too. DHA supports the proper functioning of our brains as adults, and supports the development of the nervous system in children.*                                                                                                          | \$42.99 | \$37.99  |
| #67997 | Udo's DHA 3.6.9. Oil<br>Blend, 8.5 oz. | Contains organic unrefined seed oils from flax, sunflower, sesame and evening primrose along with organic coconut, rice bran, and oat bran oils, organic soy lecithin, and non-GMO mixed tocopherols                                                                                                                                                                                                                                                                                                                                                                                  | \$31.49 | \$26.69  |
| #67998 | Udo's DHA 3.6.9. Oil<br>Blend, 17 oz.  | Kosher                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | \$53.79 | \$45.69  |

## FIRST AID Must-Haves

Every home should have certain products for Emergency First Aid use. You never know when something bad is going to happen! It's good to always be prepared.

We would like to recommend several products here:

- Activated Charcoal - Page 53
- Colloidal Silver - Page 93
- B&W Ointment - Page 54
- Hydrogen Peroxide - Page 183

# Forever Living Products — Aloe

This is the **BEST Aloe Vera** available! This company owns 90% of the Aloe Vera fields, and most other companies get their raw aloe from them and then dilute it, and add other ingredients.

I have been selling Forever Living Products for over 30 years. You all know I do not like MLM companies.. and yes, FLP is an MLM company. If I could find a better Aloe Vera from a non-MLM company, I would!

This is the **ONLY** MLM company that I sell products for. I do not work it like a MLM, I just sell product. But, if any of you plan to use alot of the FLP products, it would be worth your while to sign up as a distributor (*it is FREE - and there are no obligations*) and that way you would be able to purchase the product at wholesale. Just ask me for a sign-up form when you place your order. You can save up to 48%!

| FLP-022 | Aloe Lips                 | Forever Aloe Lips soothes, smooths & moisturizes chapped & dry lips.                                                                                                                                                                                                                                                                                                                                              | .15 oz.  | \$3.20   |
| FLP-028 | Forever Bright Toothpaste | One of the BEST tooth gels on the market! My all-time favorite Tooth gel! Forever Bright is a gentle, non-fluoride formula combining 100% stabilized aloe vera gel with bee propolis.                                                                                                                                                                                                                             | 4.6 oz.  | \$6.10   |
| FLP-067 | Aloe Ever-Shield          | Aloe Ever-Shield® Deodorant Stick provides effective, all-day protection against underarm odor and can be applied directly after showering or waxing without stinging. Aloe Ever-Shield® glides on smoothly, does not stain clothes, and maximizes the deodorant properties of aloe vera while eliminating ingredients that could be harmful. Aloe Ever-Shield® Deodorant Stick contains no harsh aluminum salts. | 3.25 oz. | \$5.70   |
| FLP-070 | Gentleman's Pride         | An alcohol-free aftershave in a masculine scent. In the form of a smooth, silky lotion, it doubles as a skin conditioner to soothe and replenish the skin after shaving. The Aloe Vera, mixed with special conditioners such as Rosemary and Cucumber, helps to gently soothe the skin.                                                                                                                           | 4 oz.    | \$10.50  |
| FLP-284 | Avocado Face & Body Soap  | Made with 100% pure avocado butter, Avocado Face & Body Soap loves your skin, moisturizing as it cleans with the natural rejuvenating properties of this powerful fruit. Avocado offers relief for almost every skin type, gently cleansing oily skin with no irritation to keep pores clear and healthy. For dry, sensitive skin, it smooths quickly and penetrates to nourish and moisturize.                   | 5 oz.    | \$6.10   |
| FLP-633 | Aloe Liquid Soap          | This pearlescent formula gently washes away dirt and debris with a gentle lather while infusing your skin with moisture from pure aloe vera and an ideal blend of jojoba and other oils for skin that feels fresh and renewed.                                                                                                                                                                                    | 16 oz.   | \$13.40  |

| FLP-318 | Forever Hand Sanitizer         | Forever Hand Sanitizer® with Aloe & Honey is designed to kill 99.99% of germs. The skin-soothing stabilized aloe and hydrating honey soften and moisturize as it cleans – not to mention its pleasing scent of lemon and lavender. And the 2-oz bottle makes it the perfect size for us to have on hand anywhere, any time!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 2 oz.  | \$3.00   |
| FLP-640 | Aloe Jojoba Shampoo            | A new, cleaner formula perfect for all hair types! You'll notice we've cut down on the amount of ingredients we had previously, because these new ingredients are so powerful! Instead of having to rely solely on man-made sudsing agents, our favorite ingredient: Aloe, naturally supplies saponins which help create a gentle lather.<br>An equally important shampoo star is jojoba which gives a keratinizing effect that brings out the hair's natural colors and brilliance.<br>We also recognize that it's important to condition your scalp and hair during shampooing. We're proud to feature our own Forever Essential Oils Lavender, which imparts a soothing fragrance, helps hair's shine and supports the scalp.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 10 oz. | \$16.60  |

| FLP-187 | Forever Alpha-E Factor         | Forever Alpha-E Factor®, our skin-replenishing agent, contains rich ingredients designed to enhance your skin like nothing you've tried before! It moisturizes from within to deliver an ultimate smoothness to your skin for a younger-looking appearance.<br>This light, emollient fluid is fortified with Vitamins A, C and E, Borage Oil and Bisabolol. It is an antioxidant fluid designed to combat free radical damage, which causes 80% of our skin's damage. Alpha-E Factor's foundation is our pure stabilized Aloe Vera gel, with all of its benefits.<br>These special ingredients are uniquely combined into one product: <ul style="list-style-type: none"> <li>• Vitamin E (<i>as Tocopherol and Tocopheryl Acetate</i>) – the 'skin vitamin,' an antioxidant that combats free radical damage, softens and moisturizes.</li> <li>• Vitamin A (<i>as Retinyl Palmitate</i>) – a powerful antioxidant which enhances elasticity while moisturizing and reducing scaliness.</li> <li>• Vitamin C (<i>as Ascorbyl Palmitate</i>) antioxidant which enhances elasticity. Also helps inhibit formation of scar tissue.</li> <li>• Lecithin – an excellent emollient which improves suppleness of the skin.</li> <li>• Borage Seed Oil – provides the skin with gamma linoleic acid (<i>an essential fatty acid</i>) which helps restore moisture.</li> <li>• Bisabolol – a natural, soothing ingredient with a light citrus aroma, suitable for even sensitive skin.</li> <li>• Caprylic/Capric Triglyceride – a natural emollient from coconut oil which moisturizes without the heavy, greasy feel of other oils.</li> <li>• Soybean Oil – A texture-enhancing moisturizer with antioxidant properties.</li> </ul> These natural ingredients are combined with the purest humectants and emulsifiers to create one of the most versatile skin care products ever introduced! | 1 oz.  | \$20.15  |
| FLP-238 | Aloe Scrub                     | Forever Aloe Scrub gently scrubs away dead skin cells and debris that clog pores and dull the skin's appearance, to begin revealing radiant "new", healthier skin.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 4 oz.  | \$11.40  |

| FLP-014 | Aloe Bath Gelée               | Used with our loofah mitt, Aloe Bath Gelée helps remove dead skin cells to reveal smooth, clean skin, while its rich formulation permeates your skin to soothe away dryness.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 8.5 oz. | <b>\$12.90</b> |
| FLP-040 | Aloe First                    | Aloe First® is an excellent addition to any first aid kit. This exclusive skin soothing formula is an excellent first step for soothing minor skin irritations. Formulated in a base of stabilized Aloe Vera Gel, Aloe First® contains Bee Propolis, Allantoin and eleven exclusive plant extracts:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 16 oz.  | <b>\$15.00</b> |
| FLP-051 | Aloe Propolis Creme           | Excellent as a skin moisturizer and conditioner, Aloe Propolis Creme is a rich blend of stabilized Aloe Vera Gel and Bee Propolis, with other ingredients recognized for their contribution to healthy skin. Chamomile, one of nature's best-known skin care herbs, is also added to the mix. Vitamins A and E complete the formula, recognized for their natural skin-conditioning properties.                                                                                                                                                                                                                                                                                                                                                                                           | 4 oz.   | <b>\$14.25</b> |
| FLP-061 | Aloe Vera Gelly               | Historically, a major use of aloe vera was to aid in soothing minor skin irritations. Many households kept a live aloe, or "burn plant" for first-aid use. Essentially identical to the aloe vera's inner leaf, our 100% stabilized aloe vera gel lubricates sensitive tissue safely. Specially prepared for topical application to moisturize, soothe and condition, Aloe Vera Gelly is a thick, translucent gel containing humectants and moisturizers. Readily absorbed by the skin, it soothes without staining clothes. Aloe Vera Gelly provides temporary relief from minor skin irritations. It can also be used on the skin prior to ultrasonic treatment, or after electrolysis. Hairdressers use the Gelly around the hairline to protect the skin before perming and coloring. | 4 oz.   | <b>\$10.50</b> |
| FLP-062 | Aloe Vera Lotion              | Aloe Lotion is a wonderful, all-purpose, skin lotion with a high content of pure, stabilized aloe plus Jojoba Oil and Vitamin E to moisturize and soothe the skin. Collagen and Elastin are added to this fine mix to assist in keeping the skin smooth and supple. It is an ideal choice for applying to dry, chafed, wind-blown or weathered skin.                                                                                                                                                                                                                                                                                                                                                                                                                                      | 4 oz.   | <b>\$10.50</b> |
| FLP-063 | Aloe Vera Moisturizing Lotion | Thicker than our Aloe Lotion, it is ideal for replenishing lost moisture and restoring skin's soft, silky feel. Aloe Moisturizing Lotion is excellent for face, hands and body, helping to counteract the effects of pollution and the environment.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 4 oz.   | <b>\$10.50</b> |
| FLP-064 | Aloe Vera Heat Lotion         | This rich emollient lotion contains deep heating agents to make it the ideal massage companion for tired muscles and dry skin. Aloe Heat Lotion is a pH-balanced, lubricating lotion designed for a soothing, relaxing massage. The deep penetrating power of Aloe Vera will help soothe your muscles after sports or hard workouts!                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 4 oz.   | <b>\$10.50</b> |
| FLP-205 | Aloe MSM Gel                  | When you're looking for soothing relief, reach for Aloe MSM Gel. MSM stands for Methyl Sulfonyl Methane, an organic sulfur found in almost all living organisms. In fact, sulfur is the third most abundant substance in our body. The other main ingredient in Aloe MSM Gel is pure, stabilized Aloe Vera. Aloe MSM Gel combines these two powerful ingredients with herbal extracts and other select ingredients for soothing relief anytime.                                                                                                                                                                                                                                                                                                                                           | 4 oz.   | <b>\$13.40</b> |
| FLP-617 | Aloe Sunscreen                | Combining modern science with natural ingredients, this effective sunscreen helps to soothe, lubricate, moisturize and protect the skin against sun damage. With an SPF of 30, Aloe Sunscreen blocks both UVA and UVB rays, while this silky, smooth lotion made with pure stabilized Aloe Vera Gel, rich moisturizers and humectants, maintains the skin's natural moisture balance. <ul style="list-style-type: none"> <li>• High SPF for more sun protection</li> <li>• Moisturizes skin to prolong your tan</li> <li>• Strong, water resistant formula which retains its SPF up to 40 minutes after water activity</li> <li>• Safe and gentle enough for children</li> </ul>                                                                                                          | 4 oz.   | <b>\$14.80</b> |

| FLP-715 | Aloe Vera Gel                                                                                             | Imagine slicing open an Aloe leaf and consuming the gel directly from the plant. Our Forever Aloe Vera Gel™ is as close to the real thing as you can get. A product of our patented aloe stabilization process, our gel is favored by those looking to maintain a healthy digestive system and a natural energy level. The first to receive certification by the International Aloe Science Council, this rich cocktail of pulp and liquid authenticates this product just as nature intended. Taken daily, either alone or mixed with pure fruit juice, it is one of the best health drinks available!                                                                          | 33.8 oz.    | \$16.50  |
| FLP-734 | Aloe Berry Nectar                                                                                         | Forever Aloe Berry Nectar™ contains all of the goodness found in our Forever Aloe Vera Gel™, plus the added benefits of cranberry and apple. Besides their reputation as a cleanser for the urinary tract, cranberries provide a high content of vitamin C. They are also a natural source of healthful proanthocyanidins. Apple juice contains many flavonoids as well as pectin.                                                                                                                                                                                                                                                                                               | 33.8 oz.    | \$16.50  |
| FLP-777 | Aloe Bits N' Peaches<br> | <u>MY FAVORITE!</u> Forever Aloe Bits N' Peaches® provides another great taste to enjoy with its 100% stabilized aloe vera gel and just a touch of natural peach flavor and peach concentrate. A taste sensation like no other, it contains pure chunks of aloe vera, bathed in the flavor of sun-ripened peaches.                                                                                                                                                                                                                                                                                                                                                               | 33.8 oz.    | \$16.50  |
| FLP-200 | Aloe Blossom Tea                                                                                          | Unwind with Aloe Blossom Herbal Tea®. This natural caffeine-free blend of leaves, herbs and spices tastes great hot or iced.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 25 Bags     | \$12.65  |

| FLP-036 | Forever Royal Jelly                                                                                       | Royal Jelly is a substance derived from the pharyngeal glands of the honey bee. This “super food” of the bees is specially blended with enzymes and fed to each bee destined to become a queen. It is the exclusive food of the queen bee throughout her highly productive life, enabling her to lay up to 3,000 eggs per day during her six-year lifespan. Worker bees eating ordinary honey live only four to six weeks. Royal Jelly can help support the immune system, increase energy, and benefit the skin and hair.<br><br>* Boosts energy and supports the immune system<br>* Easily absorbed and readily digestible<br>* No preservatives, artificial colors or flavors | 60 Tablets  | \$27.60  |

| FLP-071 | Garcinia Plus | <p>Specialists in plant compounds became aware of the remarkable qualities of this substance in the late 1960s, when they learned that it can temporarily inhibit the body's production of fats from carbohydrates. During the normal metabolism of a meal, carbohydrate calories that are not used immediately for energy or stored as glycogen are converted into fats in the liver. Garcinia works by inhibiting the enzyme (citrate liase) which converts these calories into fat. As a result, the body will burn existing fat stores, thus aiding in weight loss.</p> <p>When enough glycogen has been created and stored in the liver, a message is sent to the brain indicating sufficient food has been taken. This action is called a satiety reflex, and quells the appetite, reducing the desire for more food.</p> <ul style="list-style-type: none"> <li>* Contains a natural appetite suppressant</li> <li>* Temporarily inhibits the enzyme that converts calories into fat</li> <li>* A useful tool in weight management</li> </ul> | 70 Softgels | \$26.23  |
| FLP-289 | Forever Lean  | <ul style="list-style-type: none"> <li>* Helps block the absorption of calories from fat and carbohydrates</li> <li>* Chromium helps the body regulate blood sugar for a normal metabolism</li> <li>* Temporarily inhibits the body's absorption of calories from sugar</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 120 Caps    | \$23.00  |

# GAIA Herbs

We are so happy about being able to bring GAIA Herbs to you!

They have been around for decades, and their products are top of the line. One thing I love about their products is that most of them are LIQUID EXTRACTS (even the ones in the Vegan Gel Softgels), they are CONCENTRATED, so they work faster & better.

Another thing I love about them is their FORMULAS. You can have the greatest ingredients in the world but if you don't put them together in the right proportions, you won't have a very good product. GAIA knows how to combine herbs to get the best results. All their products are in Vegan Softgels.

I've sorted their products into Categories so that you can find what you are looking for easier. And our prices are as low as they will let us go. Please don't hesitate to call with any questions.

**Buy any 12 GAIA products, Mix & Match, and take 10% extra off.**

| 90A40060  |  Hair Skin & Nail Support | Vibrant skin, lustrous hair and strong nails are all key components of overall health and beauty. Gaia Herbs Hair, Skin & Nail Support contains a harmonious blend of herbs including Horsetail, Alfalfa, Burdock root, Gotu Kola, and Gaia-grown® Nettle leaf—all rich in minerals that promote the healthy growth of hair, skin and nail tissue.                                                        | 60 Ct.  | \$29.99 | \$23.99  |
| #90E01050 |  Resveratrol, 150         | Remember those studies suggesting that red wine is good for you? Well it turns out, the reason why is because of the Resveratrol (not the wine), a compound that may have many therapeutic benefits, including antioxidant support for a clear and healthy glow. Resveratrol 150 supports aging gracefully. Made with ethically harvested Japanese Knotweed to provide 150 mg trans-Resveratrol per dose. | 50 Caps | \$24.99 | \$19.99  |

| 90J07085 |  Floradix Gallexier Herbal Bitters Alcohol-FREE | Traditionally used in Herbal Medicine as a digestive tonic to increase appetite and aid digestion. Helps reduce indigestion, gas pains and flatulence. Improves fat digestion and absorption of fat soluble nutrients. Helps the liver function optimally. The gentian and ginger found in Gallexier are traditionally used in Herbal Medicine to help relieve nausea. It is also helpful for those with sweet cravings, as the bitter taste helps to correct this imbalance.                                                                                           |  | 8.5 oz  | \$27.99 | \$22.39 |
| 90C10050 |  Gas & Bloating                               | Digestive issues can be embarrassing and inconvenient. Our Gas & Bloating capsules work quickly to reduce occasional gas, bloating and that feeling of heaviness that can occur after meals. With activated Charcoal and Fennel plus a calming blend of Caraway, Chamomile, Peppermint, Licorice, and Star Anise. This formula helps support those times when you occasionally overdo it with food and drink.                                                                                                                                                           |  | 50 Ct.  | \$24.99 | \$19.99 |

| 90C40040 |  Turkey Tail       | Turkey Tail mushrooms get their name due to their resemblance to the feathers on a turkey's tail. In Traditional Chinese Medicine and Native American herbalism, Turkey Tail mushrooms have long been used to support immune health. It is the best-studied type of traditional mushroom and is prized for its concentrated production of beta glucans. Today, Turkey Tail is a popular choice for daily support for healthy liver function, aiding your body's natural cleansing process, and providing natural antioxidant support. 100% fruiting bodies — no fillers, starch, grains, or mycelium. 100% organically grown and sustainably sourced mushrooms. 5x strength: each capsule = 2,500 mg of dry mushrooms. Hot water and dual extracted mushrooms for optimal bioavailability, absorption, and digestibility.* |  | 40 Ct.  | \$29.99 | \$23.99 |

| 90A21060 |  Saw Palmetto             | The prostate grows naturally with age, usually without problems. In some men, the enlarged prostate compresses the urethra, making urination difficult and causing frequent urination. Gaia Herbs Saw Palmetto is made with a concentrated single herb extract traditionally for maintaining healthy prostate function. Saw Palmetto berry has been used for over 150 years in North America as a complete genital and urinary tonic for men. Traditionally for maintaining healthy prostate function. Helps you continue to go with ease. |  | 60 Ct.  | \$30.99 | \$24.79 |

# Kyolic Garlic

Kyolic's aging process is quality assured from soil to shelf. The production process is controlled by over 250 stringent quality checks to ensure its safety and efficacy.

Our manufacturing facility conforms to cGMP (Good Manufacturing Practice) guidelines in addition to ISO 9001:2015 and other international standards demonstrating our company's commitment to the Quality Management System as audited by Intertek®.

Over forty-seven years of clinical research have documented the numerous benefits of Kyolic Aged Garlic Extract including:

- Lowering blood pressure and cholesterol levels
- Inhibiting the accumulation of "soft" unstable plaque
- Enhancing circulation
- Easing stress
- Slowing the progression of coronary artery calcification
- Decreasing blood platelet adhesion and aggregation
- Supporting immune function
- Reducing the risk of gingivitis
- Improving gut microbiota

*It supports cardiovascular health, immune health, gut health and more in a way that raw garlic just cannot.* Odorless capsules (liquid or tablets) are convenient and allow for better compliance – taking it every day for better health is easy.

Kyolic Aged Garlic Extract is the most clinically researched garlic supplement on the market. To date, it has been the subject of more than 870 peer-reviewed scientific articles from prestigious universities and research institutes from around the world, documenting both its efficacy and an unparalleled safety record. With Kyolic Aged Garlic Extract's foundation in science, consumers can have confidence in every bottle they buy.

That's the Kyolic difference.

# Article: Alcohol, Smoking & Chewing Tobacco

An estimated 95,000 people (*approximately 68,000 men and 27,000 women*) die from alcohol-related causes annually, making alcohol the third-leading preventable cause of death in the United States. The first is tobacco, and the second is poor diet and physical inactivity.

<https://www.niaaa.nih.gov/publications/brochures-and-fact-sheets/alcohol-facts-and-statistics>

We have talked about the importance of a healthy diet and exercise throughout this catalog, but we haven't spent much time on Alcohol, Smoking or Chewing Tobacco. I think we'd be negligent if we didn't encourage those who drink and smoke and chew to break away from these health destroying, expensive and terrible vices. I know I'm going to step on some toes here, but I hope that in that process, if you are a user of any of these things, that your conscience will be pricked and you will desire to be set free from their bondage, and that someday not far down the road, you won't be angry with me, but instead, you will thank me for shining the spot light on these things and helping you to see that our bodies truly are "the temple of the Lord" (1 Corinthians 6:19) and that God says that if we destroy our bodies, He will destroy us. (1 Corinthians 3:17.)

## ALCOHOL

### The 3<sup>rd</sup> leading cause of preventable death

What claims 50 times more lives than all the illegal drugs combined? What destroys 1 in every 4 families in America? What kills over 200,000 Americans each year? Is it crack? Is it cocaine? Could it be heroin?

No, the undisputed heavy-weight champion of the drug world and number one killer of Americans is ALCOHOL!

### THANKS TO ALCOHOL . . .

- There are over 18 million alcoholics in America
- Cirrhosis of the liver kills over 30,000 each year and rising
- 50 percent of the people on welfare are due to killer alcohol

- 80 percent of all fire deaths are due to killer alcohol
- 65 percent of the drownings
- 22 percent of home accidents
- 77 percent of falls
- 36 percent of pedestrian accidents
- 65 percent of all murders
- 40 percent of all assaults
- 35 percent of all rapes
- 30 percent of other sex crimes
- 30 percent of all suicides
- Over 80 percent of all arrests are linked to killer alcohol!

Alcohol destroys the liver and damages the brain. There is no "safe" amount of alcohol to drink. The ONLY safe practice is to NOT drink at all.

## SMOKING

### The 1<sup>st</sup> leading cause of preventable death

My mother-in-law started smoking when she was 9 years old. When Al and I got married, she was smoking 3 packs a day. 25 years later, she died from COPD. The MEDIA is so deceptive, they show these handsome manly men in their smoking ads but they never show you pictures of men on their deathbed,

hooked up to oxygen machines which is how many die who smoke.

I very much doubt that there are many people who need to be convinced of the harm of smoking these days, so we'll spend a little time on the habit of CHEWING now.

## CHEWING

### The Risks: Chewing Tobacco vs. Cigarettes

Some people who have been persuaded to give up smoking have ended up placing the tobacco directly inside their mouth instead—in the mistaken belief that smokeless tobacco (a.k.a. spit tobacco, chew, chaw, dip, plug, etc.) is less toxic and dangerous. In 2016, about 3% of American adults used spit tobacco. This percentage is likely to increase as more public establishments enforce smoking bans across the country, alongside the rise in vaping, which can also have many harmful side effects.

Users can get their tobacco fix by “dipping” snuff (a fine tobacco, either moist or dry is held between the bottom lip or cheek and gum) or chewing (a wad of leaves, either shredded, twisted or in brick form, is placed between the cheek and gum). If you hold an average-sized plug in your mouth for 30 minutes, you’ll end up with as much nicotine as if you had smoked four cigarettes.

What are the health risks of chewing tobacco as compared to smoking?

Smokeless tobacco includes more than 28 cancer-causing substances, including the tobacco-specific carcinogen nitrosamines. Some products also contain more than 3,000 chemicals. But that’s not all: Because tobacco often has an unpleasant taste, smokeless brands tend to be loaded with sugar, and that leads to tooth decay. The gritty material in the tobacco leaves wears down the surfaces of the teeth, stains the enamel and scratches the soft tissues in the mouth, allowing the nicotine and other chemicals to enter the bloodstream directly. As an added bonus, your gums will likely recede, and you’ll develop oral lesions, a black

hairy tongue and bad breath. Some smokeless tobacco products also contain salt that can raise blood pressure in vulnerable persons and may cause kidney disease.

I haven’t even mentioned cancer yet: Long-term snuff users have a 50% higher incidence of cancer of the mouth and pharynx, as well as more malignancies of the larynx and esophagus.

And here’s something you may not have considered: Tobacco chewers must spit—and thereby spread their germs to the rest of us. (About one in three Major League baseball players chew, and if you’ve ever watched a ballgame, you know it’s not pretty.)

The bottom line? If you chew, you have not kicked the nicotine habit.

<https://parade.com/47772/parade/the-risks-chewing-tobacco-vs-cigarettes>

Some people will cry, “*Moderation in everything!*” That is one of the biggest lies ever. I hope no one reading this thinks it’s okay to use cocaine moderately. And the same thing goes for meth and heroin. Well, alcohol and nicotine are drugs, too, and for some who use them, they are just as hard to quit as are the harder drugs, sometimes even harder. All of these drugs affect the mind, and it is through the mind that God reaches us and communicates with us. We need to do all we can to keep the mind in the clearest and best condition possible.

If you are addicted to alcohol or tobacco or other drugs, don’t be discouraged. Take heart! God wants to free you from your addiction and make you healthy, physically, mentally and spiritually. Ask for the free book we offer called, *The Ministry of Healing*. There is a chapter in it that will bring great hope and encouragement to you. “The good resolutions made in one’s own strength avail nothing. Not all the pledges in the world will break the power of evil habit. Never will men practice temperance in all things until their hearts are renewed by divine grace. We cannot keep ourselves from sin for one moment. Every moment we are dependent upon God.” *Ministry of Healing*, 179.

Before my husband was a Christian, he was an alcoholic and heavy drug user. He’s been free from the slavery of addiction now for over 40 years. He knows that the ONLY SAFE COURSE is 100% total abstinence.

I hope and pray that this section of the catalog has not made you angry, but rather has inspired you to break free and help others break free, too.

# Golden Eagle Herbal Chew

Tobacco in any form is unhealthy. Our goal is to try to help our customers break bad habits. Smoking and chewing tobacco causes cancer and many other horrible health problems. We'd like to offer you an alternative to chewing tobacco ~ *Golden Eagle Herbal Chew*. It is made from ALL natural healthy herbs...it is NON-ADDICTING... NO TOBACCO or NICOTINE...there are 5 flavors. Each container is 1.2 oz. and there are 20 servings per container. **10% Discount when you purchase a roll of 10.**

“Just wanted to tell all of you THANK YOU! I recently learned of Golden Eagle from a good friend of mine that used your product to stop dipping, and thus far he has been successful in doing so. I started smoking when I was 18 and began dipping when I was 19 to quit smoking. I am now 26 and through my friend have been using your Cinnamon Chew to help curb my habit. Just yesterday I received my very own order from ya'll of 40 cans. Your product is well on its way to changing my life back to a healthy productive lifestyle. I can't thank you enough for what ya'll do.”

— Beyond Satisfied Customer!! *Joshua Y*

## Dangers of Chewing Tobacco

- **Addiction.** Because smokeless tobacco contains nicotine, you can get addicted, just as you can with cigarettes and other tobacco products. Your body may actually absorb as much nicotine from chewing tobacco or snuff as it does from cigarettes. Just as with smoking, withdrawal from smokeless tobacco causes signs and symptoms such as intense cravings, increased appetite, irritability and depressed mood.
- **Cancer.** Your risk of certain types of cancer increases if you use chewing tobacco or other types of smokeless tobacco. This includes esophageal cancer and various types of oral cancer, including cancers of your mouth, throat, cheek, gums, lips and tongue. You also face increased risks related to pancreatic cancer and kidney cancer.
- **Cavities.** Chewing tobacco and other forms of smokeless tobacco cause tooth decay. That's because chewing tobacco contains high amounts of sugar, which contributes to cavities. Chewing tobacco also contains coarse particles that can irritate your gums and scratch away at the enamel on your teeth.
- **Gum Disease.** The sugar and irritants in chewing tobacco and other forms of smokeless tobacco can cause your gums to pull away from your teeth in the area of your mouth where you place the chew. Over time you can develop gum disease, which can be severe enough to destroy the soft tissue and bone that support your teeth (periodontists) and lead to tooth loss.
- **Heart Disease.** Smokeless tobacco increases your heart rate and blood pressure. Some evidence suggests that long-term use of smokeless tobacco increases your risk of dying of certain types of heart disease and stroke.
- **Precancerous Mouth Lesions.** Smokeless tobacco increases your risk of developing small white patches called leukoplakia inside your mouth where the chew is most often placed. These mouth lesions are precancerous—meaning that the lesions could one day become cancer.

| #6968  | <b>BetterStevia<br/>Balance</b>                                   | The "Balance" in BetterStevia Balance™ comes from Inulin and Chromium. Inulin, a fructooligosaccharide from chicory, is a non-digestible soluble fiber that can be utilized for nourishment by the probiotic bacteria in the gut. Chromium, a dietary mineral, is included due to its essential role in the body's metabolism of glucose, further supporting the low glycemic properties inherent in BetterStevia™ Balance.*                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 100 Pkts                    | <b>\$7.70</b>  |

| #6906  | Agave Nectar, Light, Organic | NOW Real Food® Organic Light Agave Nectar is a versatile liquid sweetener with a taste similar to honey. Its mild flavor makes it ideal for use in many culinary applications, and it's a good substitute for honey and maple syrup. Agave nectar (also called agave syrup) is minimally processed using low temperatures and has a low glycemic index.                                                                                                                                                                         | 23.2 oz. | \$6.99  | \$6.50   |
| #6915  | Coconut Sugar, Organic       | Healthier Alternative to Table Sugar - * Low Glycemic Impact * Sustainably Harvested * Naturally Sweet<br>NOW Real Food® Organic Coconut Sugar is a minimally processed natural sugar with a low glycemic impact and a mild sweetness and flavor similar to brown sugar. Unlike table sugar Coconut Sugar has naturally occurring vitamins, minerals, and amino acids, making it a healthy substitute for sugar in almost any dish. NOW Real Food® Coconut Sugar can be substituted 1:1 for table sugar in recipes.             | 1 lb.    | \$5.69  | \$5.30   |
| #6927  | Erythritol Natural Sweetener | Erythritol is a naturally occurring sugar alcohol derived from corn and is naturally found in small amounts in various plants, fruits and fungi, including mushrooms. It contains virtually no calories (95% less calories than table sugar), has a low glycemic impact, and doesn't contribute to tooth decay. Basically all the bad things about sugar are absent in Erythritol, yet it tastes just like sugar and is about 70% as sweet.                                                                                     | 1 lb.    | \$7.99  | \$7.75   |
| #7140  | Manuka Honey                 | Delightfully sweet, rich and creamy, our manuka honey comes from hardworking bees collecting nectar in New Zealand's pristine forests. The creaming process creates a smooth, thick, robust honey that's a superb addition to tea, smoothies, granola or a tasty spread on toast or an apple.<br>This MGO 250 honey is guaranteed to contain at least 250mg/kg of methylglyoxal (MGO) <ul style="list-style-type: none"> <li>• Spreadable</li> <li>• Monofloral</li> <li>• MGO 250</li> <li>• Product of New Zealand</li> </ul> | 8.8 oz   | \$24.99 | \$22.40  |

| #7212  | <b>Alfalfa Seeds</b>                                                                | Alfalfa Seeds are the most popular form of sprouting seeds and can be used in salads, sandwiches, chop suey and cooked dishes.                                                                                                                                                                                                                                                                              | 12 oz                      | \$9.99  | \$9.25   |
| #7215  | <b>Broccoli Seeds</b>                                                               | Did you know that broccoli sprouts naturally have about 50 times more sulforaphane potential than broccoli florets? They're also a good source of fiber.                                                                                                                                                                                                                                                    | 4 oz.                      | \$5.99  | \$5.00   |
| #7250  | <b>Mung Beans</b>                                                                   | Mung Beans are one of the most popular sprouting products in use today. NOW Real Food™ Mung Beans are an excellent source of fiber and protein, making them a good meat substitute for vegetarians and vegans. Mung Beans have a mildly sweet flavor and are widely used in Asian cuisine.                                                                                                                  | 16 oz.                     | \$5.99  | \$5.00   |
| #7271  | <b>Sprouting Mix</b>                                                                | Clover, Fenugreek and Radish Seeds                                                                                                                                                                                                                                                                                                                                                                          | 16 oz.                     | \$7.99  | \$7.50   |
| #7320  | <b>Citric Acid Powder</b>                                                           | If you're into sprouting then you're already familiar with Citric Acid, a natural preservative typically found in citrus fruits such as lemons and limes. Citric Acid helps to inhibit the formation of mold and other bacterial growth, an all-too-common occurrence when sprouting in a jar due to high temperatures and humidity. Citric Acid is also useful for canning vegetables and fruit preserves. | 4 oz.                      | \$4.99  | \$3.20   |
| #7321  |                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                             | 16 oz.                     | \$12.99 | \$10.40  |

# Health Guardian

## Cardio For Life®

**Cardio For Life® is an All Natural Solution for Cardiovascular Health that addresses all your heart needs at once.**

- **CardioForLife®** is an all natural supplement designed to help with cardiovascular disease.

- **CardioForLife®** combines arginine with **Grape Seed Extract, Resveratrol, CoQ-10, Omega-3 from Perilla Oil,** and many other

vitamins and minerals to help support a healthy heart and endothelium. As the **Nitric Oxide** does its work, the powerful antioxidants in this blend begin to rebuild the aged arteries in your body. With **CardioForLife®** you have a unique and powerful combination at an affordable price!

- **CardioForLife®** powder comes in four delicious flavors - GRAPE, ORANGE, PEACH and PINA COLADA. It dissolves quickly and easily in water. **CardioForLife®** is also available in a BERRY chewable.
- More than 7 million Americans suffer from coronary heart disease (CHD), the most common form of heart disease. Regardless of your age or condition, adding CardioForLife® to your daily regimen will dramatically improve your cardiovascular health.
- **CardioForLife®** has been the top-selling Arginine product in the marketplace for more than six years. Formulated by Dr. Harry Elwardt, N.D., Ph.D. and best-selling author of "Let's Stop the #1 Killer of Americans Today", Dr. Harry believes together we can slow and potentially reverse heart disease. Reduce gas and bloating.
- **Nitric Oxide** has shown promise in the prevention of **arteriosclerosis (blockage of the arteries)**, as well as **arteriosclerosis (hardening and thickening of the arteries)**. The L-arginine used in **CardioForLife®** is pure 100% free form arginine and is the precursor for **Endothelium-Derived Nitric Oxide (EDNO)**. Dr. Ignarro and his partners were awarded the Nobel Prize for discovering **nitric oxide's** role as a **vasodilator**.

## HG Cleanse®

With the typical American diet dangerously depleted of fiber, and consisting of large amounts of fatty meats, processed foods, refined sugars, and many toxic chemicals, regular colon cleansing is becoming an absolute necessity. **HG Cleanse®** not only cleanses the colon, it also supports intestinal health, relieves constipation, and helps with weight loss. **HG Cleanse®** is a 3-in-1 formulation, with fiber for cleansing, herbs to remove parasites, and probiotics to support gut health.

- **HG Cleanse®** is a safe, proven effective, all natural colon cleanse that works equally well for both men and women.
- **HG Cleanse®** is a powder that mixes well in water, is orange flavored and tastes great!
- **HG Cleanse®** contains fiber to support digestive health and promote regularity and healthy bowel movements.
- **HG Cleanse®** contains vital herbs that have been traditionally used for digestive cleansing and removing parasites.
- **HG Cleanse®** contains probiotics, which are cultures of friendly (good) bacteria to help balance the flora of the intestines and colon and keep bad bacteria in check.
- **HG Cleanse®** not only cleans and scrubs, but can also draw out old fecal matter and toxins, stop bleeding, disinfect, kill and expel parasites, kill candida albicans overgrowth (*which is a major contributor towards Irritable Bowel Syndrome and Crohn's disease*), help regulate and balance intestinal flora, remove toxic metals (*such as lead, mercury, radioactive metals*) and strengthen the muscles of the colon to promote normal bowel movements and therefore help to heal spastic colon.

### BY REGULARLY TAKING HG CLEANSE® YOU WILL:

- Lose weight and flatten your stomach
- Flush out hazardous toxins and waste matter
- Eliminate constipation
- Reduce gas and bloating
- Boost your metabolism
- Boost your energy levels
- Have healthy looking skin, hair, and nails
- Enjoy better breath and less body odor
- Absorb other nutrients better adding to a healthier you

# Hydrogen Peroxide - Food Grade

*~There are many uses for Hydrogen Peroxide~*

**Kitchen:** Cleaning counters, appliances, etc.; In the Dishwasher; Soaking Fruits & Vegetables; Meat Tenderizer & Disinfect Bacteria; Soaking & Sprouting Seeds.

**Personal Use:** Natural Highlights; Ear Infections/Colds/Sinus; Nasal Spray; Foot Soaks & Fungal Conditions; Douche; Enema; Colonics; Cleansing Baths; Detoxifying Baths.

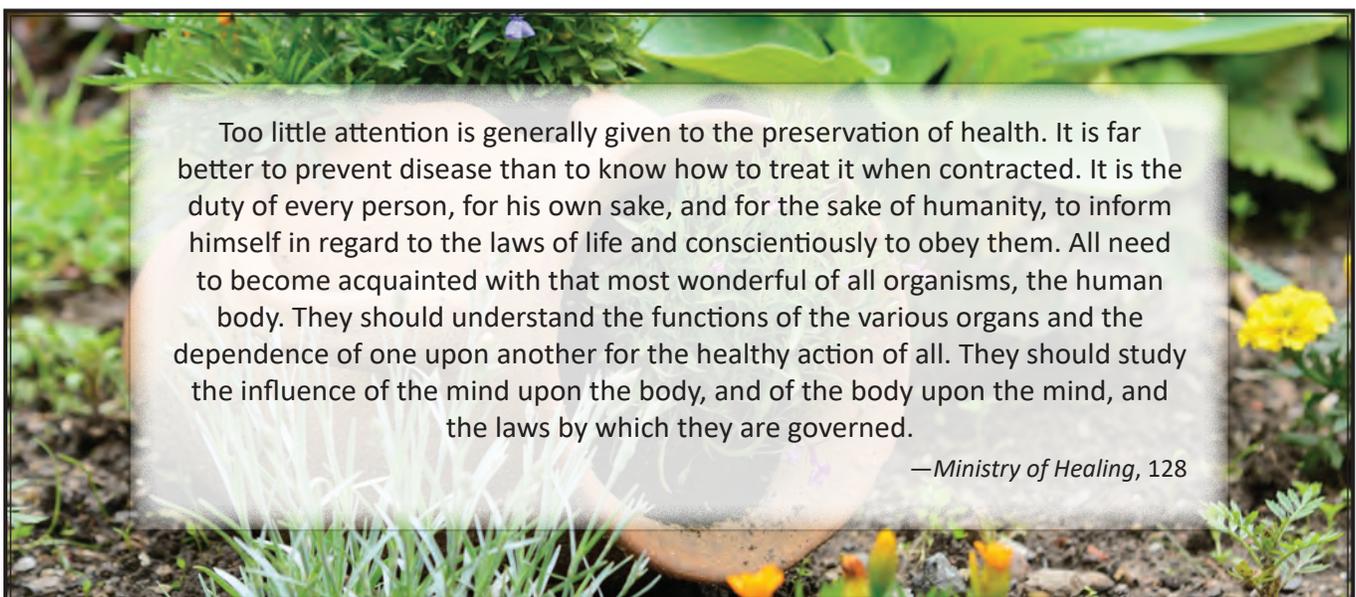

**In the Bathroom:** Cleaner; Body Spray; Facial Cleanser/Freshener; Mouthwash; Toothpaste; Deodorant.

**In the Home:** Humidifier/Vaporizers; Laundry; Blood Stain Remover; Houseplants; Hot Tub.

**In the Garden:** Plants/Garden/Fruit Trees Spray; Fungus/Mold control for roses & vegetables; Insecticide Spray.

**On the Farm:** Drinking Water; Udder Wash for Milking; To Prevent Spoilage; Drenching

# Immune Assist

## The Most Powerful Organic Medicinal Mushroom Supplement Available for Supercharging your Immune System!

IMMUNE-ASSIST™ Critical Care Formula includes a combination of more than 200 different polysaccharides, derived from the enzymatic breakdown of complex organic plant material from six different species of organically grown medicinal mushrooms. These include *Agaricus blazei*, *Cordyceps sinensis* and *Cordyceps militaris*, *Lentinula edodes* (shiitake), *Grifola frondosa* (maitake), *Ganoderma lucidum* (Reishi), and *Coriolus versicolor*. Immune-Assist

Critical Care Formula™ contains 600 mg per vegetarian capsule and is made in USA using only USDA-certified organic materials.

IMMUNE-ASSIST™ Critical Care Formula contains simple polysaccharides similar to many other products on the market, but it also contains much more complex polysaccharides like the cross-linked beta-mannans and beta-glucans, as well as which combine both alpha- and beta-bound monosaccharides into the same molecule. This is a major reason that Immune-Assist shows such a greater range of immuno-modulation bioactivity than other supplements. Included among the important substances in Immune-Assist™ Critical Care Formula are Arabinoxylane, Lentinan, Grifolan (Dr. Nanba's original Maitake D-Fraction), PSK and PSP, and Active Hemicellulose Correlated Compound (AHCC).

### Benefits of Immune Assist™ Critical Care Formula

Human, animal, and *in vitro* studies confirm that the ingredients in **immune assist** critical care formula consistently supports the body and effectively boosts immune system function in the following ways:

1. Stimulates cytokine (il-2, il-12, TNF, and interferon) production, which stimulates immune function
2. Increases natural killer (NK) cell activity
3. Increases the formation of explosive granules within NK cells
4. Increases the number and the activity of lymphocytes, specifically increasing T-cells
5. Increases interferon levels and stimulates NK cell activity
6. Increases the formation of TNF, a group of proteins that help destroy out-of-balance cells
7. It is rich in adenosine and amino acids necessary for the production of ATP

### Applications in Which Immune Assist™ Critical Care Formula May Be Useful

1. Recurrent infections, such as colds, flu, and parasites,
2. Peptic ulcer,
3. Slow healing wounds,
4. Digestive problems,
5. Hepatitis,
6. Multiple sclerosis,
7. Abnormal growths
8. Autoimmune conditions. People with compromised immune function and those living in immune "hot spots" choose **immune-assist critical care formula**™. It offers support by optimizing your immune system supporting its efforts to locate, target, and destroy invading organisms associated with sub-optimal health and aging.

# Immune Builders

## *Powerful & Potent Immune Builders*

It's your immune-system that fights Cancer and many other dreaded diseases. The following are some of the most powerful immune-system building products available.

|--------|-----------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------|----------|----------|
| #AHCCP | AHCC PLUS<br>1000 mg<br><br>Douglas<br>Laboratories | Each serving contains 1000 mg of AHCC, PLUS 100 mg of Arabinogalactan, a derivative of the Western Larch tree ( <i>Larix occidentalis</i> ) and the Eastern Larch tree ( <i>Larix laricina</i> ) it is a polysaccharide composed of galactose and arabinose units. Arabinogalactan is added in this formula for the supportive role it plays in immune health. Larch arabinogalactan is a complex carbohydrate that alternative practitioners believe can protect against common and uncommon infections. It is thought to stimulate the immune system by increasing the amount of probiotic bacteria in the gut as it undergoes fermentation. For reasons not entirely understood, this action triggers a dramatic increase in defensive antibodies, including immunoglobulin G (IgG), as well as inflammatory proteins such as tumor necrosis factor (TNF). | 60 VCaps | \$145.00 | \$108.75 |

| #P80012 | AHCC,<br>1500 mg<br><br>Immune Assist | <p>AHCC is created by reacting specific enzymes with several species of medicinal mushrooms known as Basidiomycetes. AHCC is then obtained from a patented process of cultivation, enzymatic decomposition, sterilization, concentration, and freeze drying. AHCC's special ingredients obtained from this unique cultivation method cannot be found in typical mushrooms. The main advantage of our patented cultivation method is that it breaks down nutrients into a more absorbable form.</p> <p>AHCC can be assimilated quickly by the white blood cells for immediate use in destruction of tumors or strengthening of the body's immune system. Medicinal mushrooms exhibit protective qualities such as stimulating cell-mediated immunity by activating the white blood cells, which directly attack abnormal cells, virus infected cells, or external viral and bacterial pathogens which enter the body.</p> <p>Medicinal mushrooms and their extracts have been reported in scientific literature to have a variety of biological effects including immune-modulation, antitumor properties and beneficial influences on blood sugar regulation, serum lipids and blood pressure.</p> <p>AHCC has been used to fight a number of serious immune deficiencies including cancer, heart disease, hepatitis, and AIDS. Other potential uses for AHCC include chronic fatigue, Lyme Disease, Fibromyalgia, Osteoarthritis, Allergies, Asthma, and many other inflammatory responses influenced in the body by the immune system.</p> <p>Many diseases can be traced to a breakdown in immune function; this provides reason that AHCC should be considered a first line defense in a variety of different disease states.</p> | 60 VCaps  | \$168.18 | \$136.75 |

# Japanese Knotweed

## Japanese Knotweed

*Polygonum Cuspidatum*

Hu Zhang

**Japanese Knotweed** is an herb I'm really excited about! I've learned a lot about it just in the last couple weeks and I think it's worthy of its own page. It's originally from the other side of the World, China & Japan. God has given each part of the world some spectacular blessings in the herbs that grow native to them, and this is one of those blessings.

Many consider it a weed, because it grows so fast and crowds everything else around it out. But if they considered

the medicinal benefit it has to offer, I don't think they would call it a weed.

It is very high in Resveratrol, (*remember they used to tell people to drink red wine so they could get Resveratrol? Well, this is a much higher content of Resveratrol without the alcohol*). It's probably it's high content of Resveratrol that makes this herb so much a blessing.

### HERE ARE SOME OF THE THINGS IT HAS BEEN KNOWN TO HELP:

- It can lower cholesterol levels
- It is anti-aging, used in many skin care products
- Improves the function of the brain.
- It can increase the lifespan by 30%
- Very Good for the Eyes
- Is a potent remedy for Lyme's Disease
- It's a Natural Laxative
- Studies show it can be beneficial against Alzheimer's Disease
- Beneficial for menopause
- Counters heart disease
- Studies show it inhibits the growth of tumors.
- Consume regularly to prevent joint inflammation
- High in Vitamins A & C
- It is Anti-bacterial, fights bacterial & viral invaders
- Very healthy for the GI Tract
- Very high in mineral content
- Helps with bloating, cramps, inflammation & chronic pain
- Prevents Blood Clots
- Cancer preventative
- It can keep brain pathways energized, preventing dementia
- It decreases insulin resistance while improving insulin sensitivity.
- A remedy for Gout Pain & Swelling
- Lowers Blood Pressure
- Considered chemopreventive as well as therapeutic against certain Cancers
- Heals Minor burns & Wounds

**You can buy the active ingredient that most of these health benefits are attributed to ~ Resveratrol, in supplement form, or you can buy the bulk herbs and make your own tinctures, salves and capsules.**

| #J90490 | Sleep Optimizer  | <p><b>Sleep Optimizer</b> ~ combines herbs and amino acids that work together to facilitate falling asleep and maintaining a regular sleep cycle.</p> <p>Gamma-aminobutyric acid (GABA), lemon balm, and L-tryptophan promote relaxation.</p> <p>The combination of valerian and hops has been studied for reducing latency (the delay before entry into sleep). Melatonin, a brain hormone, sets the sleep-wake clock and signals entry into sleep.</p>                                                                                                                                                                                                                                                                                                                                                                                        | 60<br>VCaps  | \$23.95 | \$18.05  |
| #0032   | Vision Optimizer | <p><b>Vision Optimizer</b> ~ supports visual function and ocular antioxidant status.</p> <p>Lutein and Zeaxanthin isomers are antioxidant carotenoids that accumulate in the central retina (macula) to comprise macular pigment, which functions in visual performance and filtering high-energy blue light emitted from all types of screens (smartphones, tablets, laptop), LED/CFL lighting, and the sun.</p> <p>Mirtoselect® is a full spectrum Bilberry Extract rich in antioxidant anthocyanins and Grape Seed Extract is rich in antioxidant proanthocyanidins that support blood flow to the eyes. R-Alpha Lipoic Acid, Selenium and Vitamin B2 support levels of the body's master antioxidant, glutathione, and cellular antioxidant defenses for the eyes' lenses. Quercetin is an antioxidant that supports lens architecture.</p> | 90<br>VCaps  | \$35.50 | \$26.70  |
| #J30086 | ZINC Balance     | <p><b>Zinc Balance</b>® combines Zinc L-Methionine and Copper Gluconate (15:1 ratio).</p> <p>Zinc L-Methionine allows zinc absorption with phytate and fiber in vegetables. Zinc supports immune function. Zinc Balance® includes copper because supplemental zinc depletes copper.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 100<br>VCaps | \$13.95 | \$10.55  |

# KHROMA Herbs - Non-Alcoholic Extracts

*When I was introduced to KHROMA Herbs, I was very impressed. They are a family-owned company, just like us...and they have very high standards for their products, and also how they treat people...their employees and their customers. I was also thrilled to find a company that made potent extracts without alcohol! I think you will love them as much as I do!*

| #L99366 | <b>Macuguard w/ Saffron &amp; Astax</b> | MacuGuard® Ocular Support with Saffron & Astaxanthin provides lutein, trans-zeaxanthin, and meso-zeaxanthin, three important nutrients that protect the delicate photoreceptor cells in the retina's macula from light damage. This innovative formula also contains astaxanthin to protect against eye fatigue and C3G (cyanidin-3-glucoside), a cutting-edge berry flavonoid compound that helps stimulate regeneration of rhodopsin, a compound in the eyes that absorbs light in the retina to help support night vision. Alpha-carotene has also been added to help support macular pigment as well as saffron for its vision-enhancing benefits. | 60 Softgels | \$44.00 | \$33.00  |
| #L25034 | <b>Mood Improve</b>                     | <ul style="list-style-type: none"> <li>Saffron and probiotics promote balanced mood &amp; brain health</li> <li>Supports healthy signaling between your digestive tract &amp; brain</li> <li>Helps relieve minor digestive discomfort that can accompany everyday stress</li> </ul>                                                                                                                                                                                                                                                                                                                                                                    | 30 VCaps    | \$31.00 | \$23.75  |
| #L43260 | <b>Optimized Saffron</b>                | Saffron supplement that helps you fight the urge to snack Snacking can be deceptively difficult to control. Optimized Saffron with Satiereal® affects neurotransmitter signals to help you fight snacking, which can help you achieve your weight management goals.                                                                                                                                                                                                                                                                                                                                                                                    | 60 VCaps    | \$36.00 | \$27.00  |
| #L50039 | <b>PQQ 10 mg</b>                        | PQQ stands for pyrroloquinoline quinone, and it's a major advancement in mitochondrial cellular energy. Mitochondria are the cellular energy generators that supply virtually all the power your body requires for a healthy life span. An abundance of published studies underscores the critical importance of the mitochondria to overall health, especially as we age. PQQ Caps help support healthy mitochondrial function.                                                                                                                                                                                                                       | 30 VCaps    | \$18.00 | \$13.50  |
| #L64739 | <b>PQQ 20 mg</b>                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 30 VCaps    | \$32.00 | \$24.00  |

| #L69567 | Ultra Prostate Formula | <p><b>Life Extension Ultra Natural Prostate Formula</b> provides scientifically validated standardized plant extracts that have been shown to promote healthy prostate function.</p> <p>No other prostate protection formula provides such a broad array of nutrients to support the multiple factors involved in maintaining a healthy prostate gland.</p> <p><b>Ultra Natural Prostate contains the following key ingredients:</b></p> <p><b>Standardized lignans</b> from flax seed and Norway spruce knotwood convert to enterolactone in the intestine, which is then absorbed into the bloodstream. Enterolactone has demonstrated anti-estrogen and anti-DHT (5<math>\alpha</math>-Dihydrotestosterone) effects that are of particular importance for the aging prostate gland.</p> <p><b>AprèsFlex</b>, an extract of boswellia, is a superior inhibitor of the enzyme 5-lipoxygenase or 5-LOX. AprèsFlex absorbs into the blood 52% better than previously available forms of boswellia, for superior effectiveness.</p> <p><b>Nettle root extract (Urtica dioica)</b>. Testosterone converts to estrogen at higher rates as men age. Prostate cells are sensitive to estrogen's growth stimulatory effects. Nettle helps support prostate cells against excess estrogen levels.</p> <p><b>DeepExtract USPlus saw palmetto extract</b>. A number of normal biological events in aging men affect prostate function and structure. Saw palmetto has been shown to interfere with DHT activity in the prostate, inhibit alpha-adrenergic receptor activity (to support normal urinary flow), and help control inflammatory actions in the prostate gland. DeepExtract is a patented, state-of-the-art, ultra-high pressure CO2 extraction technology that ensures the most complete bioactive extract profile available that most closely reflects the composition of premium, mature saw palmetto berries. The result is a superior formula containing key ingredients in higher concentrations than many other extracts.</p> <p><b>Pumpkin seed</b> supercritical CO2 oil extract. From select European pumpkins, it enhances the composition of free fatty acids and augments saw palmetto's benefits.</p> <p><b>Pygeum</b>. Normal aging results in levels of certain prostaglandins increasing in the prostate gland. Pygeum africanum extract helps suppress prostaglandin E2, keeping the prostate gland placid and promoting prostate comfort.</p> <p><b>Beta-sitosterol</b> is a biologically active constituent of pygeum.28 A standardized pygeum extract plus beta-sitosterol from other plant sources is included in this formula to help maintain healthy prostate structure.</p> <p><b>Graminex Flower Pollen Extract</b>. European pollen extract has been shown to relax smooth muscle tone of the urethra, counteract DHT, and help regulate inflammatory reactions.</p> <p><b>Boron</b>. In addition to helping protect bones, this mineral has been shown to slow elevation of prostate-specific antigen (PSA) — seemingly a result of boron's positive effect on the presence of protein-degrading enzymes in the prostate gland.</p> <p><b>Lycopene</b>. This carotenoid associated with the tomato's red color helps maintain healthy DNA gene function in prostate cells.</p> | 60 Gels     | \$39.00 | \$29.25  |

# Manuka Honey, by Flora

## Manuka Honey is a Honey Like NO OTHER Honey!

Flora Mānuka Honey is produced by a sustainable, eco-friendly, 100% Maori-owned honey operation in New Zealand. The honey is sourced from several North Island locations and is tested and rated for its MGO (methylglyoxal) content. Additionally, every jar is 100% traceable, all the way back to the source. Just scan the code on the label to learn where your honey was made, its lab test results, and its MGO content. Unfortunately, since global demand has skyrocketed, counterfeit manuka honey is on the rise.

### How To Get the REAL Manuka Honey:

- 1. Look for UMF™.** Reputable manuka honey brands are licensed by New Zealand's Unique Mauka Factor Honey Association™. The UMF™ trademark guarantees that your manuka honey has been third-party tested to ensure it contains three signature compounds. The higher the UMF™ rating, the higher the concentration of these compounds.
- 2. Choose Your Grade.** Methylglyoxal (MGO) is the compound responsible for some of mauka honey's unique properties and forms the basis of the UMF™ grading system. The higher the MGO number, the higher the grade of manuka honey.
- 3. Trace it Back.** Transparent manufacturers include a traceability system right on the label. Using your smartphone, you can scan the code to trace your jar of honey back to the source.

### Flora Manuka Honey is:

- UMF™ Certified
- 100% traceable - scan the NFC tag on the label to access batch, region, lab test and UFM™ certification info
- Sourced from an eco-friendly 100% Maori-owned beekeeping operation in New Zealand.

### Here are 14 Common Health Conditions that Manuka Honey has been known for:

1. It's a Natural Anti-Biotic
2. Treats Wounds & Burns
3. Builds Your Immune System
4. Improves Digestion

| #23010 | Vegan Bone Maximizer | Clinically Proven to INCREASE Bone Density & Strength. Vegan Bone Maximizer® offers an excellent source of plant-based calcium, together with other important nutrients, to build and maintain good bone health without the use of animal products. By sourcing only Vegan-friendly and Non-GMO Project Verified ingredients, this patent-pending formula offers the highest level of bone support available. | 120 VCaps | \$39.99 | \$26.25  |
| #23106 | Vegan Vitamin D-3    | Unique vegan Vitamin D3 from lichen extract; Non-GMO Project Verified; Supports optimal bone mineralization and health; Promotes immune function; Supports a healthy inflammation response; Contains cholecalciferol, the most bioavailable form of Vitamin D                                                                                                                                                 | 60 VCaps  | \$28.59 | \$21.45  |
| #80020 | Moringa              | Moringa is a nutrient dense whole leaf powder that is approximately 30% protein and 40% fiber. What makes it a complete protein is that it contains all the essential amino acids our body needs but cannot produce on its own. Protein is essential to supporting muscle maintenance, and fiber can help maintain proper digestive health.                                                                   | 60 VCaps  | \$12.09 | \$10.70  |

# Multi-Vitamins

While we have our multi-vitamins listed throughout the catalog, we thought it might be helpful to pull them all together on a few pages. Please make sure to check out NOW's multivitamin pages (236-237) as well.

| #D00096   | <b>DEVA Prenatal Multi-Vitamin Vegan</b> | Two of the important vitamins necessary for adequate fetal development are vitamin B12 and folic acid. Maintaining normal levels of folic acid, in particular, is extremely important for the health of the fetus, especially in early pregnancy. Deva Vegan Prenatal Formula provides 138% of the recommended daily allowances of folic acid and, over 1500% of the RDV of Vitamin B12 for those who feel taking higher amounts is important for their nutritional goals.<br>While most prenatal vitamins try to pack in as much as they can into the vitamin, Deva Nutrition has been careful not to promote an excess of potentially toxic fat soluble vitamins. Vitamin A is provided as water-soluble beta carotene at a level that won't cause vitamin A toxicity at the recommended daily dosage of one tablet. Vitamin E is provided in its d-alpha form, which is derived from plant sources, and is provided in a safe amount. Vitamin K, another fat-soluble vitamin, is also in amounts that avoid toxicity. Vitamin D, important in calcium metabolism, is provided as vitamin D2, the vegan source of the vitamin, at 100% of the recommended daily allowance. The B vitamins are all well-represented in our Prenatal Multivitamin as well. 3 months supply. | 90 Tabs  | \$13.99 | \$12.60  |

# ~ Natural Calm ~ REPLACED by Pure Essence IONIC FIZZ!

**You have NOTHING to LOSE! Pure Essence has a 90-DAY Money Back Guarantee on all their products. Just save the container, no questions asked.**

*A while back Natural Vitality, the makers of Natural Calm, sold their business to a new company, and as happens so many times when a company sells their business, the new company doesn't run the business like the old company did. It wasn't long and we decided to discontinue the Natural Vitality line, even though we sold a ton of their products. It took us quite a while but we FINALLY found a product line that does EVERYTHING and MORE than Natural Calm did! And it's affordable, too! And because it's IONIC, it's broken down and absorbed much more quickly than other products. Please meet Pure Essence IONIC FIZZ!*

80% of Americans do not get the recommended daily amount of Magnesium, which is why IONIC FIZZ is so important.

Common signs of magnesium deficiency include muscle twitches, tremors, and cramps. Magnesium deficiency may cause mental numbness, lack of emotion, delirium, and even coma, and may increase the risk of osteoporosis and bone fractures, though many factors influence this risk. Magnesium deficiency may cause fatigue or muscle weakness. Evidence suggests magnesium deficiency may raise blood pressure. Magnesium deficiency has been associated with severe asthma, and heart arrhythmia, or irregular heartbeat, which may increase the risk of more serious complications, such as a stroke or heart failure.

### Pure Essence has 3 different IONIC FIZZ Powder Formulas:

| <b>SUGGESTED USE:</b> One level scoop in 6-8 ounces of water.                                                                                                       |                    |      |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|------|

| #83AF150 | <b>Schisandra Extract</b>                  | A 2017 study Trusted Source found that Schisandrin B had a beneficial, positive effect on Alzheimer's disease. Researchers determined that this was caused by Schisandrin B's ability to block formation of excess amyloid beta peptides in the brain. These peptides are one of the components responsible for forming amyloid plaque, a substance found in the brains of people with Alzheimer's disease.<br><br>Another study indicates that Schisandrin B may be effective against both Alzheimer's and Parkinson's disease. This is due to its anti-inflammatory, neuroprotective effect upon microglial cells in the brain. It's also good for liver disease, menopause and depression. |          |         |          |

# North American Herb & Spice ~ Oregano

If you like OREGANO, you will LOVE North American Herb & Spice! North American Herb & Spice was the first company to introduce edible oil of oregano to the North American market which led to the health improvement of countless numbers of people.

Founded in 1999 by Judy Kay Gray, MS to develop unique products from naturally powerful ingredients. From the remote mountains of the Mediterranean to the valleys of the Amazon rainforest, North American Herb and Spice sources the finest fruits, herbs, and spices in the world. Wild handpicked spices are the cornerstone of our products. The end result is the purest, most powerful spice extracts made from the

best pesticide-free, chemical-free, and solvent-free ingredients.

Oreganol P73 was the first “internal use” as well as topical spice oil category for health and beauty. After over 30 years of continuous internal consumption and numerous scientific tests, Oreganol P73 is still the only wild sourced organic oil of oregano acceptable for daily use.

**What does the P73 stand for?** There are over eighty known species of oregano. Oreganol P73 is a proprietary blend of the most powerful species known to possess health benefits. The oregano used in Oreganol P73 grows wild in the Mediterranean mountains. These special oregano plants grow at altitudes as high as 12,000 feet above sea level.

Once gathered, it is steam-distilled with pristine spring water to produce our oregano oil and hydrosol with unrivaled quality, efficacy, and purity.

(They carry over 50 more products....if there is something you don't see here, just ask ☺).

| #231002 | Oregamox P73                    | There is great power in the whole, unprocessed, wild oregano spice, powers not found in the oil. That's why OregaMax makes the ideal synergistic supplement with Oreganol P73. It's loaded with natural, vibratory hertz energy from the wild plant as it grows on the rocks. Use it to support a whole body healthy immune and digestive response like no other.                                                                                                                                                                                                                                                                 | 90 VCaps    | \$29.99 | \$25.49  |
| #231003 | Oreganol P73 Super-Strength Oil | The difference between super strength and regular strength is that the ratio of olive oil to oregano oil is considerably different, by nearly 3-fold. That's why it is SuperStrength. Because it is so potent you can benefit from every-other-day use. Take the SuperStrength Oreganol P73 to support a healthy whole body immune response. May be also applied topically.                                                                                                                                                                                                                                                       | 1 oz.       | \$49.99 | \$42.49  |

| #231033 | <b>Oreganol P73 Juice</b>                                                                                    | Aromatic Oreganol Juice is a powerhouse to the extreme, being a traditional therapy in the Mediterranean for hundreds of years. It's different than the oil, as this is the water phase produced by distillation. It dissolves everywhere you need it, including into all tissue membranes.                                                                                                                                                                                                                                                                                                                                                                                           | 12 oz.             | \$19.99 | \$16.99 |
| #231691 | <b>Oreganol P73 Vegan Softgels</b>                                                                           | Our Oreganol P73 Vegan Friendly Gelcaps are in an easy-to-take tapioca vegetable gelatin gelcap. It is truly a one of a kind gelcap that is ideal for those who take the oil internally.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 120 Vegan Softgels | \$39.99 | \$33.99 |
| #231502 | <b>OregaRESP (Oregacyn) Oil</b>                                                                              | This is the original desiccated multiple spice oil complex (made from Cinnamon, Oregano & Sage). Ultra-potent support for the immune and respiratory systems. OregaRESP is the world's first synergistic multiple spice oil combination, truly potent to the extreme, the most powerful North American Herb & Spice supplement of all. Ideally, take with juice or food.                                                                                                                                                                                                                                                                                                              | 30 VCaps           | \$29.99 | \$25.49 |
| #231207 |                                                                                                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 90 VCaps           | \$69.99 | \$59.49 |
| #231505 |                                                                                                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 1 oz.              | \$39.99 | \$33.99 |
| #231741 | <b>Power-Pull Oral Care System</b>                                                                           | Power-Pull is the power of cold-pressed extra virgin black seed oil, and organic hemp seed oil for supporting gum and teeth health. Oil pulling helps support healthy gum,, teeth, and oral cleansing response. Fortified with clove bud oil, wild oregano, and sage and mint oils, use Power-Pull as part of your daily dental health and body cleansing program.                                                                                                                                                                                                                                                                                                                    | 1.7 oz.            | \$9.99  | \$8.95  |
| #231234 | <b>Super Strength Oreganol P73</b>                                                                           | Oreganol P73 regular strength is 50 mg per serving of total weight. SuperStrength is the same. However, the difference between super strength and regular strength is that the ratio of olive oil to oregano oil is considerably different, by nearly 3-fold. Our Oreganol P73 Vegan Friendly Gelcaps are in an easy-to-take tapioca vegetable gelatin gelcap. It is truly a one of a kind gelcap that is ideal for those who take the oil internally.                                                                                                                                                                                                                                | 60 VCaps           | \$39.99 | \$33.99 |
| #231694 |                                                                                                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 120 VCaps          | \$49.99 | \$42.49 |
| #231272 | <b>Sinu Orega P73</b>                                                                                        | SinuOrega is a natural nasal wash powered by potent spice extracts. These powerful extracts are combined with pure sea salt in a spring water base, the ideal wash and inhalant for the nasal membranes and sinuses. Can be used daily as it is non-addictive. For optimal results use with OregaRESP capsules for sinus and bronchial as well as post-nasal drip response.                                                                                                                                                                                                                                                                                                           | 2 oz               | \$19.99 | \$16.99 |
| #231672 | <br><b>Black Seed Oil</b> | Our feature supplement for heart support is Oil of Black Seed. The oil contains a highly special compound, thymoquinone, which helps support healthy oxygenation in the heart muscle. It's a natural ubiquinone, like co-enzyme Q-10. Yet, instead of getting it synthetically, with our Oil of Black Seed you gain the benefit of all-natural whole food based ubinquinones, which have been heavily studied for their role in heart health. Plus, black seed oil is rich in healthy sterols, which have a government-issued stamp of approval as being heart-healthy. Whether in oil form or capsule for heart and arterial support, black seed oil should be on the daily regimen. | 8 oz               | \$34.99 | \$29.74 |
| #231676 | <b>Black Seed Plus</b>                                                                                       | Everyone knows that black seed is good for you, but when it is combined with brown cumin, Rhus coriaria, and red sour grape, it becomes super-charged. This is the most potent ground black seed supplement available.                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 90 VCaps           | \$34.99 | \$29.74 |

# Northern Nutrition

The Formulas below have been formulated by Northern Nutrition's 5 Naturopaths with over 75 combined years of clinical experience. A number of our customers over the years have asked us to carry their products, so here they are! If there are products you don't see here from them that you would like, let us know and we'll try to get them for you.

**NOTE: These are rock bottom prices—no case discount on this brand...sorry!**

| #NN-AA       | Adrenal Adapt | A formula with all the most popular adaptogen herbs on the market combined in one. These herbs have been known to strengthen the adrenal glands give a nice level increase in energy and at the same time, balance cortisol to help manage anxiety and stress.                                                                                                                                                                                                       | 120 VCaps | \$39.95 | \$35.00 |
| #NN-ART      | Artichoke     | Artichoke has been used very successfully in treating gallbladder disorders. Some people have been able to avoid surgery using artichoke.                                                                                                                                                                                                                                                                                                                            | 120 VCaps | \$34.95 | \$26.25 |
| #NN-Estro    | Estro DTX     | O. Estro DTX helps support Estrogen balance through a combination of nutraceutical ingredients that have been shown to aid liver function which can help eliminate unwanted estrogen while leaving essential estrogen intact. It promotes Estrogen Metabolism.                                                                                                                                                                                                       | 90 VCaps  | \$39.95 | \$29.95 |
| #NN-Fungal   | Fungal Zyme   | This is one of the most advanced fungal & yeast supports on the market. Yeast & fungus adhere to body tissues by a substance called Cellulose Protein. These enzymes digest this cellulose protein therefore eliminating its ability to attach to the tissues. The Lymphatic system and the Kidney are then able to expel it out of the body. This method of yeast cleansing is much more effective and much more gentle with hardly any yeast die-off side effects. | 120 VCaps | \$39.95 | \$30.00 |
| #NN-Fungal X | Fungal X      | This is our all new anti-fungal formula containing some of our favorite ingredients to clear fungus from the body. Bloating, gas, itchy skin, sugar cravings and brain fog can all be signs of fungal overgrowth.                                                                                                                                                                                                                                                    | 60 VCaps  | \$25.95 | \$21.00 |

| #NN-GI    | GI Purify    | This is your complete colon cleansing formula. Loaded with fiber, astringent herbs (to make toxins release from the gut wall), and peristaltic herbs for a stimulating, thorough cleansing. Dosages can be easily adjusted for individuals that just need mild cleansing to those who need to use it for a more intense cleansing. It is nicely formulated with natural orange flavor & sweetened with stevia for a very reasonable taste. | 420<br>Grams | \$36.95 | \$27.75 |
| #NNHEP180 | HEP-3        | Northern Nutrition's formula for liver support contains Milk Thistle, Artichoke Extract and Dandelion Root. This formula promotes bile production, fat digestion, bowel elimination and liver detox. Individuals with gallbladder distress may find that this product can alleviate their discomfort and improve overall digestion. It is mild on the stomach and safe for children to ingest.                                             | 180<br>VCaps | \$49.95 | \$37.50 |
| #NNHEP90  |              |                                                                                                                                                                                                                                                                                                                                                                                                                                            | 90 VCaps     | \$29.95 | \$22.50 |
| #NN-KB-8  | KB-8         | An herbal kidney and bladder product that includes Dandelion leaf, Uva Ursi leaf, Juniper berries and Paisley as herbal diuretics to flush excess fluids from the body. Goldenseal root is added to help prevent bladder infection while Hydrangea root helps dissolve calcium crystals that can form kidney stones. May be used for short term or long term use.                                                                          | 120<br>VCaps | \$21.95 | \$16.50 |
| #NN-MAG   | MAG-Synergy  | This is Northern Nutrition's newest formula that includes Magnesium Malate, Vitamin B-6 and Zinc. These 3 nutrients work synergistically in many systems of the body, especially in regards to kidney, musculoskeletal, nervous systems and cardiovascular support. Those individuals who experience muscle cramps, spasms, elevated pyrroles, kidney stones, or bone spurs may benefit from the use of this product.                      | 120<br>VCaps | \$23.95 | \$17.95 |
| #NN-Neuro | Neuro Calm   | This is our Northern Nutrition's most popular stress supporting & sleep aid product. Instead of putting in 1 or 2 stress reducing herbs, they loaded it with all of the most popular natural ingredients on the market today used for stress, all packed in one pill. GABA is also included as a natural sleep aid if taken at night.                                                                                                      | 120<br>VCaps | \$35.95 | \$27.00 |

| #NN-PRO      | Pro-3-Zyme                             | A plant-based enzyme that may be beneficial for those with food sensitivities, heartburn, and indigestion. Pro-3-Zyme contains more protease, the key ingredient, than our Northern Nutrition Zymboless product for those who need more intensive support in the digestive system. Compare to other products on the market by ingredients to see the great value that this product offers.                                                                                                                                                                                                                                                                             | 180<br>VCaps | \$41.95 | \$33.00 |
| #NN-STM32    | Super Trace Minerals,<br>Cherry Flavor | These minerals are the same as our once popular minerals, which are no longer available to us. We had many people begging us to find something like it because they found it really increased their energy and helped improve many areas of their health. So we went back to the company and had them reformulate TRC minerals exclusively for us. Super Trace Minerals are 100 percent plant derived minerals, which are readily available to the body. They will replace minerals in your diet that have been depleted from our food. 100% plant derived minerals. Many customers have noticed less joint pain & muscle cramps while increasing their energy levels. | 32 oz.       | \$19.95 | \$18.00 |
| #NN-Turmeric | Turmeric HP                            | This product has been used successfully for pain & inflammation. It contains 500mg/Turmeric extract, 350mg/Boswellia extract, 150mg DL-Phenylalanine and 5mg of Nattokinase per serving.                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 90 VCaps     | \$31.95 | \$23.95 |
| #NN-ZYM180   | Zym-boless                             | This is Northern Nutrition's #1 selling product over 15 years in a row. This is a very effective and fast acting digestive enzyme. It aides in digestion of any food that you eat, from proteins to fats, & carbohydrates. Comparing to the high quantities and quality of active enzymes per capsule it is more cost effective in comparison to any other product on the market. It is in small #3 capsules and many children are able to swallow them. If not, there is no flavor, therefore children can open the capsule and put it directly on their food. Many mothers have given it to their colic babies with great success.                                   | 180<br>VCaps | \$24.95 | \$18.75 |
| #NN-ZYM360   |                                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 360<br>VCaps | \$44.95 | \$33.75 |

# NOW Supplements

| #0481          | Niacin 500 mg                 | Niacin (Vitamin B-3) is an essential B-Complex vitamin. Flush-free Niacin contains Inositol Hexanicotinate, a form of Niacin that contains six molecules of niacin linked to a single inositol molecule. It is slowly broken down in the body to yield free niacin and inositol. | 100 Caps              | \$10.99            | \$6.60             |
| #0483<br>#0484 | Flush-Free Niacin 250 mg      | This gradual release of Niacin allows for true Niacin activity without the characteristic Niacin flush that many people cannot tolerate.                                                                                                                                         | 90 VCaps<br>180 VCaps | \$12.99<br>\$23.99 | \$7.80<br>\$14.40  |

| #0707                    | Tru-C,<br>Organic Acerola,<br>60 VCaps, | Tru-C™ features acerola, a fruit from a plant native to South America. Acerola has one of the highest concentrations of vitamin C found in nature, with a content that's approximately 100 times that of a peeled orange. Acerola also has naturally occurring carotenoids and flavonoids which, together with vitamin C, support immune and vascular health and give acerola its potent free radical-neutralizing properties.* This formula contains no vitamin C from corn or citrus and includes a unique fruit and vegetable blend | 60 VCaps            | \$25.99            | \$15.60           |

| #31831 | Monolaurin<br>500 mg | <p><b>Monolaurin is a supplement that assists with a variety of health issues. Benefits of the naturally occurring compound include the following:</b></p> <p>Antibacterial. Monolaurin is a surfactant, reducing the surface tension of objects. These properties allow it to disintegrate the bacteria's microbial membrane, which may help neutralize it. This action plays a key role as an antibacterial, preventing the spread or growth of bacteria. Preliminary studies indicate these actions could prohibit the bacteria from multiplying and spreading to other parts of the body. The immune system is then able to destroy the harmful invaders.</p> <p>Antifungal. Antifungals prevent fungi' growth, which includes yeast, ringworm, mold, and candida. Monolaurin has been shown to be a potential antifungal treatment, killing or neutralizing various types of fungi in preliminary studies. This may occur due to the compound's ability to reduce inflammatory cytokines, which are the proteins that signal fungi to grow and multiply.</p> <p>Antiviral. Monolaurin may inhibit several fat-coated viruses that affect both animals and humans, such as the swine flu, measles, common cold, herpes simplex 1 and on 2, shingles, and influenza (the flu). Fat-coated viruses can live in the body for years and have a negative impact on health. Monolaurin is believed to penetrate the fat coatings of viruses and either weaken or kill them altogether. This process occurs in three phases: first, the virus envelope is removed; second, the replicative virus cycle during the late maturation stage is stopped; and third, harmful viral proteins are prevented from binding to the host cell membrane.</p> <p>Lyme Disease. Transmitted to humans via ticks, Lyme Disease is an inflammatory disease that can cause headaches, fever, chills, and rashes. If left untreated, it potentially increases the risk of arthritis as well as neurological and cardiac disorders. Many with Lyme Disease opt to for alternative treatments, such as consuming coconut oil, which contains monolaurin. Although not scientifically proven, some believe monolaurin is an effective treatment for fighting the bacteria that causes Lyme disease.</p> | 120<br>VCaps | \$23.50 | \$17.60  |

| 17.NF.187.060  | Immuno-Max Chewables       | Features herbs and nutrients targeted at supporting immune function during acute illness. Immunomax contains DMG (dimethylglycine HCl) which, according to research, may help stimulate the immune response by enhancing antibody and lymphocyte production. Three U.S. Patents have been awarded based on research into DMG's role in immune response. This product also contains arabinogalactans which are compounds derived from the larch tree that help increase the number of immune cells, boost antibody response, and limit unhealthy cell replication. According to some research, incidence of upper respiratory infections may be reduced with use of larch arabinogalactans. | 60 Chewables            | \$44.50 | \$33.40  |

| 19.NF.290.090  | NAC<br>500 mg   | <p>NAC has antioxidant properties and is necessary for the production of glutathione. Glutathione helps the body cope with oxidative stress which is associated with disease, and improves the number and activity of immune cells within the body.</p> <ul style="list-style-type: none"> <li>• The antioxidant and free radical neutralizing properties of NAC might also help it support pulmonary and cardiac function</li> <li>• NAC helps to support healthy lung tissue and the body's natural defenses including cellular health.</li> <li>• NAC helps to break down mucus in the respiratory tract and assists with rebuilding of lung tissue, and helps activate immune cells to improve immunity.</li> <li>• NAC seems to be able to help clear mucus from the body as a result of several different mechanisms. NAC ruptures mucous disulfide bonds, which reduces viscosity and it stimulates the clearance of mucus from the respiratory tract. NAC also may help maintain the inflammatory process within the normal ranges.</li> </ul> | 90 VCaps               | \$29.50 | \$22.10  |

| 01.NF.11E.060  | Neuropath-ease    | Supports nerve cell transmission and peripheral neuropathy.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 60 VCaps                 | \$36.50 | \$27.40  |
| 01.NF.738.180  | ParaCleanse       | An Advanced Parasite Formula, made from powerful herbal extracts, that supports the body's elimination of unwanted microorganisms while helping to maintain proper immune system and GI tract functions.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 180 Vtabs                | \$48.50 | \$36.40  |
| 02.NF.756A.014 | Power Cleanse -   | Power Cleanse is a unique formulation that supports detoxification and can be used as part of a liver-cleanse protocol. With 15 grams of protein per scoop, Power Cleanse makes a filling snack, or alternatively as a replacement or addition to a small meal. Power Cleanse features pea, rice, and pumpkin as its protein source. These vegetable protein sources provide amino acids required by the body for people who are vegetarians, have food allergies or sensitivities, or who are looking for a hypoallergenic meal replacement. These essential amino acids must be obtained through diet; the human body does not synthesize them.<br><br>This formula contains a macronutrient matrix, a matrix of key vitamins and minerals, and a detoxification matrix. We are regularly exposed to a multitude of chemicals which may have damaging effects on our health. When functioning optimally, the body can neutralize the negative impact of many of these harmful agents. A detoxification protocol can assist your body with mobilizing and excreting toxins. Power Cleanse may be used as part of the 'cleansing' process. | 14-Day Supply            | \$59.00 | \$44.25  |
| 02.NF.75A.030  | Pineapple Coconut |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 30-Day Supply            | \$89.50 | \$67.15  |
| 02.NF.756.014  | Power Cleanse -   | The liver is the primary organ responsible for modifying toxins so that they can be excreted from the body. This occurs in a 2-step process called Phase 1 and Phase 2 detoxification, in which fat-soluble substances are modified to water soluble for easier elimination by the kidneys into the urine, and out of the body. Power Cleanse contains ingredients to enhance both Phase I and Phase II liver detoxification.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 14-Day Supply            | \$59.00 | \$44.25  |
| 02.NF.756.030  | Vanilla           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 30-Day Supply            | \$89.50 | \$67.15  |

| 02.NF.100.030  | Super Shake<br>Vanilla              | We stopped carrying Garden of Life products after they started selling to Walmart. We cannot compete with Walmart. And since then, it's been really hard to find a healthy, good tasting Protein Shake. But finally, we found one! SUPER SHAKE is SUPER!<br><br>Non-GMO & Vegan, it is a hypoallergenic, low carbohydrate meal replacement powder, suitable for those with food allergies and food sensitivities. Super Shake features pea, rice and pumpkin as its protein sources and NO SUGAR. Most of those on the market that taste good have a lot of sugar.                                                                                                                                                                                                                                                                                                           | 2.24<br>oz 30<br>Servings                                                                                                                                                                                                                                                                                                                                                                                       | \$59.50                     | \$44.60  |

We stock it in Vanilla, Peanut Butter, and Banana Strawberry flavors. There are 30 Servings in a container. <i>(If you are interested, ask for a FREE Sample - Vanilla only.)</i> | 2.24<br>lbs. 30<br>Servings | \$59.50  |
| 17.NF.111B.120 | Testo 180                           | A dietary supplement to help men achieve normal levels of sex hormones. It is a synergistic blend of research proven ingredients designed to maximize hormone levels and increase sexual drive. Hormones such as DHEA and Testosterone levels decline with age and adrenal stress. Testo 180 is a unique formula designed to support three metabolic pathways: 1). Increases Circulation (may help with atherosclerosis, erectile dysfunction and intermittent claudication); 2). Increases Testosterone Levels (may help with infertility, erectile dysfunction and low libido); 3). Hormone Balancer (may help with lean body mass, an efficient fat-burning metabolism, and low abdominal obesity.) Factors that contribute to LOW TESTOSTERONE levels: medications, sugar, stress, alcohol, aging, caffeine, nutritional imbalance, nicotine, diets low in healthy fats. | 120<br>VCaps                                                                                                                                                                                                                                                                                                                                                                                                    | \$47.50                     | \$35.60  |

| #BST12  | <b>New Chapter<br/>Bone Strength<br/>Take Care<br/>Calcium</b>                              | <p>If you are worried about Osteoporosis, you should seriously consider taking <b>Bone Strength Take Care Calcium</b> (as well as stop doing the things that leach calcium out of your bones, like drinking coffee and using dairy products. Remember, cows milk was made for Baby Cows, not humans. 80% of black people are allergic to dairy products, they don't use them, and they have stronger bones and healthier teeth than white people.)</p> <p>Supports healthy bones and joints while reducing the risk of osteoporosis with plant-sourced, whole-food Calcium. Bone Strength Take Care is complete plant Calcium from Red Marine Algae (Lithothamnion), sustainably harvested from Iceland's pristine shores. New Chapter's award-winning whole-food Calcium supplement is slim and easy to swallow, compared to large size of typical calcium tablets.</p> <p>Bone Strength Take Care is formulated to strengthen bones and help with the absorption of Calcium, support joint flexibility, and help maintain proper artery health. When you don't get enough calcium in your bloodstream, calcium is taken from your bones. Bone Strength Take Care supplements your diet with quality plant Calcium for holistic bone health.</p> <ul style="list-style-type: none"> <li>• Reduces the risk of osteoporosis (loss of bone density starts around age 30)</li> <li>• 3-in-1 Benefits: Bone strength support, joint flexibility, and heart health support</li> <li>• Clinical strength plant calcium has added Vitamin K2 to direct calcium to bones, fermented Vitamin D3 for proper Calcium absorption</li> <li>• In easy-to-swallow slim tablets with slow and steady release</li> </ul> <p>Adequate calcium throughout life, as part of a well-balanced diet, may reduce the risk of osteoporosis. Vegetarian * Gluten-Free * Non-GMO *</p> | <b>120 Slim<br/>Tablets</b> | <b>\$67.15</b> | <b>\$55.40</b> |
| #IT8813 | <b>Integrative<br/>Therapeutics<br/>Liquid<br/>Calcium /<br/>Magnesium<br/>Berry Flavor</b> | <p>One of our customers is a midwife and she puts alot of her pregnant Moms on this product.</p> <p>Liquid Calcium Magnesium provides a 1:1 ratio of calcium citrate to magnesium with a light berry flavor. Each tablespoon provides 500 mg of calcium and magnesium in absorbable citrate form. Liquid Calcium Magnesium also contains cholecalciferol (vitamin D3) and boron for additional support. This formula is xylitol-free and does not contain vitamin K. A 1:1 ratio of calcium to magnesium allows proper absorption of both minerals.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | <b>16 oz.</b>               | <b>\$23.00</b> | <b>\$18.00</b> |

| #E00503 | Enzyme Science Candida Control | <p><b>Enzyme Science Candida Control</b></p> <p>For Intestinal Detoxification ~ Sustaining healthy gut flora is crucial to overall health because it renews the body's energy and keeps the immune and digestive systems functioning optimally. When we have proper bacterial balance in the small intestine, our natural ability to maintain healthy levels of candida is optimized.</p> <p>Candida Control supports vaginal and urinary health, naturally helping the body reduce occasional gas, bloating, indigestion and fatigue.</p> <p>The targeted formula in Candida control uses natural ingredients in a scientifically blended ratio to maintain a healthy balance of intestinal flora. Cellulase breaks down the yeast cell wall, while protease digests the interior proteins. This combination provides a gentle, cleansing effect without harsh discomfort common to cleansing.</p> | 84 VCaps  | \$40.50 | \$30.40  |
| #CAND6  | Vitanica CANDIDASTAT           | <p><b>Vitanica CANDIDASTAT</b> provides select herbs and key nutrients to support the body's natural system in maintaining healthy flora and a healthy yeast balance.</p> <p><b>Featured Ingredients:</b></p> <ul style="list-style-type: none"> <li>• Yeast balance support from Caprylic acid, Garlic extract, Oregon grape root, and Grapefruit seed extract</li> <li>• Unique to the formula is a 4:1 Oregon grape root extract, not commonly found in yeast support products, but especially useful for yeast balance</li> <li>• Detoxification support from Milk thistle seed extract naturally promotes reduced die-off reaction</li> <li>• Immune system and antioxidant support with Vitamin E</li> </ul>                                                                                                                                                                                  | 120 VCaps | \$36.49 | \$29.90  |
| #140136 | RidgeCrest ClearLungs          | <p><b>RidgeCrest Herbals ClearLungs</b> Chinese Herbal Formula is an Ephedra-free Chinese herbal formulation to naturally relieve bronchial congestion, tightness of the chest, wheezing, and restore freer breathing. | #PP-BLEND | Perrin's Blend          | <p>Perrin's Blend™ is a simple, all natural, antioxidant, grape seed extract ointment. Perrin's Blend™ contains 5 ingredients in a base of honey and grape seed oil.</p> <ol style="list-style-type: none"> <li>1. Grape Seed Extract contains an array of polyphenols that promote healthy cell growth. These polyphenols also help to inhibit the growth and encourage the apoptosis (a dying off) of abnormal cells.</li> <li>2. Ascorbic Acid or Vitamin C is an antibacterial, antiviral, antioxidant that promotes the growth of normal skin.</li> <li>3. N-Acetyl Cysteine is an amino acid derivative that helps to block the development of abnormal cells.</li> <li>4. Alpha Lipoic Acid is a powerful antioxidant that helps to prevent aging, and reduce inflammation associated with free-radical damage.</li> <li>5. D Alpha tocopherol or Vitamin E is an antioxidant that is needed for healthy skin growth.</li> </ol> <p><b>Perrin's Blend has been used successfully to treat:</b><br/>Lichen Sclerosis, Actinic Keratosis, Age Spots, Skin Damage, Squamous Cell Skin Cancer, Basal Cell Carcinoma, Skin Tags, Moles &amp; Warts, Topical Staph (MRSA), Boils, and various Skin Lesions.</p> | 1 oz. | \$53.99 | \$41.99  |
| #PP-CREME | Perrin's Creme Complete | <p><b>Perrin's Creme Complete</b> contains the greatest combination and highest concentration of cancer fighting vitamins and antioxidants of any of our creams and moisturizers (excluding <b>Perrin's Blend</b>, which is an ointment). With extended use of the <b>Creme Complete</b> we have seen abnormal skin tissue, such as sun damaged areas and age spots, peel away and return to normal healthy looking skin. The <b>Creme Complete</b> has also had a positive effect on Lichen Sclerosis. We've added the antioxidants CoQ10 and resveratrol for even more protection against aging and free-radical damage.</p> <p><b>Perrin's Creme Complete has been used successfully to treat:</b><br/>Abnormal Skin Tissue, Age Spots, Actinic Keratosis, Rosacea, Sun-damaged Skin, Lichen Sclerosis</p>                                                                                                                                                                                                                                                                                                                                                                                                    | 2 oz. | \$49.99 | \$35.99  |

| #4108   | <b>Lip Trip (SPF 15)</b>                    | A totally unique lip balm. The 100% beeswax base: Locks in moisture allowing active ingredients to protect and prevent dryness. Provides a physical block to sun, wind and extreme conditions. Lasts longer! Lip Trip uses PABA-Free sunscreen SPF-15 as well as aloe vera, lanolin, cocoa butter, allantoin, and vitamin E to maintain proper moisture balance. Lip Trip is flavored with natural vanilla and peppermint oil. A favorite among celebrities and athletes for long-lasting moisturizing protection.                                                                                                                                                                                                                    | .165 oz Tube | \$5.09  | \$4.70   |
| #209315 | <b>Skin Trip Coconut Bar Soap</b>           | Skin Trip Soap was designed to complement Skin Trip Moisturizer. Our unique signature coconut fragrance lasts throughout the bar. Vegetable glycerin based, this mild and gentle bar provides enjoyable, rich, creamy lather without drying out your skin. Men also have shared that they like to use it for a shaving soap.                                                                                                                                                                                                                                                                                                                                                                                                          | 4.5 oz.      | \$6.19  | \$5.70   |
| #5454   | <b>Skin Trip Coconut Moisturizer Lotion</b> | Skin Trip is Mountain Ocean's original coconut moisturizer. Its light, smooth feel is unique among skin moisturizers. This extremely fast absorbing, non-greasy formula soothes, protects and quickly replenishes needed moisture to dry skin. Blended with coconut oil, aloe vera, and distilled lanolin, Skin Trip provides your skin with the nutrients it needs and effectively reduces the natural evaporation of moisture from being exposed to the elements. pH Balanced. Perfect after sun, after shower, after shave, anytime.                                                                                                                                                                                               | 8.5 oz.      | \$11.89 | \$11.40  |

| #7682   | <b>NOW Cocoa Butter Lotion</b>              | Cocoa Butter Lotion formulated with 6% Cocoa Butter and Rhodiola Extract to aid in protecting the skin from stress. Aloe Vera and Allantoin naturally soothe irritated skin while stimulating cell regeneration. Almond Oil and Lecithin act as emollients, helping draw and keep moisture in the skin.                                                                                                                                                                                                                                                                                                                                                                                                                               | 8 oz.        | \$8.99  | \$6.50   |
| #3283   | <b>Glucosamine/MSM/Arnica Lotion</b>        | Glucosamine, MSM & Arnica Liposomal Lotion is a soothing lotion specifically formulated for use on joint areas. This unique blend of ingredients combines Glucosamine, a normal joint and cartilage component with MSM, a source of organic sulfur. Sulfur is an element known to be a normal component of connective tissue structures. Arnica is well known for its traditional uses. NOW Solutions uses Liposome technology for enhanced absorption. Liposomes are very similar to the different layers of the skin barrier and compatible with cell membranes. Due to their mimicking ability, the liposome can more easily moisturize the skin's natural barrier layers, and allow the ingredients to function more effectively. | 8 oz.        | \$16.99 | \$10.20  |

| #3293  | Joint & Muscle Cream w/ Glucosamine | Glucosamine, MSM & Arnica Liposomal Lotion is a soothing lotion specifically formulated for use on joint areas. This unique blend of ingredients combines Glucosamine, a normal joint and cartilage component with MSM, a source of organic sulfur. Sulfur is an element known to be a normal component of connective tissue structures. Arnica is well known for its traditional uses. NOW Solutions uses Liposome technology for enhanced absorption. Liposomes are very similar to the different layers of the skin barrier and compatible with cell membranes. Due to their mimicking ability, the liposome can more easily moisturize the skin's natural barrier layers, and allow the ingredients to function more effectively. | 4 oz. | \$14.99 | \$9.00   |
| #2123  | MSM Liposome Lotion                 | MSM Healthy Skin Liposome Lotion contains 15% methylsulfonylmethane (MSM), a source of naturally occurring sulfur, which is an important element in the connective structures of skin and cartilage. MSM Healthy Skin is specifically formulated to moisturize and revitalize skin and restore its youthful texture. We've included almond oil to help nourish the skin and provide moisturizing essential fatty acids, while aloe vera soothes the skin. Liposome technology is a superior method for aiding in the absorption of active ingredients.                                                                                                                                                                                | 8 oz. | \$14.99 | \$9.00   |
| #7764  | NOW Shea Butter Lotion              | Shea Butter Lotion is naturally formulated with 10% Shea Butter to provide a rich, nourishing coat of moisture to the skin. Allantoin and Vitamin E work to soothe irritated skin. Phospholipids help reduce moisture loss and act as a delivery system to penetrate key ingredients into the skin.                                                                                                                                                                                                                                                                                                                                                                                                                                   | 4 oz. | \$9.99  | \$7.20   |
| #8002  | NOW Vitamin C+Sea Buckthorn Lotion  | Vitamin C & Sea Buckthorn Lotion has been formulated to provide a nourishing layer of moisture to dry skin. Shea Butter, Coconut Oil and Olive Oil help to protect and moisturize the skin. Vitamin C brightens the skin, while Vitamin E and Sea Buckthorn aid existing damage. Cucumber, Chamomile and Aloe Vera soothe, tone and hydrate the skin. Hyaluronic Acid and Marine Collagen work to protect elastin levels and draw moisture to the skin.                                                                                                                                                                                                                                                                               | 8 oz. | \$12.99 | \$9.35   |
| #8198  | NOW Vitamin D-3 Cream               | Vitamin D-3 Cream provides comprehensive moisture renewal through a carefully balanced ratio of beneficial nutrients. A single gram of Vitamin D-3 Cream, equal to a 1/4 teaspoon, includes 1000 IU of Vitamin D-3 (the equivalent of one typical softgel) to help soothe dry, rough skin, 500 IU of Vitamin A to help rejuvenate your skin through its antioxidant benefits, and 50 IU of Vitamin E to help gently and naturally soothe dry, irritated skin                                                                                                                                                                                                                                                                          | 4 oz. | \$9.99  | \$7.20   |
| #8199  | NOW Vitamin E Cream                 | Vitamin E 28,000 IU Cream is formulated with one of the highest concentrations of Natural Vitamin E. It is designed to replenish skin's natural moisture. To boost the effects of Natural Vitamin E, Wheat Germ Oil is added to aid in fighting off free radicals from damaging the skin. Rhodiola Extract is also included for its "adaptogenic thermal stress protection" and protects the skin.                                                                                                                                                                                                                                                                                                                                    | 4 oz. | \$14.99 | \$10.80  |

| #7645  | <b>NOW Sweet Almond Oil</b>                      | 100% Pure Almond Oil is a natural oil that's perfect for nourishing and reviving any skin type. Almond oil is easily absorbed and won't clog pores, promoting clear, soft, healthy-looking skin. This natural skin-nourishing oil is ideal for the entire body. Almond oil is a natural oil derived from pressed almonds. Vegetable-derived oils date back to Biblical times, when they were mixed with fragrant herbs to create traditional ointments.                                                                                                                                                            | 32 oz. | \$27.99 | \$20.15  |
| #7663  | <b>NOW Almond-Lavender Massage Oil</b>           | Lavender Almond Massage Oil combines Organic Lavender Oil and natural Almond Oil to create a luxurious combination that soothes and relaxes. With Vitamins A, D & E included to nourish the skin, Lavender Almond Massage Oil is a highly versatile personal care and cosmetic product that won't clog pores and will leave skin feeling refreshed and reinvigorated. This blend can help create a soothing massage or act as a natural body moisturizer.                                                                                                                                                          | 16 oz. | \$14.99 | \$10.80  |
| #7664  | <b>NOW Comforting Massage Oil</b>                | Comforting Massage Oil is an advanced blend of natural oils specifically formulated for relaxation and skin rejuvenation. Natural essential oils from Lavender, Chamomile and Patchouli are combined with Grape Seed, Apricot and Almond Oils to provide a full spectrum of emollient properties. The tranquil and calming essence of Comforting Massage Oil is the perfect complement to a therapeutic massage. It can also be used as a daily moisturizer to leave skin feeling silky soft, nourished and rejuvenated.                                                                                           | 16 oz. | \$14.99 | \$10.80  |
| #7679  | <b>NOW Castor Oil</b>                            | 100% Pure Castor Oil is expeller-pressed from the seed of Ricinus communis and is virtually odorless. While its use is applicable to many other areas of wellness, Castor Oil is considered by many to be one of the finest natural skin emollients available today. Also known as Palma Christi (the "Palm of Christ"), castor oil celebrates a history of use that dates back to biblical times. Since then, it has been used to help moisturize and soften healthy skin and hair, and is commonly used in some of today's most popular cosmetic and beauty formulas.                                            | 4 oz.  | \$4.99  | \$3.60   |
| #7675  |                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 16 oz. | \$8.99  | \$6.50   |
| #7671  | <b>NOW Refreshing Vanilla Citrus Massage Oil</b> | Vanilla Citrus Massage Oil is infused with the powerful antioxidant benefits of natural Vitamin E to help protect skin and elastin fibers. Jojoba Oil penetrates deep to provide cell-renewing benefits while Almond and Apricot Oils soften and moisturize the skin's delicate tissues. The aromatherapy benefits of vanilla aid in reducing stress and providing relaxation while your skin is nourished with a wide array of natural nutrients to comfort the body and mind. Rose Hip Seed Oil rejuvenates the skin, minimizes the appearance of minor imperfections and keeps skin cells hydrated.             | 8 oz   | \$12.99 | 9.35     |
| #7690  | <b>NOW Evening Primrose Oil</b>                  | Pure Evening Primrose Oil (EPO) is an all-natural vegetable oil. Used as an herbal treatment for a variety of ailments. EPO contains essential fatty acids (EFAs) that support body tissues, including skin. Combined with zinc, EPO may be helpful for a healthy complexion. Each 1 ml of oil contains 80-100 mg of GLA - an essential fatty acid that can nourish and protect healthy skin cells. Pure Evening Primrose Oil (EPO) is derived from Evening Primrose seeds. This oil is pressed at a low temperature to obtain a pure, natural, virgin oil, without the use of solvents, fillers or preservatives. | 4 oz.  | \$18.99 | \$13.70  |
| #7669  | <b>NOW Tranquil Rose Massage Oil</b>             | Tranquil Rose Massage Oil is infused with the powerful antioxidant benefits of natural Vitamin E to help protect skin and elastin fibers. Jojoba Oil penetrates deep to provide cell-renewing benefits while Almond and Apricot Oils soften and moisturize the skin.                                                                                                                                                                                                                                                                                                                                               | 8 oz.  | \$12.99 | \$9.35   |

| #7725   | NOW Lanolin 100% Pure                 | Pure Lanolin is a powerful, natural moisturizer that can promote the smoothness and translucency associated with healthy, youthful skin. Derived from the wool of sheep, lanolin is remarkably close to our own natural skin oils and has a texture that is similar to petroleum jelly. It is perfect for use on very dry, rough or chapped skin.                                                                                                                                                         | 7 oz.   | \$12.99 | \$9.35   |
| #7730   | NOW Liquid Lanolin                    | Pure Liquid Lanolin is remarkably close to our own natural skin oils. It is perfect for use on very dry, rough or chapped skin. Lanolin is a natural oil derived entirely from the fiber of sheep's wool. It is secreted from the skin of sheep and becomes trapped in the sheep's wool, giving protection from rain and moisture.                                                                                                                                                                        | 4 oz.   | \$9.99  | \$7.20   |
| #482618 | AURA CACIA Relaxing Lavender Body Oil | Provide your skin with ultimate moisture and nourishment with Aura Cacia Relaxing Lavender Aromatherapy Body Oil. This specially-formulated blend of plant-derived oils is nourishing to the skin while leaving it beautifully hydrated. Perfect for use as a moisturizer after a shower or bath, as well as a pleasantly scented massage oil, this lavender oil is free of parabens, phthalates, fluoride, and other harsh ingredients. This oil is good for use all over the body for a calming result. | 4 oz.   | \$8.15  | \$7.35   |
| #7756   | NOW Shea Butter 100% Pure & Organic   | Pure and Certified Organic Shea Butter has a rich, luxurious texture that penetrates deep to condition and moisturize every type of skin. Shea Butter is derived from the tree nuts of the karite trees that grow in Western and Central Africa. It is a wonderful emollient that's perfect for daily use. Can also be used as a scalp moisturizer.                                                                                                                                                       | 7 oz.   | \$12.99 | \$9.35   |
| #7758   | NOW Shea Butter 100% Pure             | Natural Shea Butter has a rich, luxurious texture that penetrates deep to condition and moisturize every type of skin. Shea Butter is derived from the tree nuts of the karite trees that grow in Western and Central Africa. It is a wonderful emollient that's perfect for daily use. Can also be used as a scalp moisturizer.                                                                                                                                                                          | 7 oz.   | \$9.99  | \$7.20   |
| #7757   | NOW Shea Butter 100% Pure             | Natural Shea Butter has a rich, luxurious texture that penetrates deep to condition and moisturize every type of skin. Shea Butter is derived from the tree nuts of the karite trees that grow in Western and Central Africa. It is a wonderful emollient that's perfect for daily use. Can also be used as a scalp moisturizer.                                                                                                                                                                          | 16 oz.  | \$16.99 | \$12.25  |
| #7760   | NOW Cocoa Butter/ Jojoba Oil          | Cocoa Butter with Jojoba Oil unites the skin-softening effects of 75% pure cocoa butter with 25% pure jojoba. Jojoba is very similar to the sebum produced by our own skin, making it an excellent choice for facial and body oils, as well as hair and scalp treatments. When combined together they can address dry skin, sunburns and stretch marks.                                                                                                                                                   | 6.5 oz. | \$11.99 | \$8.60   |

To support brain health, Canine Geriatric Basics enhances neurotransmitter production and positively affects neuronal membranes.</p> | 90 Chews | \$59.00  | \$49.50  |

# Pure Encapsulations

We are excited to tell you that we recently picked up the Pure Encapsulations Brand. Pure Encapsulations is typically sold in Dr.'s offices, and because I'm a Master Herbalist, they have allowed me to sell it. Please read these two paragraphs found on the home page of their site and you will understand why their products are more expensive:

At Pure Encapsulations, we know it's what's inside that counts. That's why we've spent the last 30 years researching, innovating, and developing our comprehensive line of premium supplements, to bring you over 400 uniquely formulated products made with high-quality, pure ingredients

backed by verifiable science to complement your plan of care. Everything your patients need and nothing they don't—that's goodness encapsulated.

What makes us different is the promise of goodness that goes into every one of our supplements. We take high standards seriously, which is why we're the most recommended professional supplement brand, ranked highest in quality and trust. Our supplements are made with only premium ingredients sourced from trusted suppliers and guided by our nutritional experts, then carefully manufactured **and tested to ensure they are FREE FROM unnecessary additives and many common allergens.**

**They only allow me to post the full retail price Online and in our catalog, but I am allowed to discount the products when you order. Please call/email me for the discount price. And they have over 400 other products, if there is something you need, just let me know. They have some EXCELLENT products.**

| #ARAB2 | Arabinogalactan<br>500 mg | Prebiotic fiber for immune support.<br>Arabinogalactan, or AG, is a fermentable fiber found in high concentrations in North American larch trees. It is also the active constituent of echinacea. AG has the potential to support immune cells involved with the body's first line of defense, to promote cytokine production, communication, and the signaling pathway of immune cells. Research conducted at the University of Minnesota revealed that AG stimulated immune cells with a higher capacity than echinacea. In several university studies at major U.S. institutions, AG promoted immune cell function at a dose of 1.5 grams per day in humans. A randomized 4-week trial in healthy adults suggested that AG also potentiates the complement system, another mechanism of defense in the body. Animal and human studies also indicate that AG supports a healthy environment for the liver and colon. In the colon, AG supports the growth of the friendly microflora lactobacillus and bifidobacteria. Antioxidants, such as vitamin C, may support arabinogalactan activity. | 90<br>VCaps | \$39.20 |

| #BACO3 | <b>Bacopa Monnieri</b><br>200 mg | When you're frequently under stress, your nervous system can be affected. This can lead to a lack of mental focus, memory loss, and reduced cognitive function. To prevent this, you can try to make lifestyle changes like managing stress, getting the proper amount of sleep, and exercising every day. If you have tried all of these things and still find that you are frequently anxious or stressed out, you might want to consider supplementing your lifestyle efforts with a supplement like Pure Encapsulations' Bacopa monniera. The ingredients are known for their antioxidant properties, which can offer protection from free radicals, molecules that can damage cells in your nervous system or elsewhere. This supplement may also improve mental focus and memory if used on a regular basis.                                                                                                                                                                                                                                                                                                                           | 180 VCaps | \$44.50 |
| #BC016 | <b>B-Complex Plus</b>            | B-Complex Plus capsules from Pure Encapsulations is a combination of B vitamins, including vitamins B1, B2, B3, B5, B6, B12, biotin and folate. The B complex vitamins are known mostly for their role in converting the food you eat into energy as well as keeping your metabolic rate at a healthy level, but there are many reasons to take a good B-Complex                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 60 VCaps  | \$22.70 |
| #BRF6  | <b>Best Rest Formula</b>         | If you find yourself tossing and turning when you go to bed, Best-Rest Formula may be just what you need. This supplement contains a unique blend of herbs, all of which have a long history of promoting sleep. The ingredients include:<br>Pyridoxal-5-phosphate (vitamin B6)—promotes the creation of serotonin, a hormone your body uses to regulate your sleep cycles<br>Melatonin—naturally regulates when your body wakes up and goes to sleep<br>Valerian root—reduces the amount of time it takes for you to fall asleep, while also improving sleep quality<br>Lemon balm—works along with valerian root to help you fall asleep                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 60 VCaps  | \$30.70 |
| #BOS23 | <b>Boswellia AKBA</b>            | Enhanced support for immune, joint, gastrointestinal and cell health*<br>5-LOXIN® is a patent-pending Boswellia extract providing ten times as much AKBA as typical Boswellia extracts. In studies, 5-LOXIN has demonstrated the potential to support joint mobility and comfort, in part by promoting a healthy immune response. It may also play a role in maintaining healthy matrix metalloproteinase (MMP) activity, supporting connective tissue structural composition. Additionally, a randomized double-blind study involving 102 individuals revealed that AKBA supports gastrointestinal health. Further studies have indicated that AKBA may provide gastrointestinal support by maintaining healthy immune activity in the epithelial lining of the digestive tract. Moreover, studies suggest AKBA supports healthy cell signaling and cell cycle function for high capacity cellular support.*<br>• Supports joint structure, longevity and comfort*<br>• Contains 5-LOXIN®, patent-pending Boswellia extract providing ten times as much AKBA as typical boswellia extracts<br>• Made with hypoallergenic, vegan ingredients | 120 Vcaps | \$50.40 |

| #CAPI  | Caprylic Acid                  | Proper digestion supports overall health by allowing your body to experience the benefits of the nutrients you consume. If the balance of microflora in your GI tract is out of whack, you may experience malabsorption; this is in addition to the potential for uncomfortable and inconvenient symptoms such as constipation or diarrhea. Caprylic Acid provides a naturally occurring medium-chain fatty acid that helps promote a better environment for microflora. Since it's fat-soluble, caprylic acid may be able to penetrate the mucosal cells in your intestines, maximizing effectiveness. Caprylic acid, which is also known as octanoic acid, may promote healthy candida balance in the gastrointestinal tract by working to normalize the stomach's acidity, which can decrease the prevalence of yeast. It may be especially helpful when used in addition to probiotics. It's also very good for chasing away ACNE. | 120<br>VCaps | \$23.10 |
| #CCC9  | CarbCrave Complex              | Moderates carbohydrate intake and helps lessen appetite <ul style="list-style-type: none"> <li>Helps to moderate carbohydrate intake</li> <li>Helps to moderate appetite by supporting healthy brain chemistry &amp; mood</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 90<br>VCaps  | \$36.60 |

| #GRA29  |                                       | Grapefruit seed extract is a highly concentrated G.I. balancing extract promoting healthy microflora and gut ecology. A preliminary clinical trial reported that grapefruit seed extract supplements helped support healthy G.I. function and comfort. An in vitro study indicated that grapefruit seed extract promoted healthy gram-positive and gram-negative balance. Other studies support these findings, citing that grapefruit seed extract promotes a healthy environment when exposed to a wide range of bacterial biotypes.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | <b>120<br/>VCaps</b>  | <b>\$31.00</b> |

| #P13176 | <b>Junior Nutrients</b>        | The capsules are small, easily swallowed and digested, and bioavailable (meaning that they're easily absorbed by the body). In addition, each capsule provides beta carotene, lycopene, and zeaxanthin, powerful antioxidants that work to protect your child's cellular structure from damage and set a lifetime precedent for healthy cells. Junior Nutrients is a vegetarian formula, free of allergens and artificial colors. Consult your pediatrician before giving Junior Nutrients by Pure Encapsulations to kids under the age of four. Each bottle of Junior Nutrients contains 120 vegetable capsules, which should last for one to two months, depending on your dosage. The dose varies depending on your child's age.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 120<br>VCaps            | \$25.60 |
| #LI9    | <b>Lithium (orotate)</b>       | Lithium is designed to support healthy mental function, including mood, emotion, memory and behavior. Lithium may support healthy brain receptor function and brain signaling cascades to maintain healthy mental function.*<br><ul style="list-style-type: none"> <li>• Supports healthy mood, memory and behavior*</li> <li>• Supports neurotransmitter activity*</li> <li>• Made with hypoallergenic ingredients</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 90<br>VCaps<br><br>5 mg | \$22.70 |
| #MACU3  | <b>Macular Support Formula</b> | The comprehensive antioxidant formula for healthy eyes. Macular Support Formula is a combination high in antioxidants and botanicals designed to protect and support the macula, the central area of the retina responsible for sharp vision. Since the macula is extremely susceptible to free radical damage, the research emphasizes the importance of antioxidant supplementation in maintaining and improving macular health. N-acetyl-l-cysteine, a glutathione precursor, has been shown to protect against oxidative damage to the lens and to support healthy glutathione levels. Glutathione is one of the natural antioxidants found in retinal tissues. Bilberry, containing anthocyanidins, may help moderate visual fatigue and improve light to dark adjustments.<br><br>Combined with these cofactors, grape seed extract helps provide antioxidant balance in the retina. This formula is also enhanced with lutein and zeaxanthin, the only two carotenoids found in macular pigment. Lutein and zeaxanthin promote the integrity and density of the macular pigment, as well as helps maintain the health of the optical lens. The antioxidant activity of carotenoids and vitamin C provide optimal macular protection and ocular health. Lasts from 2-4 weeks, depending on how much you take per day. | 60<br>VCaps             | \$50.30 |
| #MACU4  |                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 120<br>VCaps            | \$88.90 |

| #MAG48 | Magnesium (glycinate) 120 mg | Highly bioavailable magnesium chelate for sensitive individuals. In a 15-year study involving almost 5,000 young adults, higher intakes of magnesium were associated with healthy cardiovascular function and glucose utilization. Another large cross-sectional study found that magnesium intake was positively associated with bone mineral density in certain subgroups. This vital mineral also helps utilize some vitamins, including vitamin B6, vitamin C, and vitamin E. Magnesium (glycinate) is less likely to cause loose stools than other forms of magnesium. Magnesium (glycinate) is a very stable form of magnesium and allows for larger amounts of magnesium to be absorbed more quickly and be better retained by the body. Benefits from this type of magnesium include reduction in pain and muscle contractions, help with Fibromyalgia and Chronic Pain Syndrome and it has an overall calming effect on the body. There are many kinds of magnesium and they are not all created equal. Yes, this one is more expensive but like anything else, you get what you pay for. | 180 VCaps | \$38.90 |
| #MEL27 | Melatonin 3 mg               | Melatonin is a hormone produced by the pineal gland, which regulates the body's sleep/wake cycle. Melatonin's primary role is regulation of the body's circadian rhythm, endocrine secretions, and sleep patterns. Studies indicate that it facilitates the onset of sleep, as well as sleep efficiency.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 180 VCaps | \$32.20 |
| #MUSC5 | Muscle Cramp/Tension Formula | A combination of magnesium, calcium and potassium, specific designed for nighttime or exercise-related leg muscle cramps, and to ease muscle tension.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 60 VCaps  | \$16.10 |
| #NACE5 | NAC 600 mg                   | N-Acetyl-L-Cysteine (NAC) is a cellular antioxidant support that specifically promotes healthy lung tissue. N-Acetyl-L-Cysteine (NAC) is a free radical scavenger that supports glutathione levels in tissues. <ul style="list-style-type: none"> <li>• Supports cellular antioxidant defense system</li> <li>• Promotes healthy lung tissue</li> <li>• Made with hypoallergenic ingredients</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 90 VCaps  | \$31.10 |
| #NSKS4 | Nattokinase 100 mg           | Nattokinase, a fibrinolytic enzyme isolated from Japanese natto, helps to maintain the healthy activity of the body's natural clotting and fibrinolytic processes. In an animal study conducted by Biotechnology Research Laboratories and JCR Pharmaceuticals of Kobe, Japan, nattokinase promoted healthy blood flow. Furthermore, researchers from indicated that nattokinase supports healthy clotting function compared to placebo.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 60 VCaps  | \$70.50 |

| #PON6  | O.N.E. Multi-Vitamin | Are you looking for a powerful ONE-A-DAY Multivitamin? For a source of highly bioavailable vitamins that your body can absorb easily, look no further than Pure Encapsulations' O.N.E.™ Multivitamin with With Metafolin® L-5-MTHF. This supplement contains vitamin A, vitamin C, vitamin D, vitamin E, and several B complex vitamins. O.N.E.™ Multivitamin also contains an antioxidant complex, which can work to fight off potentially harmful free radicals. These antioxidants include MicroActive® CoQ10 (a patented, sustained-release form of coenzyme Q10 that's almost universally absorbed) and alpha lipoic acid (ALA). While supporting physical well-being, it also supports cognitive functioning and memory. Every dose gives you inositol and choline, B vitamins found in many animal tissues that assist nervous system functioning. Along with lycopene, they also help cell membranes throughout the human body function effectively. Additionally, choline may promote liver health. Nutrients like zeaxanthin and lutein are also included in this product to help you maintain healthy vision. | 60<br>VCaps                       | \$39.00 |
| #PCZ6  | Peptic-Care          | <b>Peptic-Care (Zinc-L-Carnosine) ~ For Ulcers:</b> Provides patented support for the stomach's mucosal defenses, buffering gastric acid, maintaining gastric integrity and providing antioxidant support for overall gastric health and comfort*<br><br>This patented, 1:1 chelate of zinc and l-carnosine provides a unique configuration that is important to this compound's activity. Zinc-carnosine has a slow disassociation rate and adheres to the stomach lining, allowing for prolonged protection. Once dissociated, zinc and carnosine provide synergistic antioxidant protection, support the stomach's mucosal defenses, buffer gastric acid and maintain healthy cytokine release.                                                                                                                                                                                                                                                                                                                                                                                                                       | 60<br>VCaps                       | \$58.40 |
| #PHY99 | Phyto-ADR            | This vegetarian formula provides wide range herbal and nutritional support for the adrenal glands. Panax ginseng and Eleutherococcus senticosus, or eleuthero, are highly recognized adaptogens, promoting physiological balance and moderating occasional stress. In part, they help to moderate the production of adrenocorticotrophic hormone (ACTH) and ultimately corticosterone activity. Corticosterone promotes the conversion of amino acids into carbohydrates and glycogen by the liver and stimulates glycogen formation in the tissues, supporting optimal energy reserves.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 180<br>VCaps                      | \$68.20 |

| #THY35  | Thyroid Support Comp | <p>This comprehensive thyroid support formula contains vitamins, minerals and herbal extracts to nourish and support thyroid gland function. Healthy vitamin A, vitamin D, zinc and selenium status have been associated with maintaining healthy thyroid cell metabolism as well as triiodothyronine (T3) and thyroxine (T4) hormone function. Iodine and l-tyrosine are key components in the synthesis of thyroid hormones. Coleus extract contains forskolin, which has been shown to promote adenylate cyclase activity, supporting thyroid hormone metabolism. Research indicates that ashwagandha and guggul are also key factors for helping to sustain healthy thyroid function. Vitamins A and C, along with selenium, guggul and curcumin, help moderate free radicals that affect iodothyronine 5'-monodeiodinase enzyme activity, the limiting factor in the conversion of T4 to the more active T3 hormone.*</p> | 60 VCaps    | \$31.20 |

Those who eat flesh are but eating grains and vegetables at second hand; for the animal receives from these things the nutrition that produces growth. The life that was in the grains and vegetables passes into the eater. We receive it by eating the flesh of the animal. How much better to get it direct, by eating the food that God provided for our use.

—Ministry of Healing, 313

# Pure Essence

Please MEET yet another NEW BRAND we are carrying! I LOVE this company! Pure Essence has been around 23 years. They are the LEADER in Customer Satisfaction.

They have so much confidence in their products that they tell you that you can use their products for 90 days, (not 30 days! 90 days, that is 3 months!) and if you are not completely satisfied you can ask for 100% of your money to be returned. I know of no other company who stands behind their products like Pure Essence stands behind theirs! So, as you are reading about their products, keep that in mind....you have NOTHING to lose. If they don't work, you get your \$\$\$ back.

All of their products are in VCaps or Tablets, and are GMO-FREE & GLUTEN-FREE.

# Quantum Buzz Away

## *DEET-Free Bug Spray from Quantum Health*

I work out in the garden ALOT and certain times of the year, there are tons of little bugs :-)

I have used this BUG SPRAY for years, and finally decided to start selling the spray, thought the rest of you outdoorsy people would appreciate it, too.

Finally, a DEET-free bug spray that's both plant-based and effective! Buzz Away Extreme is the brand that families have trusted for over a decade. That's why Buzz Away Extreme is the leader in the natural channel among plant-based, DEET-free bug sprays.

This innovative, non-greasy DEET-free mosquito repellent utilizes a proprietary blend of plant-based ingredients that work together to protect you and your family, which includes:

- Citronella Oil
- Geranium Oil
- Lemongrass Oil
- Cedarwood Oil
- A dozen other plant-based carrier oils, aromatic essential oils, plant-based preservatives, and purified water

There's no need to douse yourself with DEET.

Make the switch to this DEET-free mosquito and tick repellent.

# Rapid Cell

## *Do You Battle with High Blood Pressure?*

*Are you worried about the side effects of the drug medications?  
If so, HYPERTENOL may be just what you are looking for!*

### **Benefits of Hypertenol:**

- Normalize blood pressure levels. Help obtain and maintain desirable blood pressure levels in people who have not responded adequately to prescribed hypertension medication.
- Help obtain and maintain further desirable blood pressure levels (<130/85 mmHg) in patients who have been under control of prescribed hypertension medication.
- Help obtain and maintain normal blood pressure levels in patients who suffer the side effects from conventional hypertension medication and wish to discontinue it.
- Help improve and maintain a normal heartbeat in people who suffer from arrhythmia either with or without hypertension
- Improve breathing in people who complain of breathing difficulties caused from obesity or high blood pressure.

## *Immunol — Enhance Your Bodies' Immun Defense System!*

RapidCell Immunol works by enhancing the body's production of Immunoglobulin A (IgA), a sticky mucosal material, which is one of the most common of the five major classes of immunoglobulins and the chief antibody in the membranes of the gastrointestinal and respiratory tracts. IgA protects the body's mucosal surfaces from infection by binding to intruders such as allergens and preventing them from passing the surface layer of the body.

Immunol is mainly designed as an immune-modulator to help enhance and balance the entire immune system. When necessary, Immunol helps activate the body's own defense systems against viral, bacterial, fungal, parasitic and other harmful organisms, while providing balanced nutrition and helping to relieve stress, thus improving and achieving optimal immune function.

Immunol also assists the body in fighting allergies.

Immunol is a unique combination of botanical extractions from date fruit, olive leaf and astragalus and eluthero, which are then bio-enhanced with the patent pending B.E.E. technology.

Immunol enhances and balances the entire immune system. It promotes normal urination in many people with incontinence, and acts as an immune modulator. It activates the body's own defenses against viral, bacterial, fungal and other harmful organisms, and strengthens the body's natural immunity and resistance to allergies.

Immunol promotes liver and cardiovascular function, increases proliferation of bone marrow stem cells, and increases the antibody levels of IgA and IgG. It potentiates the effects of interferon, aids people with autoimmune disorders, supports adrenal gland function, and enhances the body's ability to cope with stress.

| #92369  | <b>Antiseptic Tea Tree Liquid Soap</b> | Antibacterial Liquid Soap is the ideal hand and face soap for everyday use. We have added Aloe Vera gel and extracts of Chamomile, Calendula and Elderflower to make a soothing nurturing formula that takes care of your hands as well as being antiseptic.                                                                                                                                                                                                                                                                                                                     | 8 oz.    | <b>\$6.49</b>  | <b>\$5.25</b>  |
| #92500  | <b>Cinnamon Tea Tree Toothpicks</b>    | Cinnamon Toothpicks are made from birchwood infused with Tea Tree Oil and other natural extracts. Tea Tree Oil's natural antiseptic properties help freshen the breath and kill bacteria that causes plaque and tartar. Their long lasting flavor can be an aid to those giving up smoking and snacking.                                                                                                                                                                                                                                                                         | 100/Pack | <b>\$4.19</b>  | <b>\$3.75</b>  |
| #92010  | <b>Tea Tree Mint Toothpicks</b>        | Mint Toothpicks are made from birchwood infused with Tea Tree Oil and other natural extracts. Tea Tree Oil's natural antiseptic properties help freshen the breath and kill bacteria that causes plaque and tartar. Their long lasting flavor can be an aid to those giving up smoking and snacking.                                                                                                                                                                                                                                                                             | 100/Pack | <b>\$4.19</b>  | <b>\$3.75</b>  |
| #92005  | <b>Natural Toothpaste</b>              | Toothpaste with Baking Soda and Tea Tree Oil provides a dual cleaning system of Calcium Carbonate and Sodium Bicarbonate for every day use. Tea Tree Oil provides antiseptic qualities which inhibit the growth of bacteria which cause plaque, tartar, bad breath and tooth decay. It helps in the treatment of gum conditions and assists in controlling mouth ulcers. There is no fluoride or artificial sweeteners and parsley seed oil has been added to freshen the breath.                                                                                                | 5 oz.    | <b>\$6.25</b>  | <b>\$5.10</b>  |
| #92003  | <b>Natural Whitening Toothpaste</b>    | Whitening Toothpaste with Tea Tree Oil provides extra whitening especially if teeth are stained. Dicalcium Phosphate and Silica are gentle low abrasive polishers. They are the same ingredients Dentists use to polish your teeth after a dental cleaning. Tea Tree Oil's natural antiseptic properties inhibit the growth of bacteria which cause plaque and tooth decay. It helps in the treatment of gum conditions and assists in controlling mouth ulcers and bad breath. The formula contains no artificial sweeteners or fluoride and has a pleasant natural mint taste. | 3 oz.    | <b>\$5.79</b>  | <b>\$4.70</b>  |
| #92606  | <b>Suppository</b>                     | Suppositories with Tea Tree Oil provide vaginal hygiene. Each suppository contains approximately 200mg of Tea Tree Oil in a vegetable base.                                                                                                                                                                                                                                                                                                                                                                                                                                      | 6/Box    | <b>\$13.49</b> | <b>\$10.95</b> |
| #92300  | <b>Tea Tree/Eucalyptus Bar Soap</b>    | Eucalyptus Vegetable Base Soap is a gentle ex-foliating soap that combines the antiseptic properties of Tea Tree Oil, Lavender Oil and Eucalyptus Oil.                                                                                                                                                                                                                                                                                                                                                                                                                           | 3.5 oz.  | <b>\$4.49</b>  | <b>\$3.65</b>  |

| #T06036 | THORNE B-Complex #6         | B-Complex #6 includes essential B vitamins. Its extra B6 is important for neurotransmitter synthesis, which is essential for healthy stress response and mood support. It can also help modulate fluid retention. Most B vitamins, with the exception of vitamin B12, are not stored in the body; consequently, they must be acquired daily from the diet in order to maintain optimal health.                                                                                                                                                                                                              | 60 VCaps  | \$15.45 | \$15.00  |
| #T15022 | THORNE Betaine HCL & Pepsin | Betaine HCl & Pepsin supports optimal stomach acidity, protein digestion, and enzyme activity.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 225 VCaps | \$35.00 | \$27.00  |
| #T06657 | THORNE BioMins II           | Biomins II is formulated for individuals at high risk for mineral deficiencies, but who do not require copper or iron. Mineral deficiencies are frequently found in the elderly, in children and teenagers, and in individuals with eating disorders. Taking certain medications can also result in mineral deficiencies.<br><br>In formulating Biomins II, Thorne concluded that dicalcium malate and dimagnesium malate (two molecules of each mineral bound to one molecule of malate) are the forms of calcium and magnesium to optimize both absorption and concentration (how much fits in a capsule) | 120 VCaps | \$25.00 | \$19.60  |

| #T94790 | <b>THORNE<br/>Curcumin<br/>Phytosome</b>      | Curcumin Phytosome helps maintain a healthy inflammatory response throughout the body. It is the most clinically studied curcumin on the market with 29x greater absorption than ordinary curcumin. In all forms, Curcumin Phytosome helps maintain a healthy inflammatory response throughout the body and provides relief from overuse of muscles and joints.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | <b>120<br/>VCaps</b>   | <b>\$55.00</b> | <b>\$49.50</b> |
| #T14019 | <b>THORNE<br/>GI-Encap</b>                    | <p>Although aloe vera has significant gastroprotective efficacy, some forms of aloe vera can produce a laxative effect. GI-Encap's aloe vera ingredient comes from the inner fillet of the aloe vera plant, which avoids this effect. Similarly, licorice root preparations, which support the stomach and duodenum, can cause blood pressure to rise in some individuals when given in higher amounts. Therefore, the licorice in GI-Encap has had its glycyrrhizin removed, which prevents increases in blood pressure.</p> <p>GI-Encap also contains slippery elm bark (<i>Ulmus rubra</i>) and marshmallow root (<i>Althea officinalis</i>), both of which contain mucilaginous components that can soothe the digestive tract.</p> <p>To soothe esophageal irritation, GI-Encap can be taken out of the capsule and mixed with warm water to drink as a tea.</p> | <b>100<br/>VCaps</b>   | <b>\$35.00</b> | <b>\$26.40</b> |
| #T32011 | <b>THORNE<br/>5-MTHF<br/>Folate<br/>5 mg.</b> | <p>5-MTHF is an active, tissue-ready form of folate. It's an essential B vitamin that supports methylation.</p> <p>Many individuals don't get sufficient 5-MTHF because they have intestinal or liver dysfunction or because of their genetic makeup. A deficiency of folic acid has been linked to low-birth-weight infants and neural tube defects; adequate folic acid in healthful diets may reduce a woman's risk of having a child with a neural tube defect.</p>                                                                                                                                                                                                                                                                                                                                                                                               | <b>60<br/>VCaps</b>    | <b>\$56.00</b> | <b>\$46.45</b> |
| #T06701 | <b>THORNE<br/>Pectinate</b>                   | <p>Thorne's Pectinate contains citrus pectin that has been pH-modified, which breaks the citrus pectin molecule into much smaller pieces that are better absorbed into the bloodstream. Modified citrus pectin acts by surrounding and trapping metal ions, which allows the metal ions to be gently eliminated from the body. Alginate, from seaweed, is comprised of chains of polysaccharides that also act by surrounding and trapping metal ions.</p> <p>Finally, R-lipoic acid is a sulfur-containing antioxidant that binds to metal ions. R-lipoic acid also increases the level of the body's premier intracellular antioxidant glutathione, in addition to having its own antioxidant activity in the body.</p>                                                                                                                                             | <b>60<br/>Servings</b> | <b>\$93.00</b> | <b>\$63.45</b> |

| #T26034 | <b>THORNE</b><br>Pyridoxal<br>5'-Phosphate | <p>Pyridoxal 5'-Phosphate is vitamin B6 in its most bioactive and readily usable form. Vitamin B6 pairs with magnesium for support of women with PMS.</p> <p>Vitamin B6 is necessary for the body's transformation and utilization of amino acids in many functions in the body, including energy production, synthesizing neurotransmitters, and metabolizing hormones that can benefit women with mild PMS symptoms. Pyridoxal 5'-phosphate (P5P) is also necessary for homocysteine recycling because it helps facilitate the breakdown of homocysteine to taurine and cysteine. P5P is also involved in the body's production of hemoglobin and intrinsic factor, and is vital to the formation of the myelin sheath that surrounds nerve cells.</p>                                                                                                 | 180<br>VCaps    | \$49.00 | \$38.55  |
| #T48091 | <b>THORNE</b><br>Relora Plus               | <p>Individuals who are occasionally anxious, and who eat when stressed, can have trouble maintaining an optimal weight. Relora Plus is a proprietary blend of plant extracts from <i>Magnolia officinalis</i> and <i>Phellodendron amurense</i> (two well-known botanicals used in the practice of Traditional Chinese Medicine for over 1,500 years) along with six B vitamins, including the active forms of vitamins B2, B6, B12, and folate. Studies have demonstrated that the active plant constituents in Relora® can achieve a healthy cortisol level (cortisol is a marker of adrenal stress), support a healthy DHEA level, minimize stress-related eating, and support weight management efforts. The six additional B vitamins in the Relora Plus formula are included to promote a positive mood and to mitigate the effects of stress.</p> | 60<br>VCaps     | \$36.00 | \$27.80  |
| #T02963 | <b>THORNE</b><br>Stress<br>B-Complex       | <p>Stress B-Complex contains an optimal balance of essential B vitamins, with extra vitamin B5 to support healthy adrenal and immune function. Healthy adrenal glands play an important role in effectively managing stress. Pantothenic acid (vitamin B5) is part of the B-vitamin complex and is essential for healthy adrenal and immune function.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 60<br>VCaps     | \$18.00 | \$12.75  |
| #T22014 | <b>THORNE</b><br>Undecylenic<br>Acid       | <p>Undecylenic Acid, the most potent of the fatty acids that studies have shown can be effective in maintaining a healthy balance of gastrointestinal and vaginal flora. Optimal functioning of the gastrointestinal tract is vital to the absorption of nutrients, the elimination of waste, and proper immune function. Fatty acids have been used for many years to help maintain a healthy balance of the microorganisms that live in the gastrointestinal tract. Undecylenic Acid (10-undecenoic acid) is an eleven-carbon, mono-unsaturated fatty acid that occurs naturally in the body's perspiration. Undecylenic Acid is the most potent fatty acid – six times more effective than caprylic acid.</p>                                                                                                                                         | 250<br>Gel Caps | \$39.00 | \$29.50  |

# Trace Minerals Research

*Trace Minerals Research envisions a world where people are empowered and in charge of their own health; a time when all consumers are committed to living a healthier lifestyle; a day when ionic trace minerals are a part of every consumer's daily supplement intake.*

*Since 1972, Trace Minerals' branded products have been recognized around the world as the pioneer of ionic trace mineral products that have supported consumers in living healthy lives.*

There are several Transformation Enzyme products that are not listed here because they have animal products in them. I do not believe that supplements made from dead animals are healthy for us so I do not stock them, but if you want them, I can order them for you.

# TRUEHOPE

## *TRUEHOPE for Better Mental & Physical Well Being*

More doctors and medical professionals than ever before are prescribing EMPowerplus Advanced, Truehope Nutritional Support's specialized micronutrient treatment. Many physicians and health professionals across the U.S. and Canada are currently using EMPowerplus Advanced in their clinical practice as a treatment option for bipolar disorder, depression, ADD, and other mental disorders. Research has shown a strong connection between brain function and nutrients, and several preliminary studies of EMPowerplus Advanced have shown very positive results.

We invite you to take a moment and review the current literature regarding the use of micronutrients for mood disorders. There is a growing body of evidence that suggests that micronutrient interventions such as EMPowerplus Advanced may be the most effective approach to certain mood disorders.

EMPowerplus Advanced is a specially formulated vitamin, mineral, and amino acid supplement designed to assist in creating a balanced life. Has been beneficial for those suffering from ADHD, Aggression, Anxiety, Autism, Bipolar Disorder, Depression, Explosive Rage, General Mental Health Issues, Mood Lability, Obsessive Compulsive Disorder (OCD), Premenstrual Syndrome, Psychosis, Severe Mood Dysregulation, Stress, Traumatic Brain Injury

- **35 Research Studies** - The EMPowerplus Formulation is the most researched vitamin/mineral supplement in the world.
- **36 Ingredients** - EMPowerplus Advanced provides a broad spectrum, highly absorbable range of nutrients that are essential to brain function.
- **Chelation** - We wrap the minerals in an organic molecule and bind them to proteins the body can easily recognize and digest.
- **Micronization** - Using cutting edge technology, minerals are reduced to a size the body can use.
- **Balanced Nutrition** - EMPowerplus Advanced is proportioned and balanced for maximum absorption and effectiveness.
- **Quantity** - Micronutrients in high enough doses to sufficiently address deficiencies and promote proper metabolic functioning.

*The relation that exists between the mind and the body is very intimate. When one is affected, the other sympathizes. The condition of the mind affects the health to a far greater degree than many realize. Many of the diseases from which men suffer are the result of mental depression. Grief, anxiety, discontent, remorse, guilt, distrust, all tend to break down the life forces and to invite decay and death.*

|      |         |
|      |         |

*There are multitudes today as truly under the power of evil spirits as was the demoniac of Capernaum. All who willfully depart from God's commandments are placing themselves under the control of Satan. Many a man tampers with evil, thinking that he can break away at pleasure; but he is lured on and on, until he finds himself controlled by a will stronger than his own. He cannot escape its mysterious power. Secret sin or master passion may hold him a captive as helpless as was the demoniac of Capernaum.*

*Yet his condition is not hopeless. God does not control our minds without our consent; but every man is free to choose what power he will have to rule over him. None have fallen so low, none are so vile, but that they may find deliverance in Christ. The demoniac, in place of prayer, could utter only the words of Satan; yet the heart's unspoken appeal was heard. No cry from a soul in need, though it fail of utterance in words, will be unheeded. Those who consent to enter into covenant with God are not left to the power of Satan or to the infirmity of their own nature.*

—Ministry of Healing, 92-93

## *The Fence, or the Ambulance?*

'Twas a dangerous cliff, as they freely confessed,  
Though to walk near its crest was so pleasant.

But over its terrible edge there had slipped  
A duke and full many a peasant.

So the people said something would have to be done,

But their projects did not at all tally,

Some said, "Put a fence 'round the edge of the cliff;"

Some, "An ambulance down in the valley."

But the cry for the ambulance carried the day,

For it spread through the neighboring city;

A fence may be useful or not, it is true,

But each heart was brim full of pity

For those who slipped over that dangerous cliff;

And the dwellers in highway and valley

Gave pound or gave pence, not to put up a fence,

But an ambulance down in the valley.

"For the cliff is all right if you're careful," they said,

"And if folks even slip or are dropping,

It isn't the slipping that hurts them so much

As the shock down below when they're stopping."

Then an old sage remarked, "It's a marvel to me

That people give far more attention

To repairing results than to stopping the cause,

When they'd much better aim at prevention.

"Let us stop at its source all this mischief," cried he,

"Come, neighbors and friends, let us rally,

If the cliff we will fence we might almost dispense

With the ambulance down in the valley."

"Oh, he's a fanatic," the others rejoined.

"Dispense with the ambulance? Never!

He'd dispense with all charities, too, if he could;

But no! We'll protect them forever;

Aren't we picking folks up just as fast as they fall?

And shall this man dictate to us? Shall he?

Why should people of sense stop to put up a fence

While their ambulance works in the valley?"

But a sensible few who were practical, too,

Will not bear with such nonsense much longer,

They believe that prevention is better than cure

And their party will soon be the stronger.

Encourage them, then, with your purse, voice and pen,

And (while other philanthropists dally)

They will scorn all pretense and put up a stout fence

On the cliff that hangs over the valley.

— John. N. Hurty, M.D.
